# Student Council

Thanks Titans for another amazing school year! I have been honoured to serve as your Student Council President for the 2010-2011 school year. Our theme "Inspired to Unite" demonstrates our drive to connect the students of Harry Ainlay. Council planned out a variety of events that brought together the students from every part of the school to bring out their unique talents. We stood true to our motto "In Omnibus Excelsior," In All Things Excellence and the diversity of our student body has made every event exceptional. High School can be a tough journey and throughout the year Council helped students to relax, make memories and create an unforgettable year. Harry Ainlay students have made new friendships with students and staff that will last a lifetime. The students make the school and Student Council events amazing; thank you for coming out and making every one of our activities successful! As we leave high school we will never forget the memories made. I wish you success in your future to live up to your full potential. We have given everyone a reason to remember the Titans.

# Student Council Activities

This year, Student Council led Ainlay through a fun-filled ten months under the motto "INSPIRED TO UNITE". The very first day back, the spirit of unity was already filling the school as students, returning and new alike, joined in some energizing rounds of Musical Chairs. For the rest of the year, excitement sparked wherever the yellow-on-blue Superman t-shirts were seen. The Titan spirit soared through a fabulous Halloween Costume Contest, three exhilarating weeks of the annual Dodgeball Tournament, and some very rewarding guessing games at the Easter Egg Hunt. From the Donut-Eating Contest and Mario Kart to Cookie Decorating and Karaoke, there was something for everybody in the rotunda. The traditional favourites—Welcome Back Barbecue, BYOB, and Aloha Ainlay—ushered in students from all corners of the school to enjoy a delicious burger, an enticing banana split, an exquisite strawberry daiquiri. And being united went a long way: the Helping Hampers campaign brought hope to community families in crisis, the McKee Holiday Celebration put a spark in elementary students' eyes, the Blood Drives helped save numerous lives,... The 2010-11 school year will remain in all of our memories as one of purpose, of cheers, and of laughter. —Jessie Wang, Executive Assistant

Mr. D. Jones, Principal

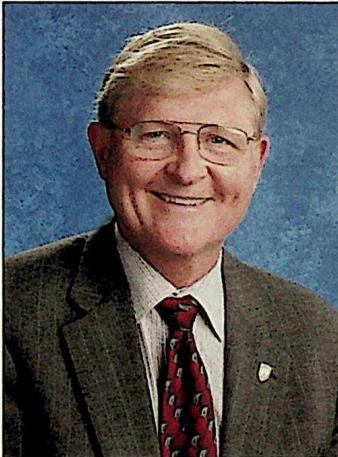

## Principal's Message

Harry Ainlay High School is a truly amazing school with a foundation built on the positive character of students and staff as well as a culture of supporting each other through the joys and sorrows we encounter in our school lives. This year's Student Council theme "Inspired To Unite" is an excellent fit for the Ainlay student body. The students of Ainlay represent, through their heritage, nearly every nation on our globe. Culture Fest was a perfect example of how our students united to host a week of festivities highlighting and honouring the ethnic diversity of our students. By sharing and learning about the uniqueness of each other's culture the students have created a new generation that is building an inclusive society that encourages all Canadians to work together as one nation of diverse people. We have many examples of armies of Titans working shoulder to shoulder to put on amazing events: TTV, Tri-Prov, Touch of Class, Fashion Show, Intramurals, Charity Fundraisers, Graduation to name a few. The business Titan, Donald Trump, challenges adults to run events on the TV show "The Apprentice." At Ainlay we have numerous students successfully running events of an equal or often times on a more complicated level. Give Titans a challenge and they will UNITE to make the event, Hands Down Amazing.

## Core Subjects

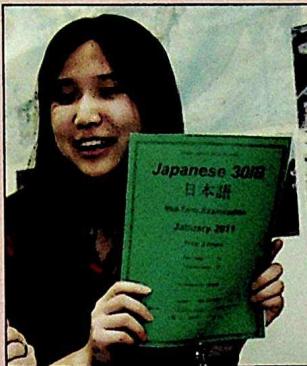

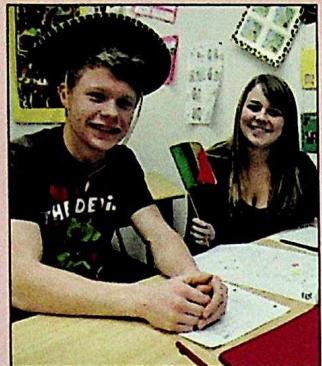

English, Mathematics, Social Studies and the Sciences are the core subjects of our education. Through these courses we learn to criticize, analyze and hypothesize about situations that we encounter daily. We develop valuable research skills, master the ability to write and share our ideas fluidly across the subject spectrum. Piece by piece we gain a better understanding of the world around us.

# International Baccalaureate

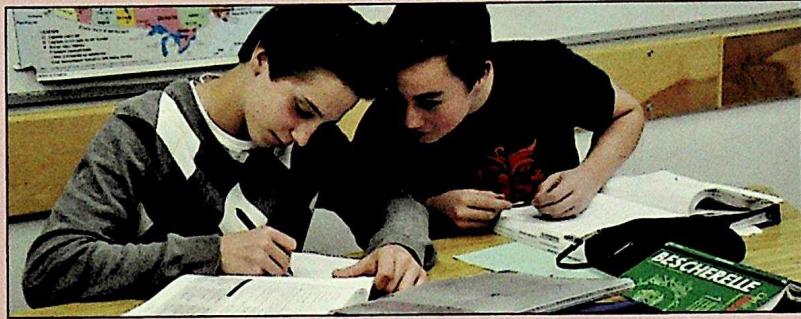

You know you're in IB when you use Facebook as a way to discuss homework, when you ask if you can get CAS hours before joining any club, and when your only reason for skipping a class is homework. The International Baccalaureate program at Harry Ainlay is one of the oldest and most successful IB programs in Alberta. Since 1984, Harry Ainlay has seen over 1000 students earn the IB Diploma and more than 4000 earn IB Certificates. This rigorous, two-year academic enrichment program offered to students who embrace learning and are interested in challenging themselves with content that requires robust critical analytical skills, intellectual curiosity, open-mindedness, and risk-taking. The program's increased depth, breadth, and internationally-minded curriculum seeks to develop balanced and knowledgeable global citizens of good character. The IB programme offers a challenging academic curriculum for motivated and talented students. This has been Harry Ainlay's 27th year as an IB school. Whether it's a TOK essay, or the G4 project, students have the opportunity to explore concepts in great depth and develop skills that will prepare them for a successful future.

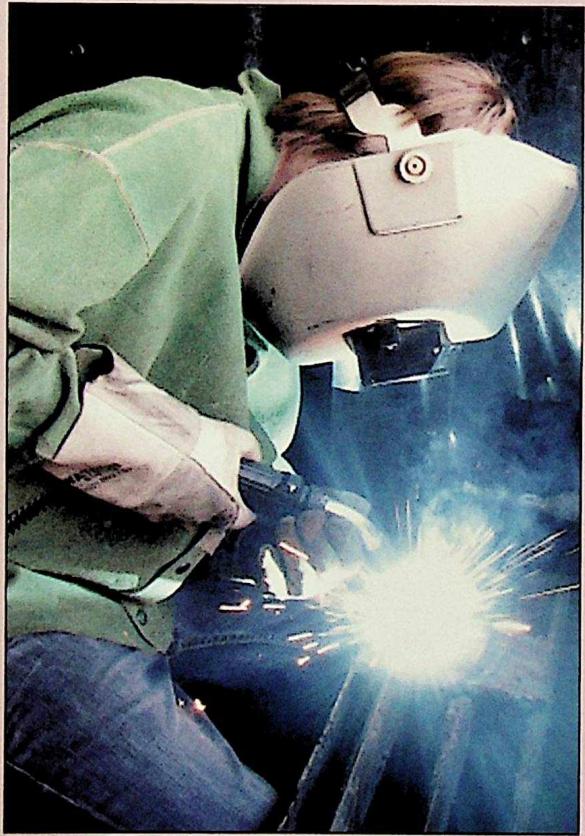

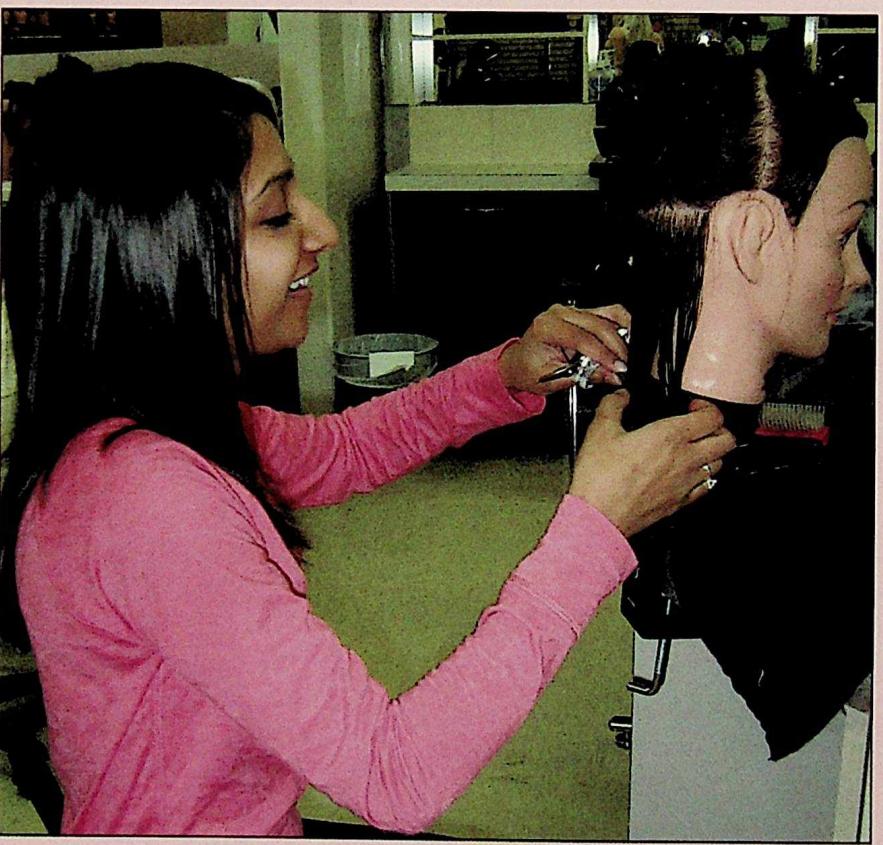

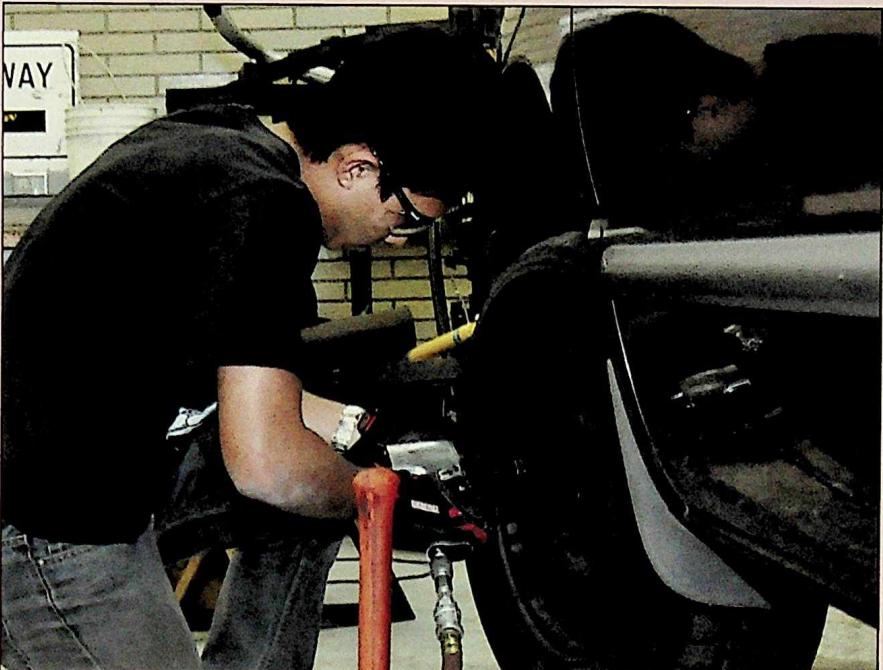

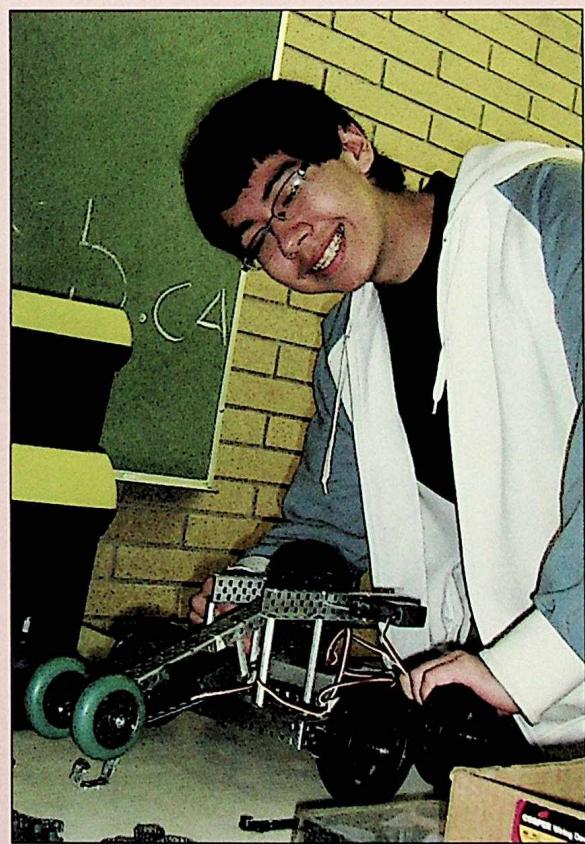

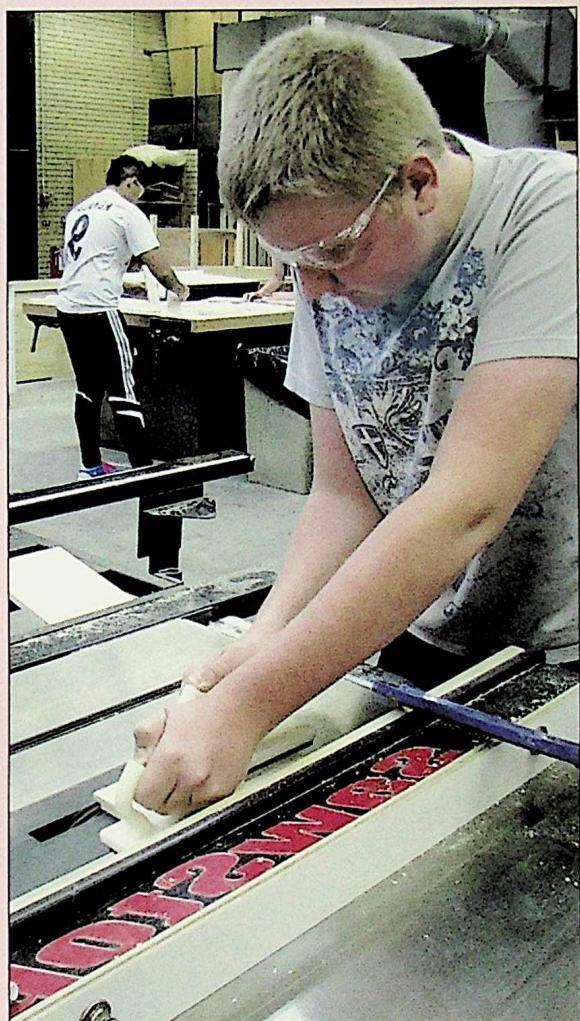

## International Languages

Ainlay offers second language learning opportunities in French, German, Japanese and Spanish. Each language program provides students with a variety of fun-filled and meaningful learning activities, which help them to gain effective communication skills and cultural understanding. Our students are given exciting opportunities in the global community. Hasta la vista! Sayonara! Auf Wiedersehen! Au revoir! Bye Bye!

If C + T + S = Fun then CTS + hands on learning = a mega-fun learning experience. As we all know doing things in the real world can be a challenge. We need to draw on all that we have learned in our core courses plus what we have learned in our specific CTS course to bring the project together in a workable fashion. Ainsley students, this year, were able to choose from 7 Career and Technology Studies strands: Automotives, Building Construction, Communication Technology, Cosmetology, Computer Studies, Design Studies, Foods, and Metal Fabrication. Don't leave high school without experience in at least one CTS strand!

# Ainlay Art

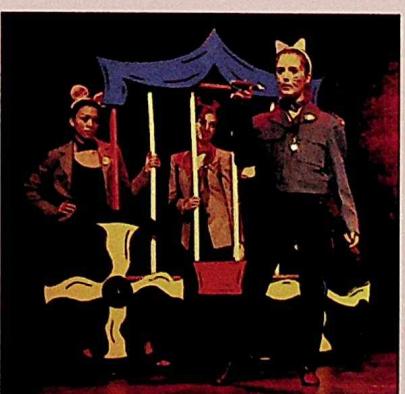

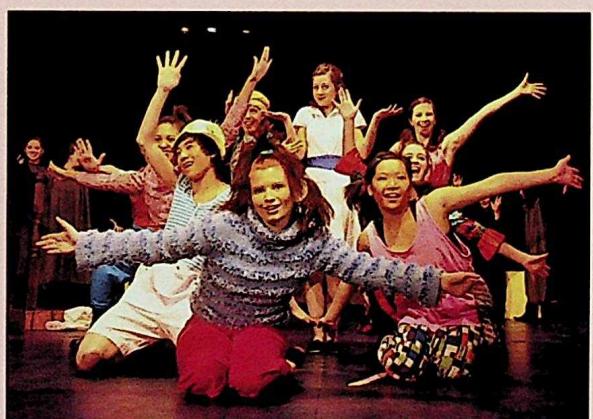

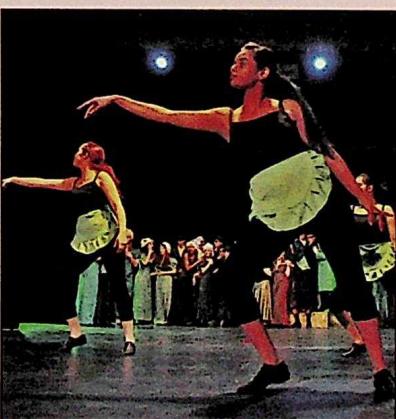

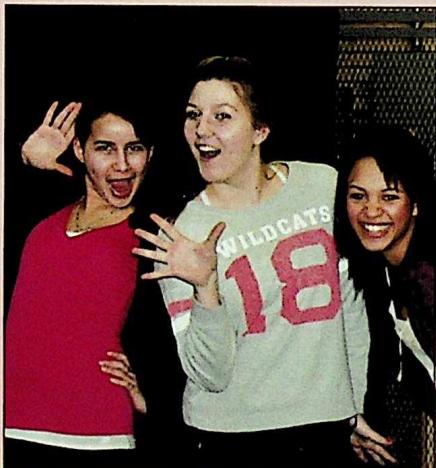

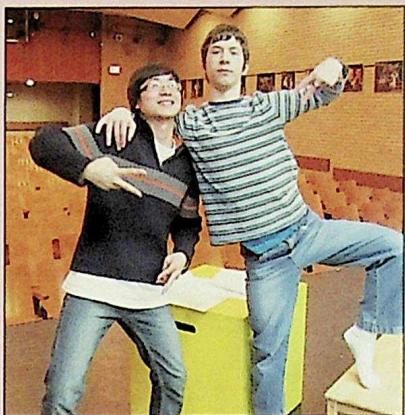

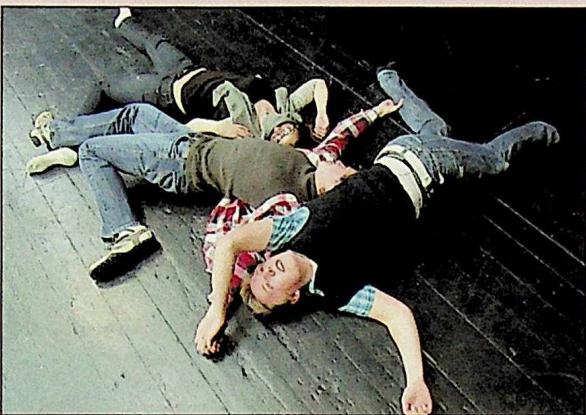

Some say that art is 10% inspiration and 90% perspiration. Students in the art program worked up a sweat using paper, paint, clay, styrofoam and assorted other eccentric materials to create their works of art. Numerous eye-catching and thought provoking art projects were created by students to express their inner feeling and viewpoints for the world to observe.

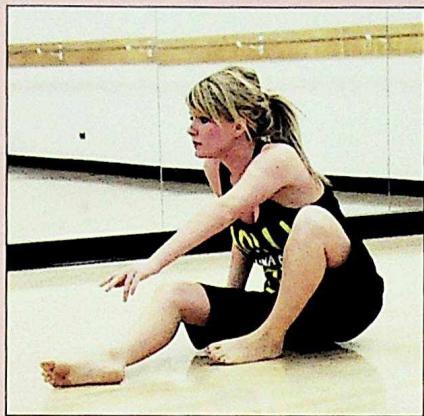

# Drama

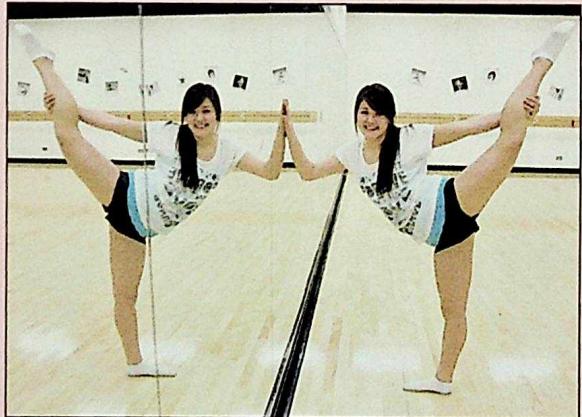

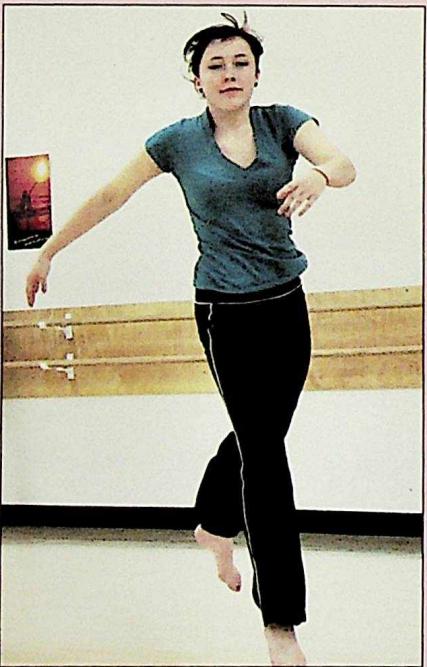

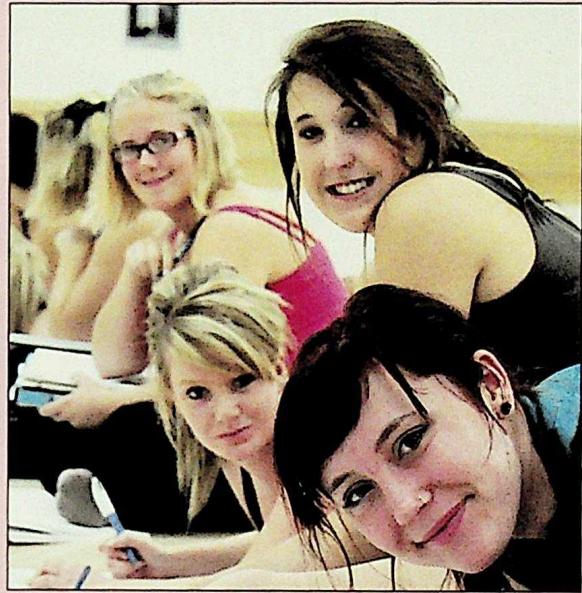

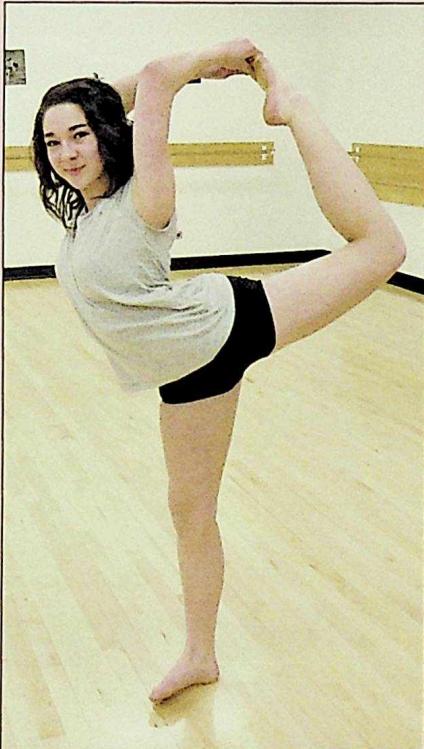

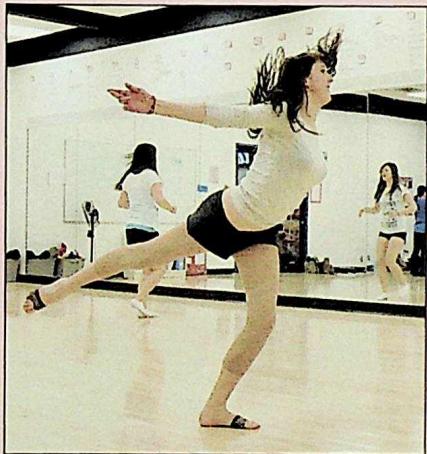

Drama at Harry Ainlay offers wonderful opportunities for students interested in the theatre, be it, on the stage or behind the scenes. Another theatrical avenue offered is Musical Theatre, where students learn to sing, dance and act all at the same time. Our actors, directors and tech-crew produce some amazing shows, plays and skits. Way too much fun! Try it!

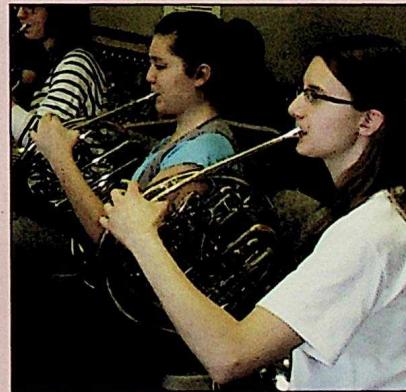

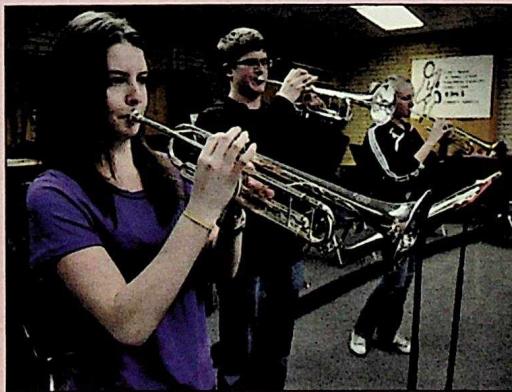

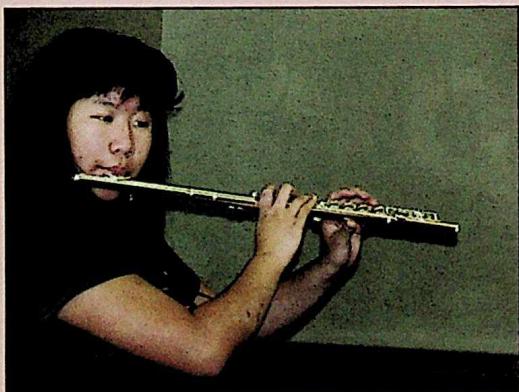

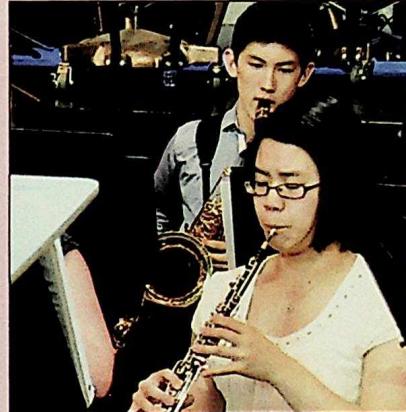

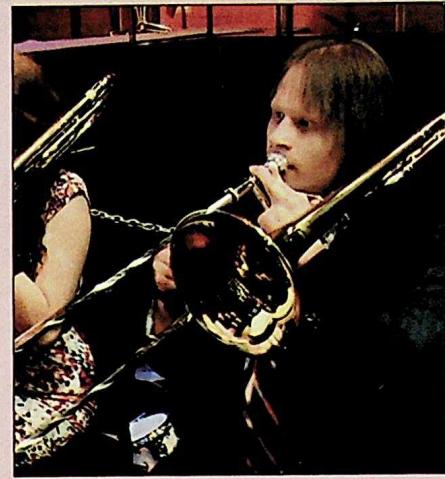

## Dance

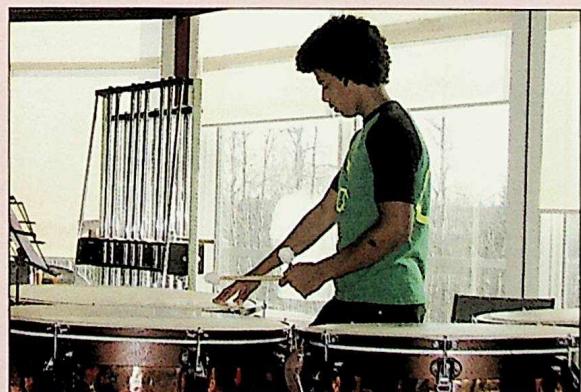

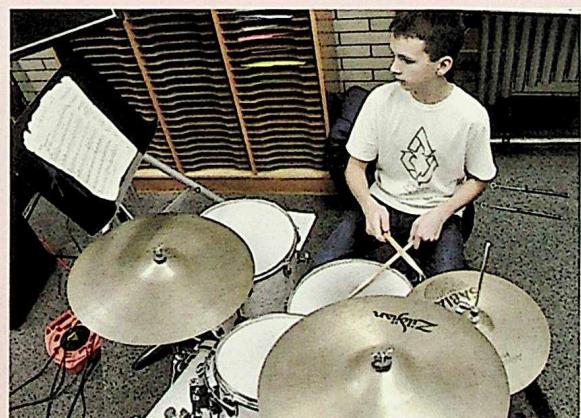

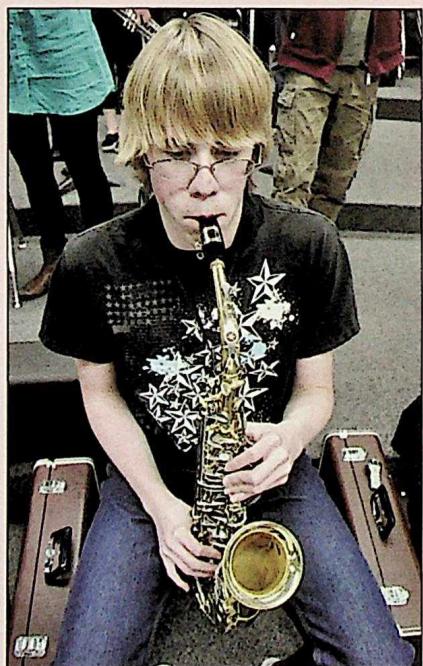

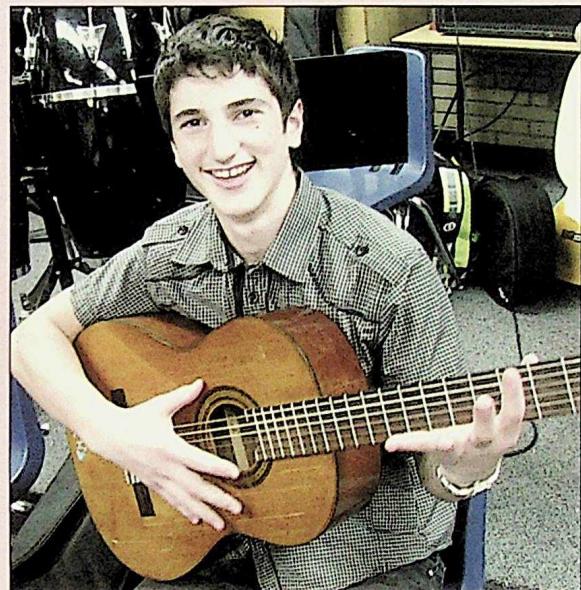

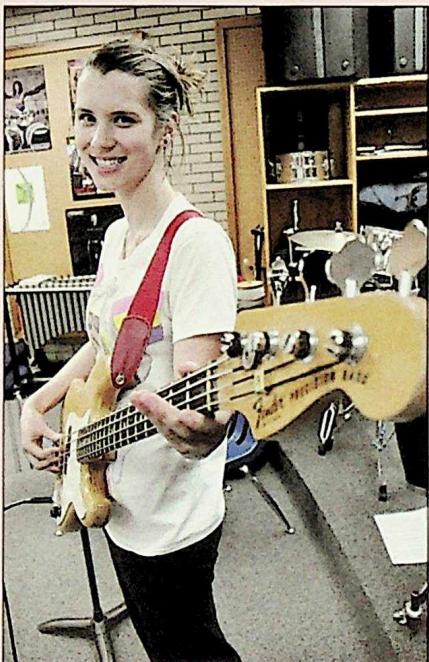

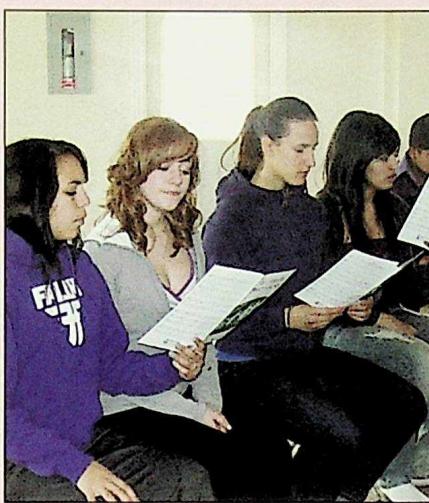

In Dance class students explore a wide range of dance forms including Creative Dance, Jazz, Ballet, Modern, Tap and Folk. Other aspects studied are choreography, fitness and dance appreciation. Our dancers develop strength, poise, flexibility and confidence as dancers and also put on performances. Take in one of their shows.

# Music

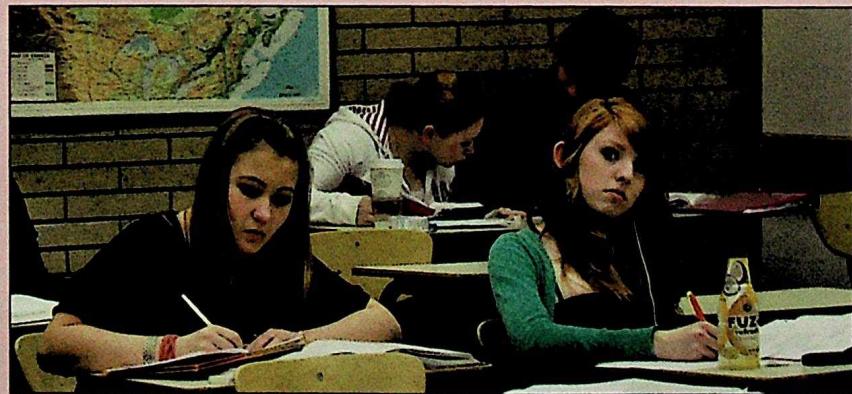

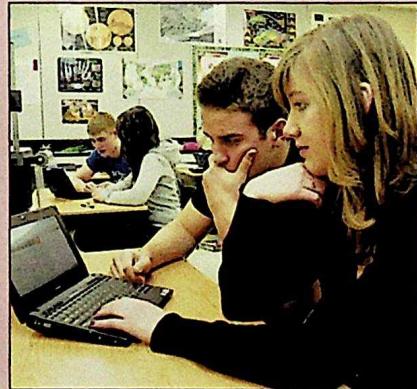

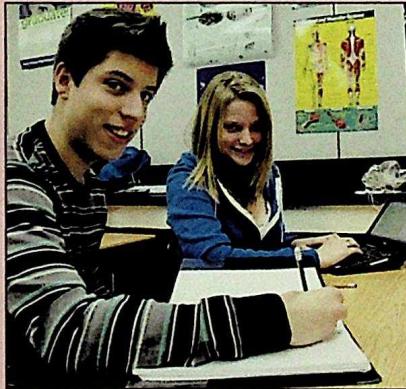

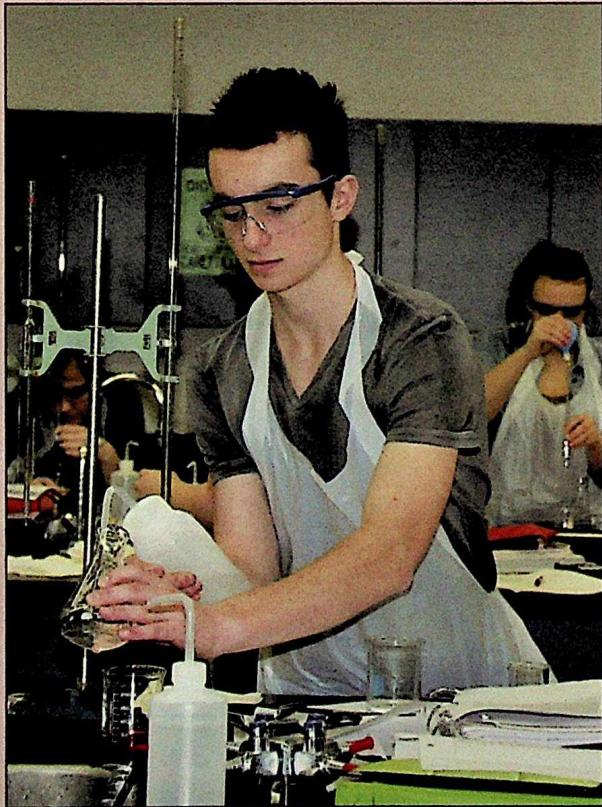

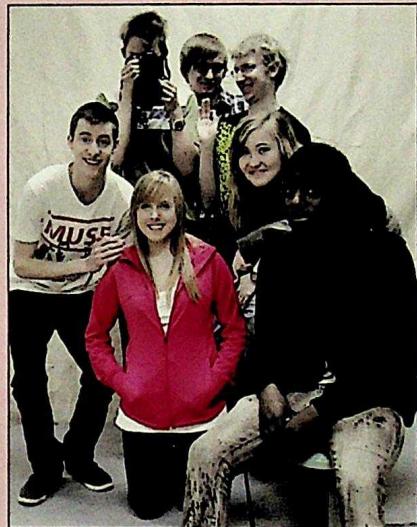

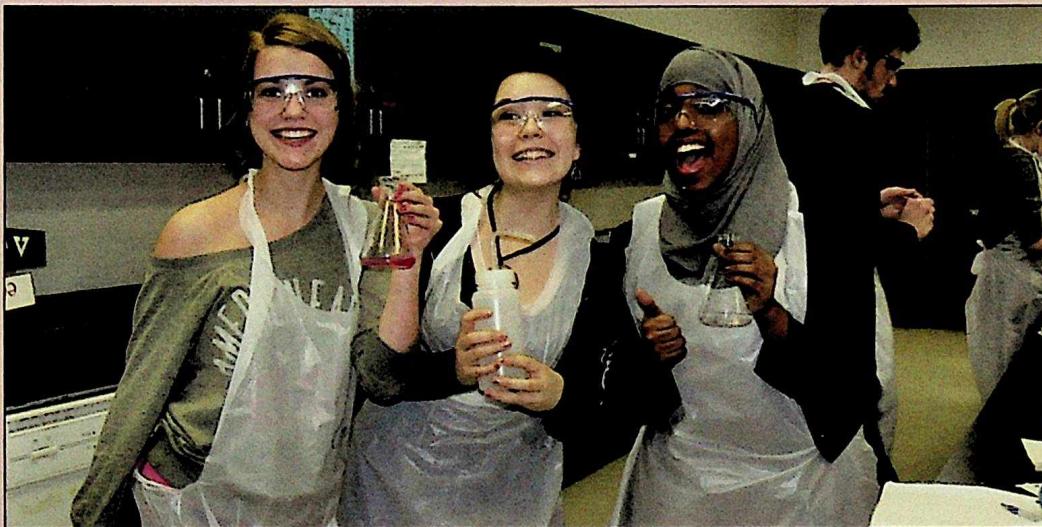

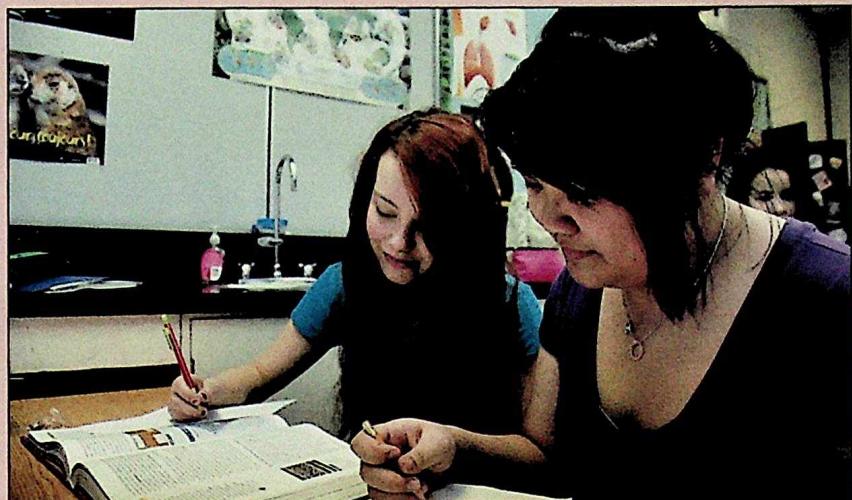

Highlights of the music program included; Music Retreat at Camp Nakamun, the 30th annual Big Band Bash featuring Ainlay's Jazz Ensembles, Concert and Symphonic Band's performance at the Alberta International Band Festival, EPS Night of Music, Spring Tour to Los Angeles with performances at the Anaheim Heritage Music Festival and Disneyland, our annual Winds at the Winspear concert, and numerous other occasions where our singers and musicians entertained at Ainlay events. Many thanks to all of the students for their passion for music and their commitment to the music program at Harry Ainlay. Thanks to the talent musicians for the sweet sounds!

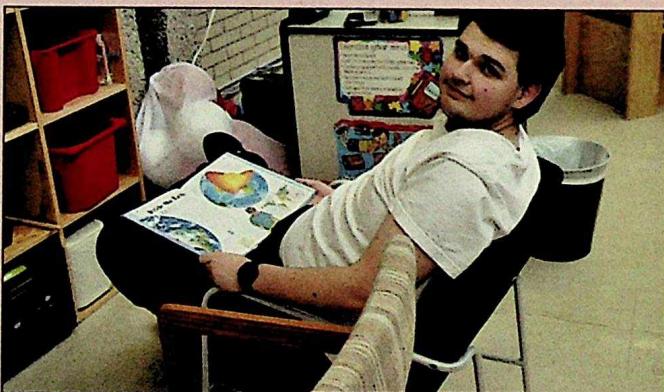

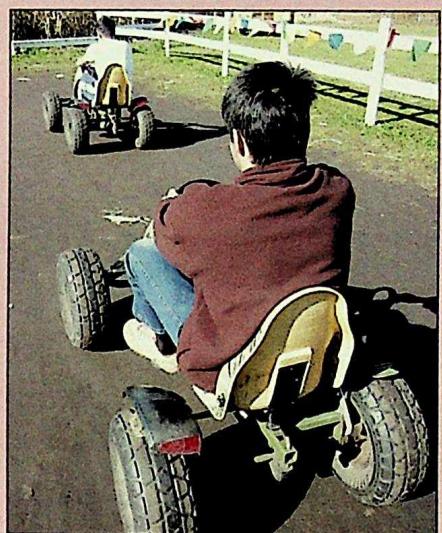

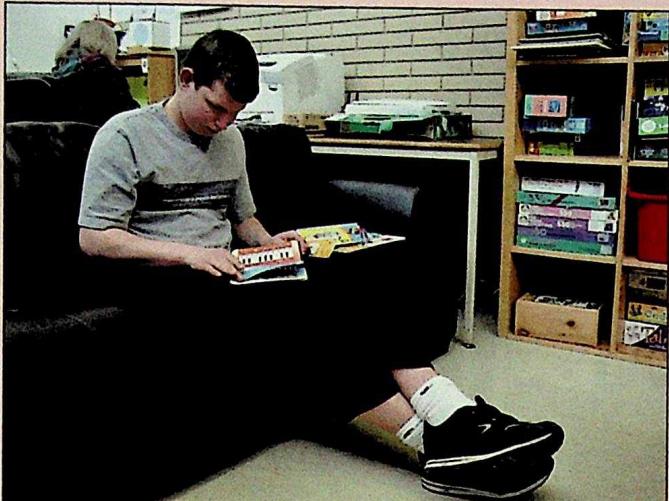

# French Immersion

C'est fantastique!! Après six ou treize ans d'immersion, c'est incroyable! La journée à Fort Edmonton (Franco 7), la journée d'activités en 8e année, le DELF/DALF, les films De père en flic et Taxi dans le théâtre, Astérix aux Jeux Olympiques au Princess, le Gala, Zone avec Mme Wolfe et en pièce de théâtre, La neige en deuil avec Mme Laplante, Le Petit Prince, Galaxyland en physique 20 et la célébration de l'immersion en 12e année! Ouf que nous avons été occupés! Que de bons souvenirs!

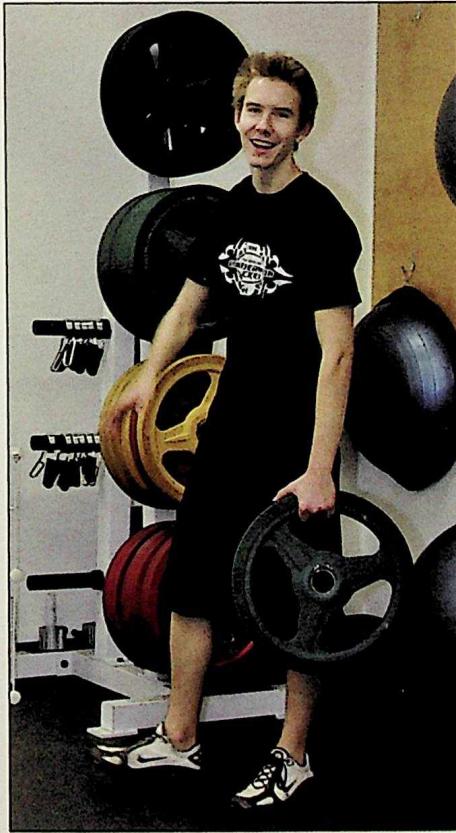

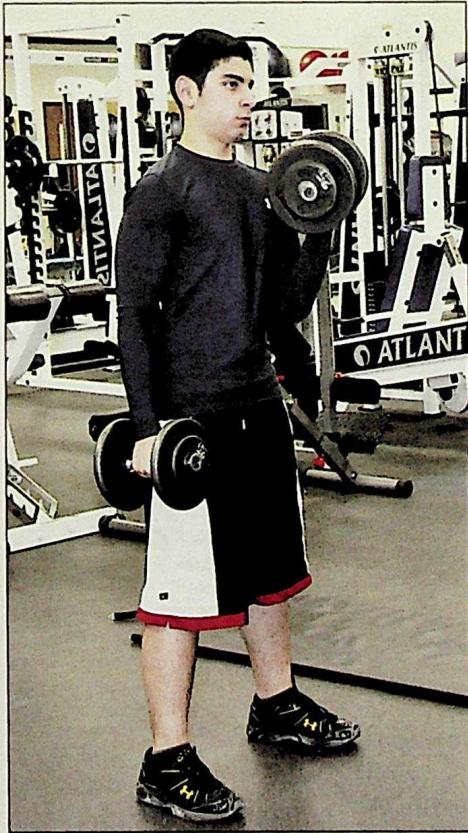

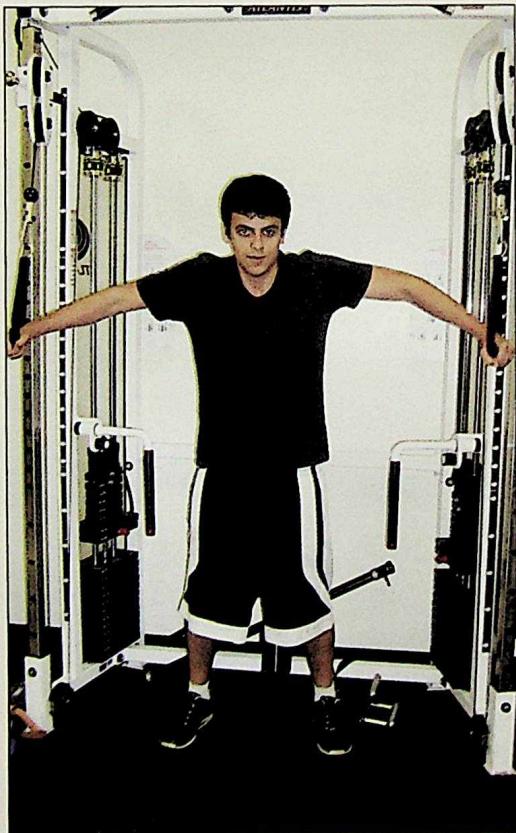

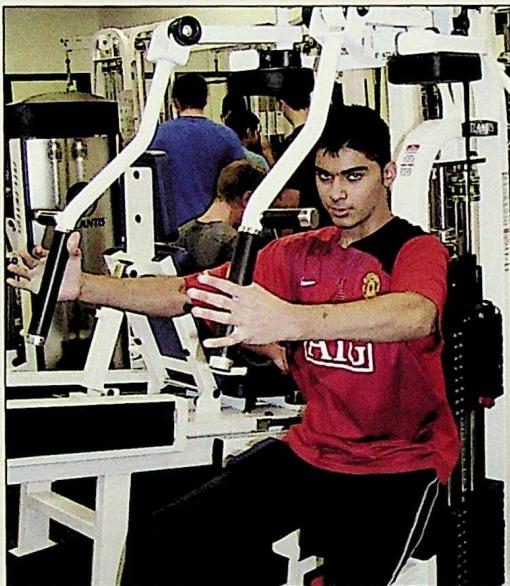

## Interactions

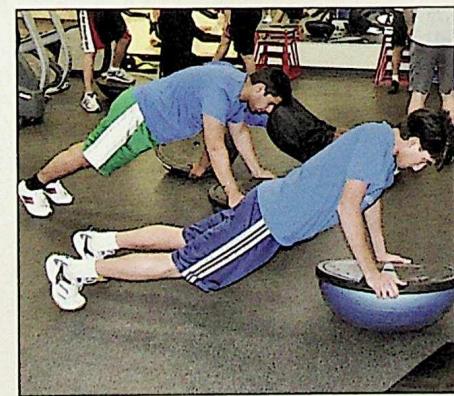

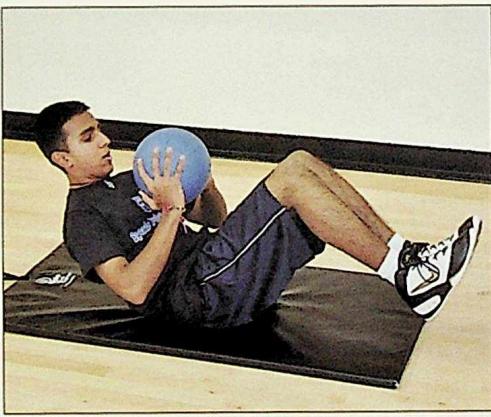

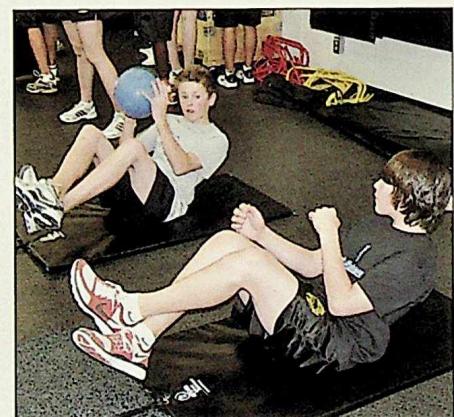

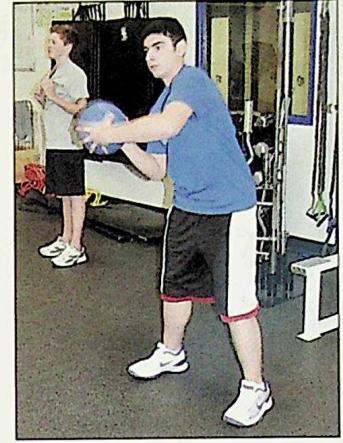

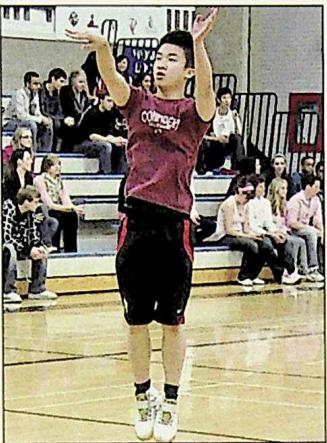

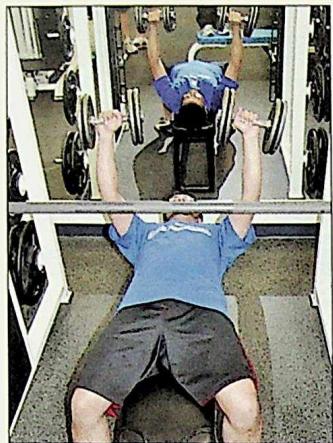

The Interactions program is a specialized program for students with autism. Life skills and community involvement, combined with functional academic learning are the focus of this program. The Interactions program would like to thank all of the student volunteers who spend their time playing games and socializing in our program.

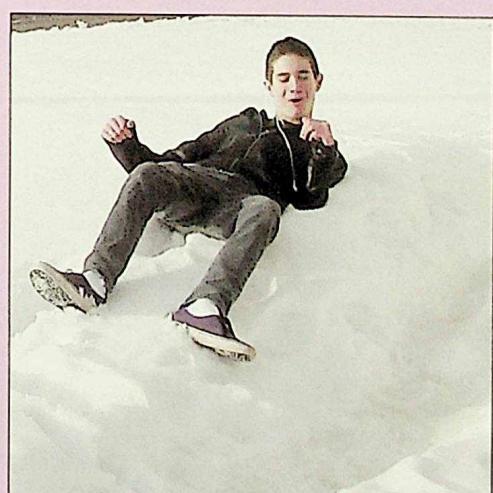

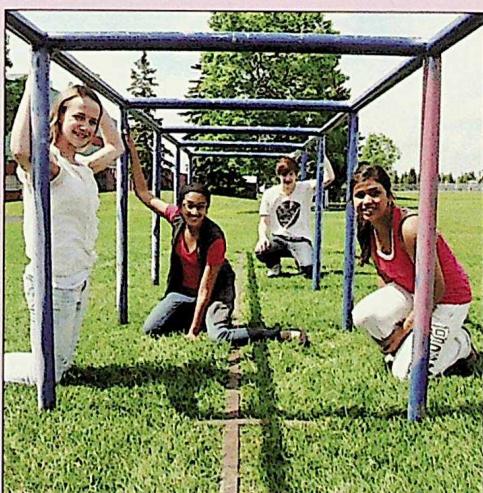

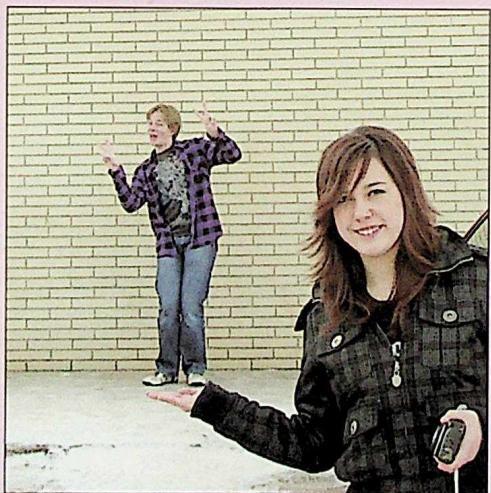

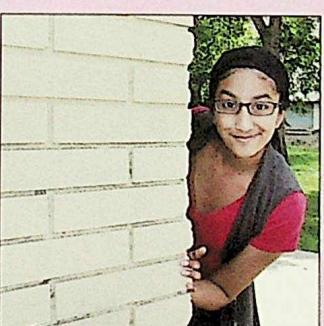

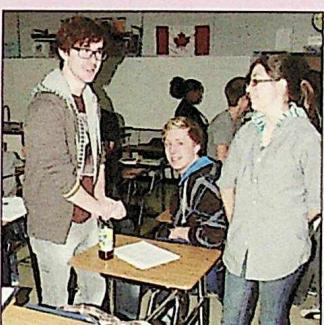

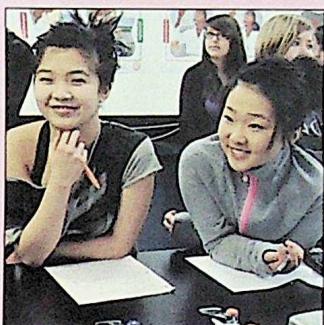

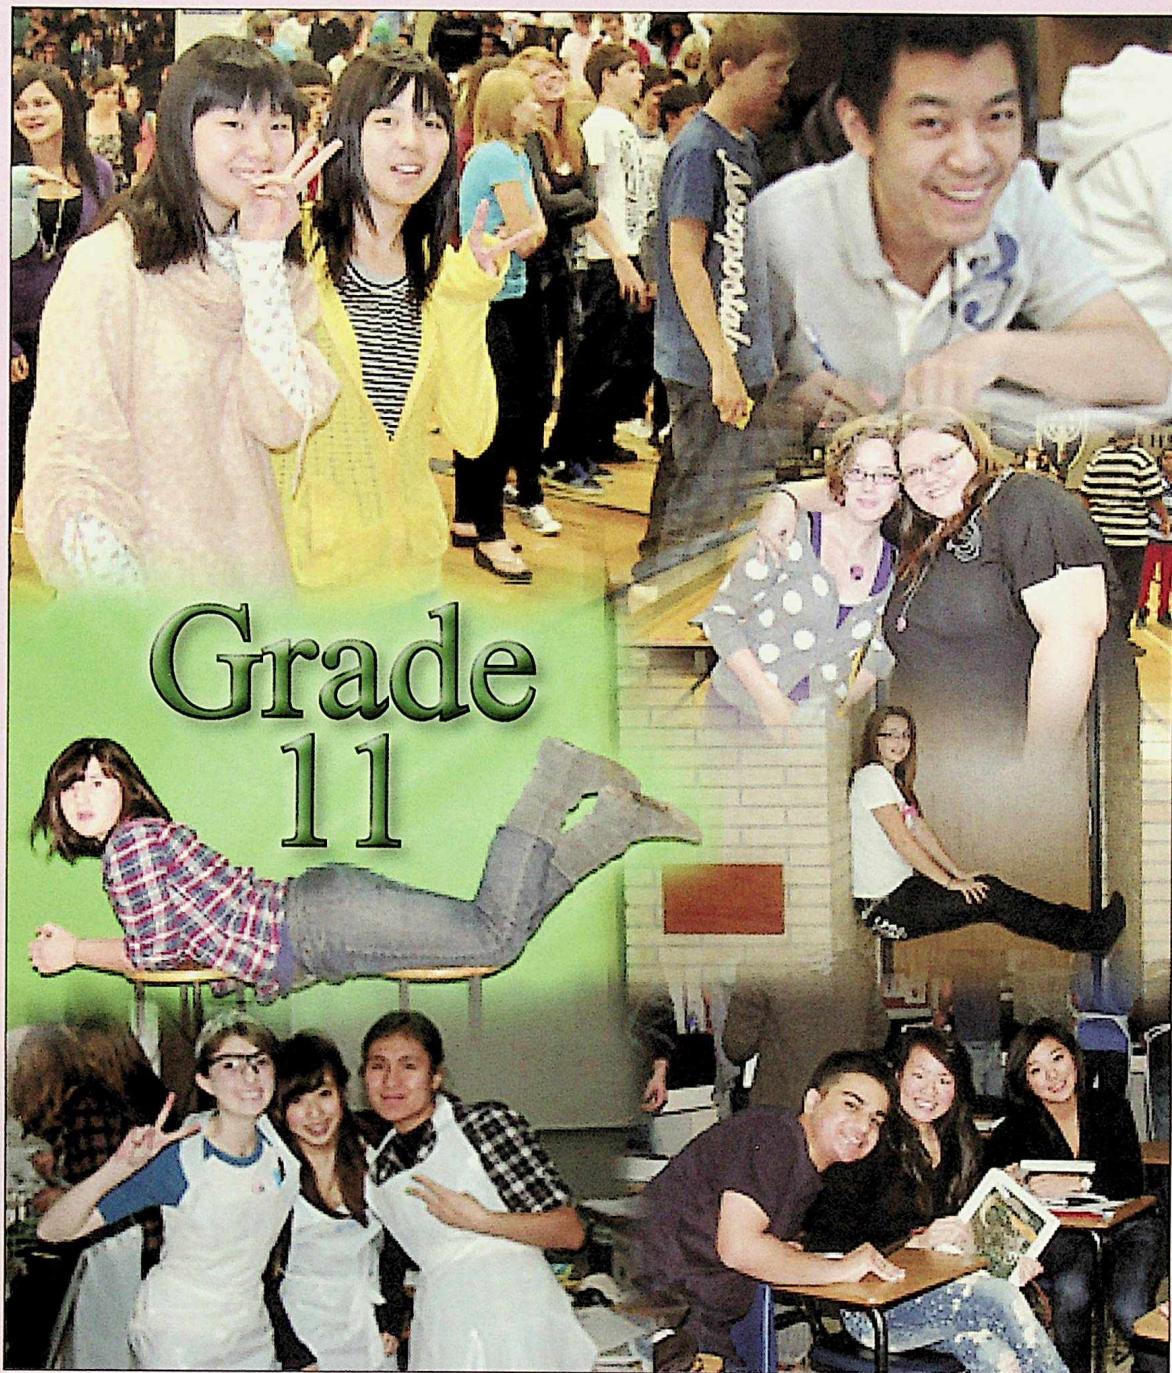

## Physical Education

Titans know the value of staying physically fit. Students have the opportunity to take Physical Education 10, 20, and 30 as well as Sports Performance and Fitness classes. For those with a busy school schedule, students can work out in our deluxe Fitness Centre, before, at noon or after school.

## Inside Ainlay

This was the first year that we could use our cell phones inside the school . It makes it so much easier to find your friends between classes, at lunch, after school and to find out why your buddy wasn't in class. Ainlay is just the right size - big enough that you don't quite know everybody but small enough that you almost know everybody. Every day is a new adventure at Ainlay.

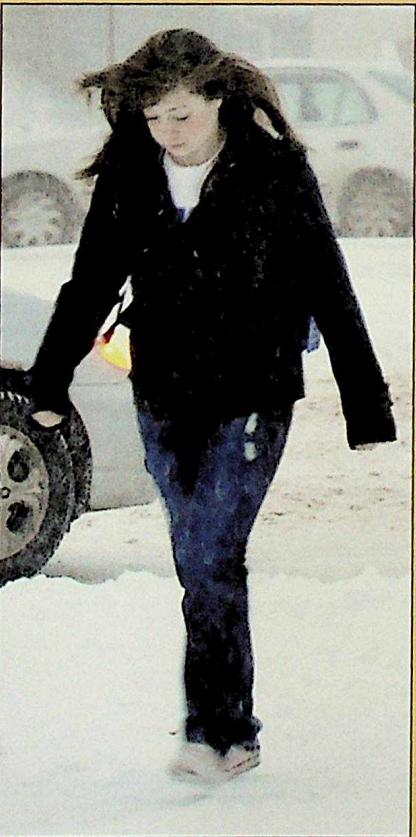

## Titan Pride

**Ti·tan** - A person or thing of very great strength, intellect, or importance.  
**Spir·it** - Strong loyalty or dedication. Yeah, that's us - smart students loyally dedicated to our school and teams. We have a very cool logo and great colours for face painting. Wherever we are, we're ready to spread the power. Go Titans!

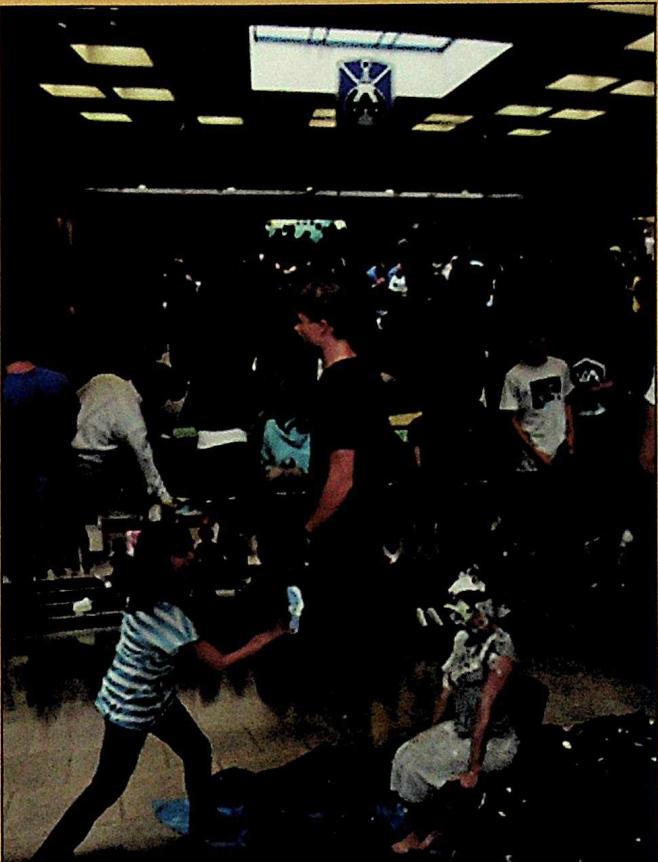

## Titans Outdoors

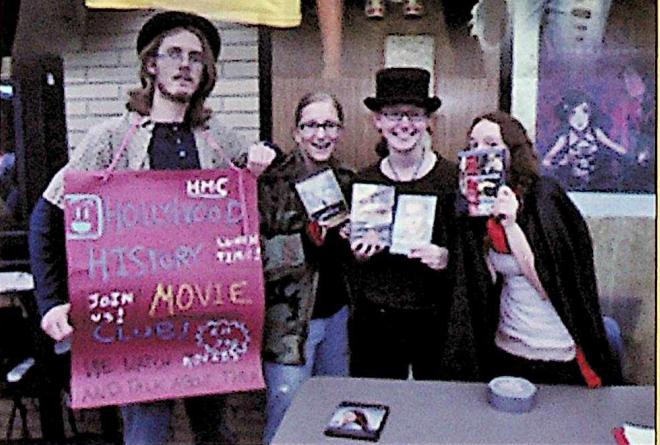

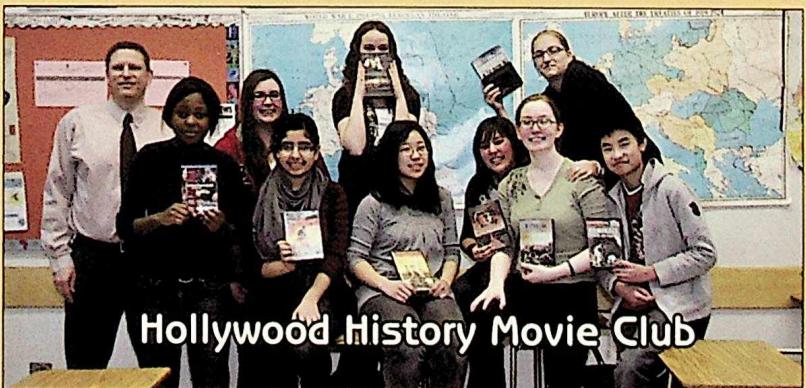

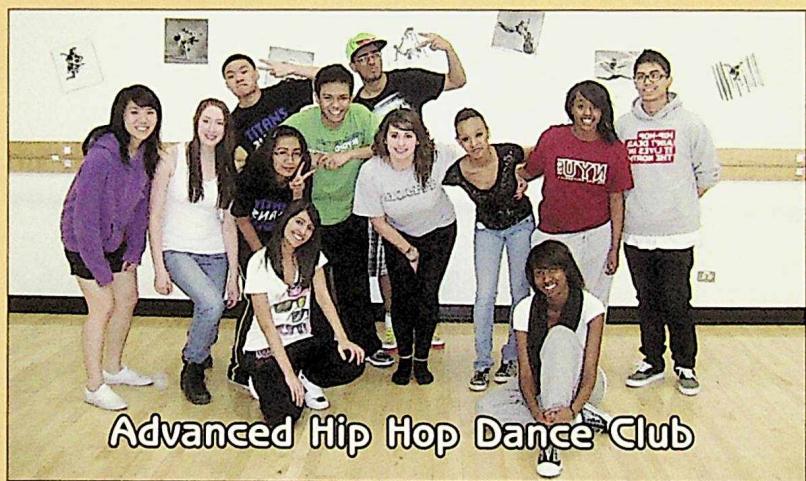

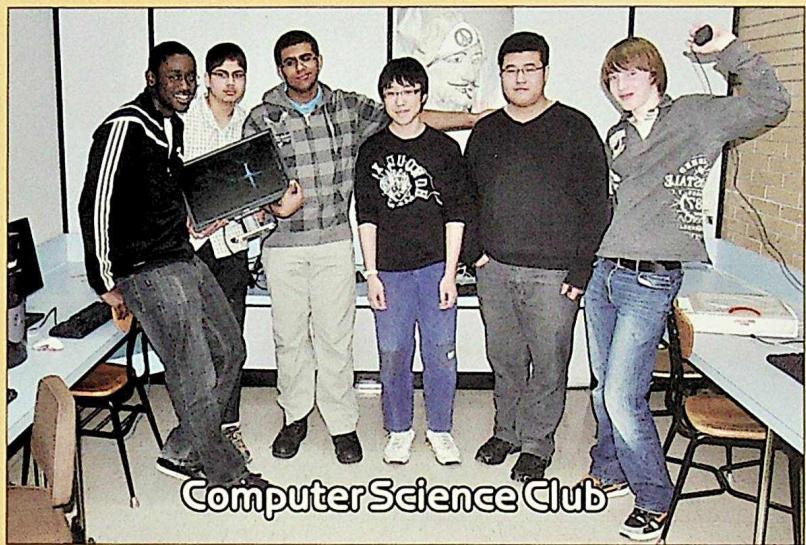

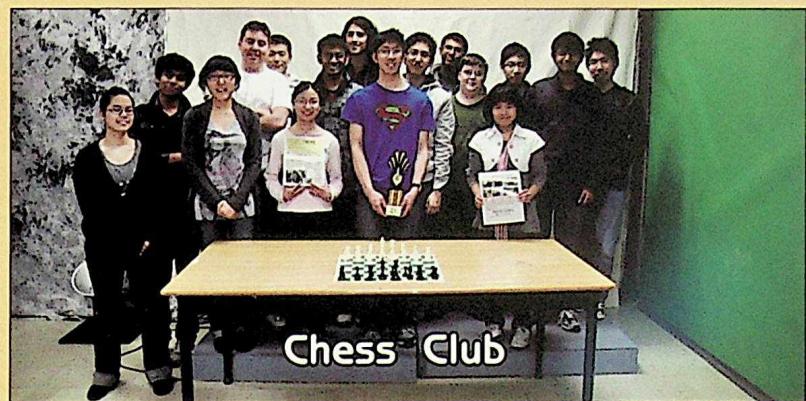

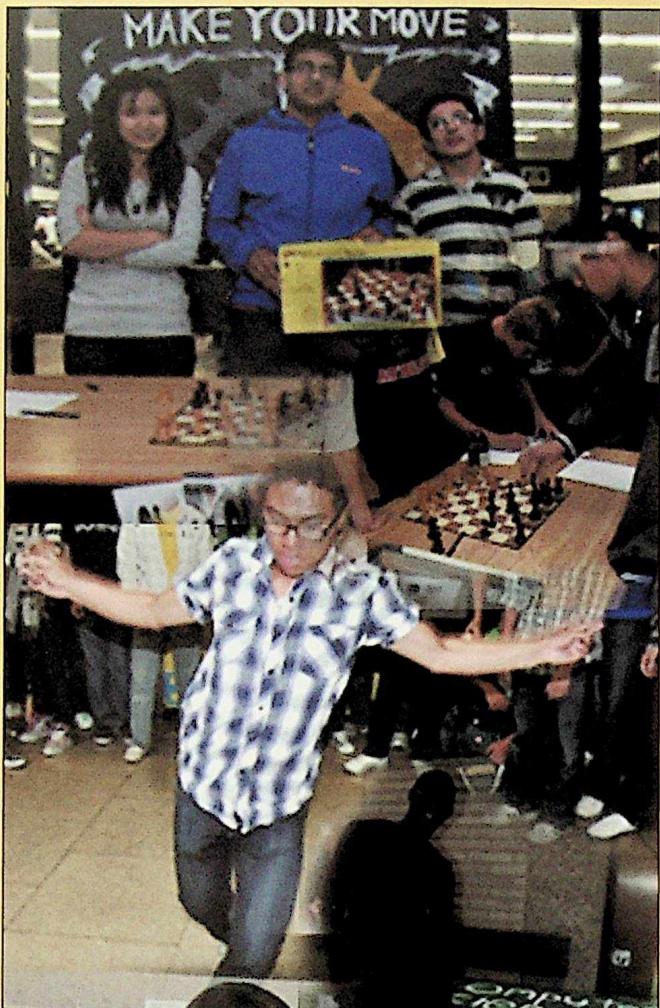

As you can see from the pictures, our school year is mostly winter. Check out the best case weather scenarios for Edmonton as listed by the average highs: September 17°C, October 11°C, November 0°C, December -6°C, January -8°C, February -4°C, March 1°C, April 9°C, May 17°C, June 21°C. The average temperature over the school year is 5°C. Titans put on an extra layer and go out to play in all weather conditions; rain, snow, sleet or any combination of these. Nothing stops a Titan!

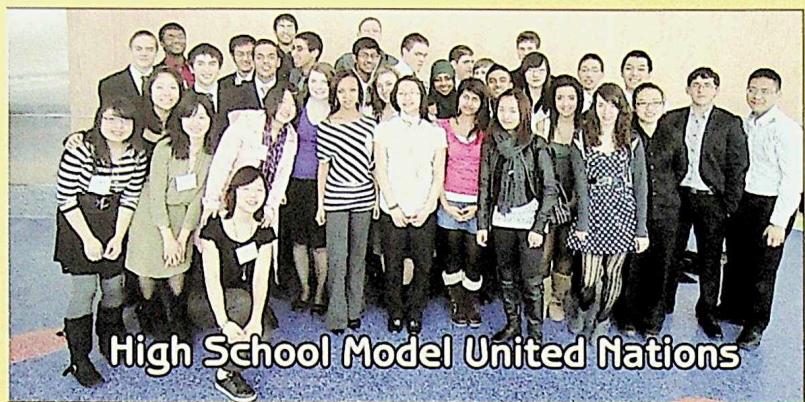

## **Clubs and Interests**

Not only are clubs great for making new friends and learning new things outside of classes, they are a perfect way to get a life. On September 9th, the clubs displayed their best on Clubs Day. Whether it's helping out on an international level to developing your own skills with people who share your interests, Harry Ainlay has the perfect club for you.

# Friends Forever

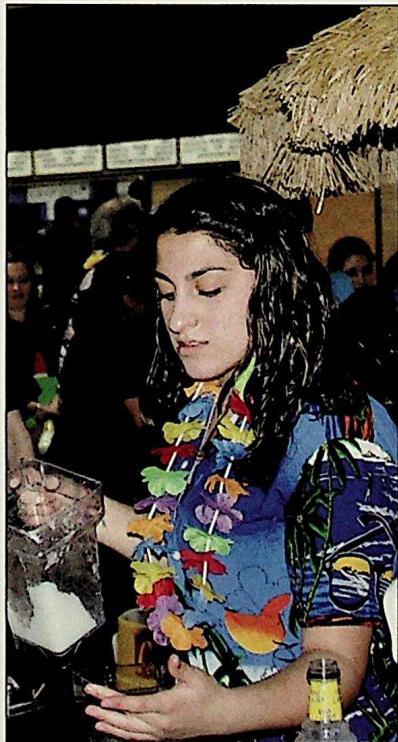

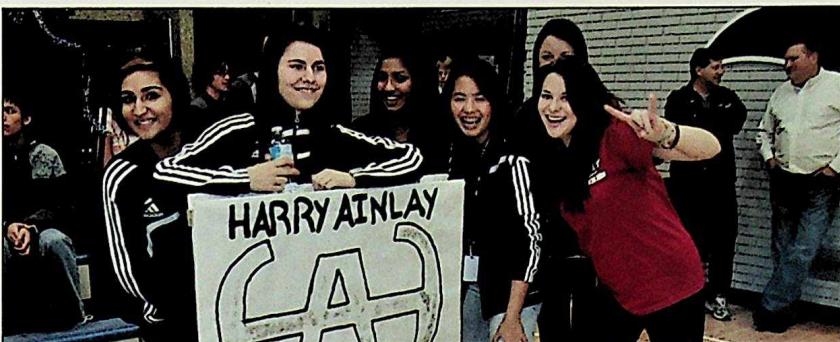

UR my BFF! Friends are an important part of our daily life and essential for keeping us up to date on everything that is happening. Randy Newman penned the lyrics for Toy Story's Woody to sing, "Boy, and as the years go by, Our friendship will never die, You're gonna see it's our destiny, You've got a friend in me. We have definitely made some amazing BFF's here at Ainlay now and forever.

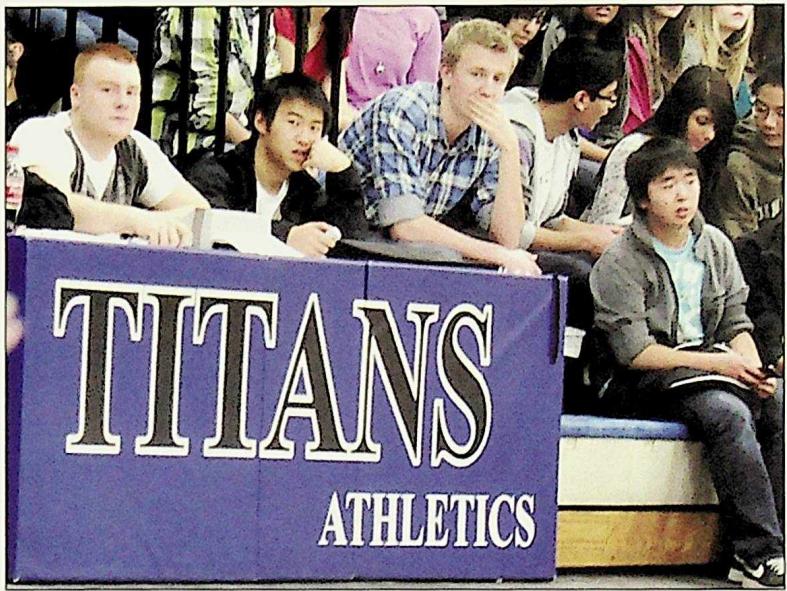

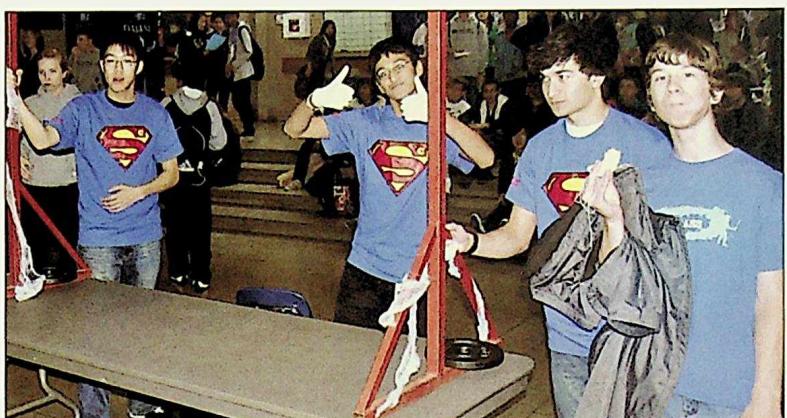

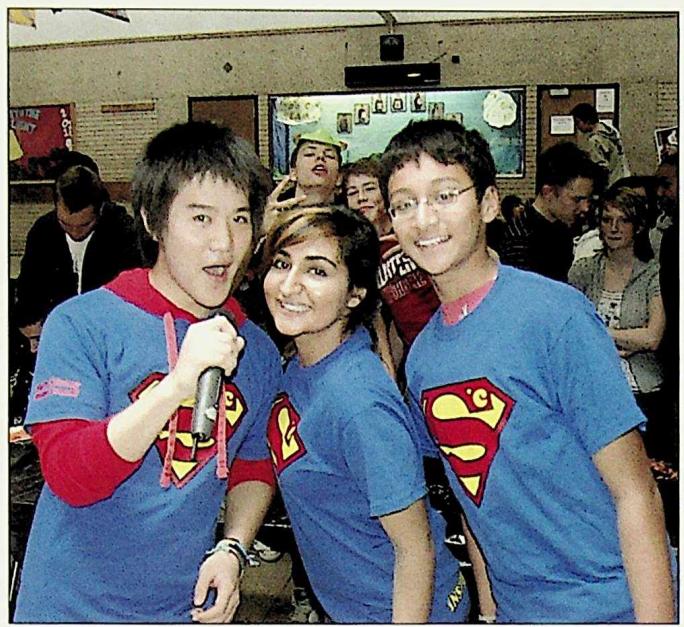

# Volunteers

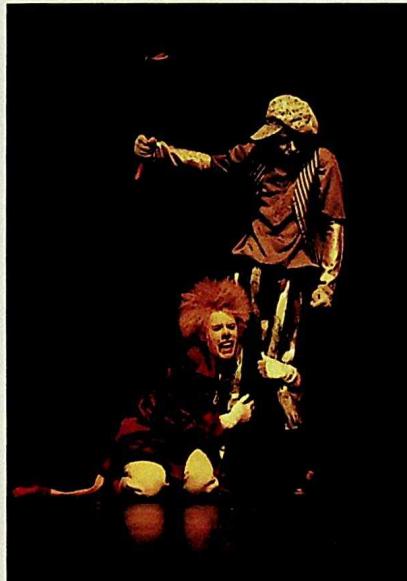

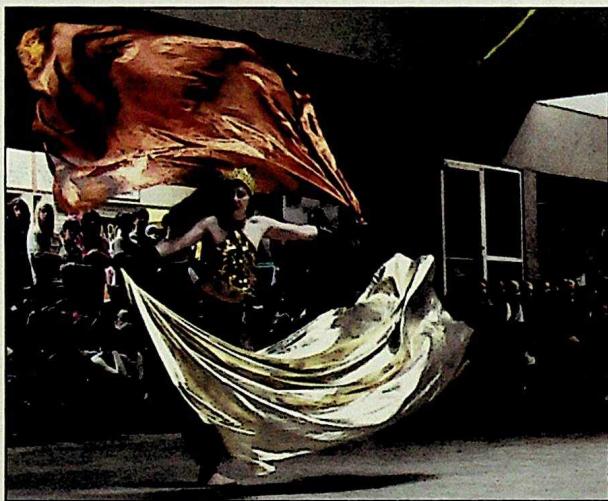

Behind every successful event at Ainlay there was a small army of volunteers. Those volunteers did a thousand different jobs to make the event happen: scheduling, ordering supplies, making signs, selling tickets, staffing the concession and even sweeping the floors. Every job is important to pull off these major events. If you didn't volunteer this year, make sure you do next year as not only is it "really" helpful, it is also a "really" fun thing to do. Hug a Volunteer today!

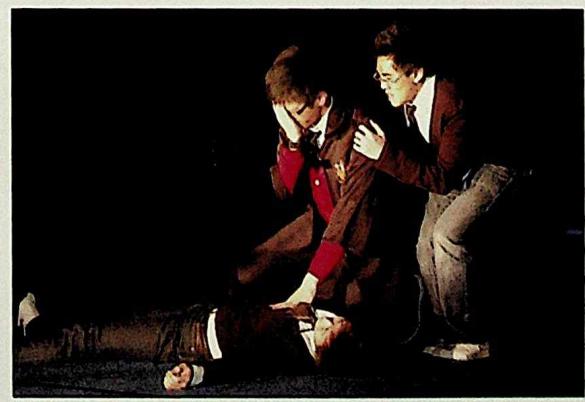

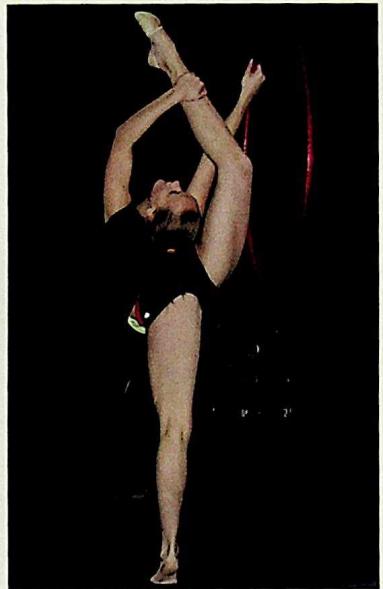

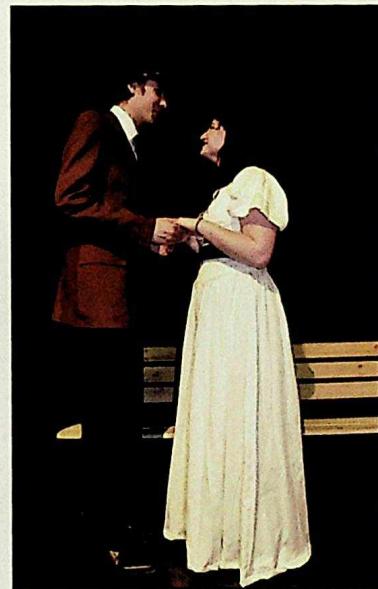

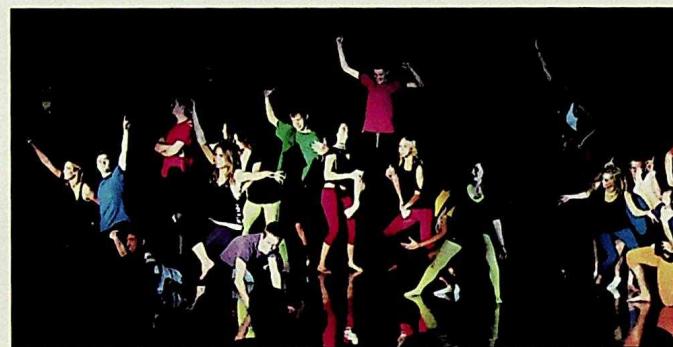

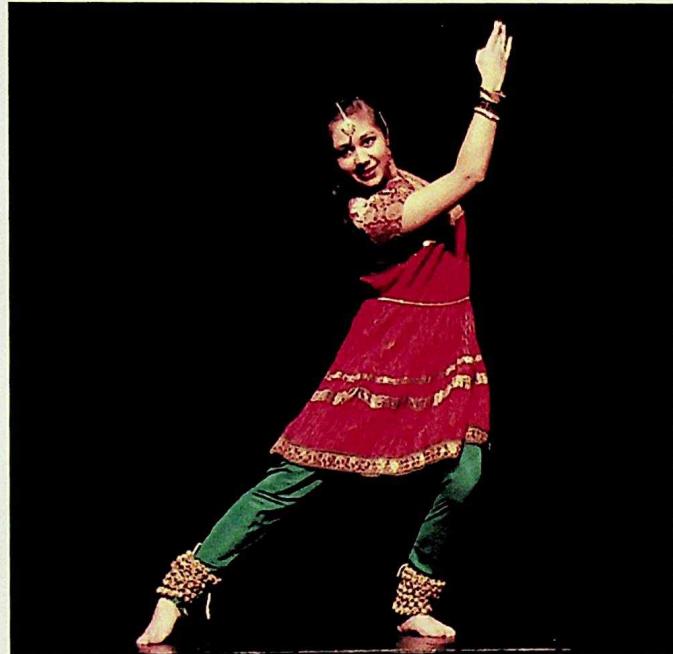

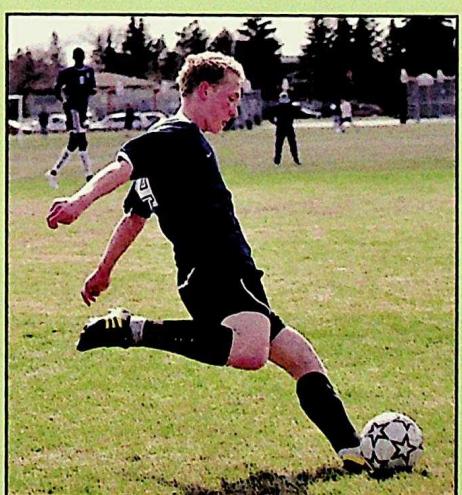

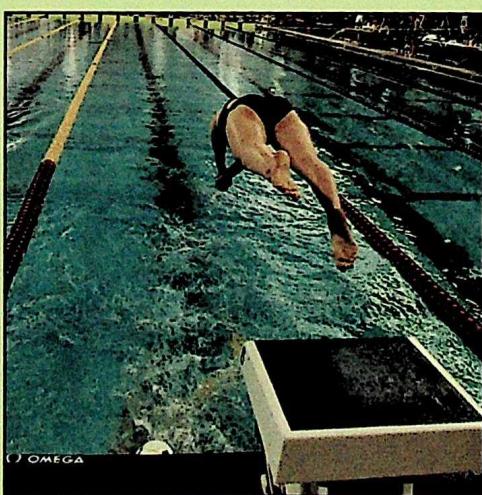

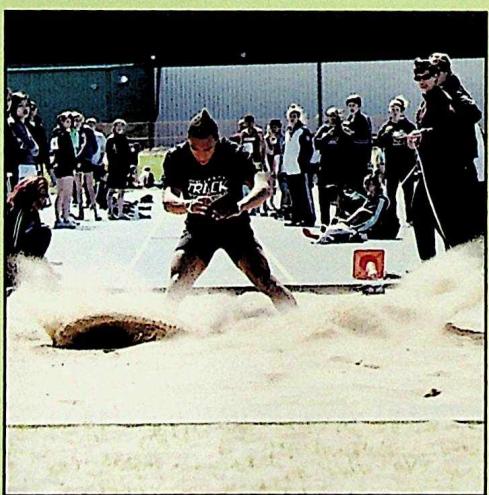

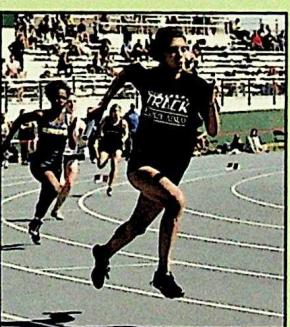

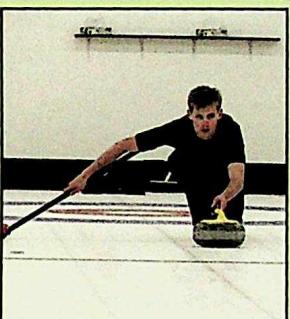

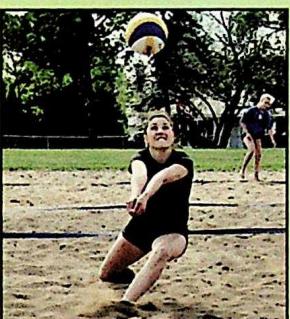

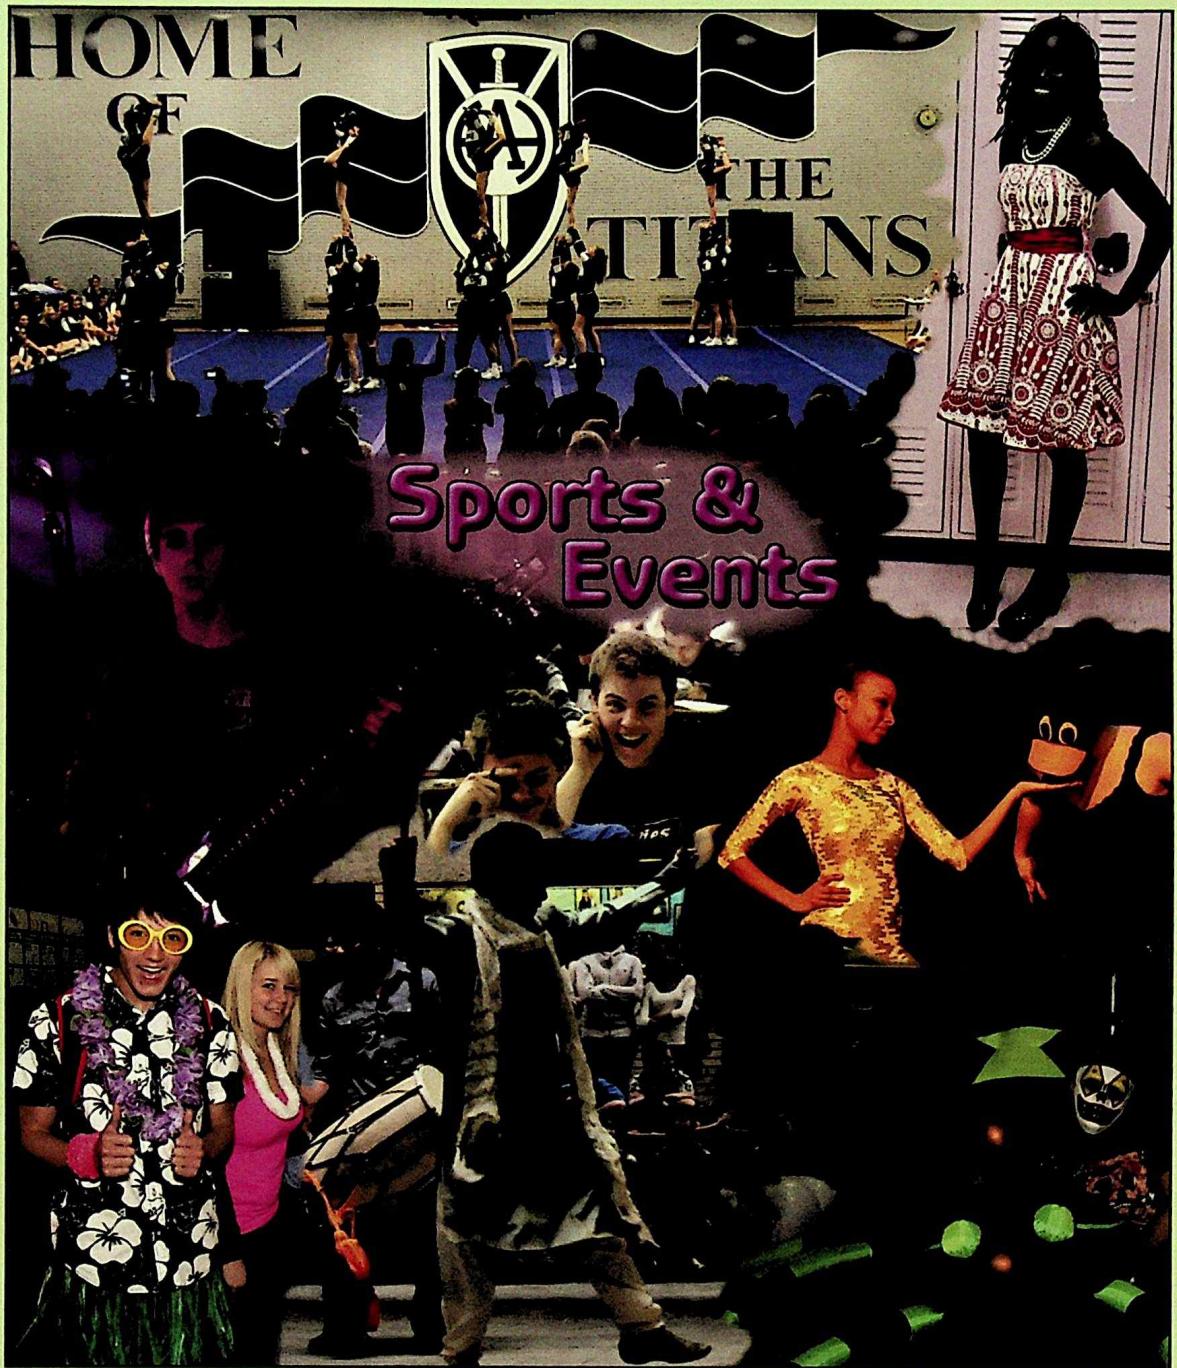

# Entertainers

Titans are not shy. When there is an opportunity to share their talents, Titans, get up on stage and entertain the crowds by singing, dancing, acting and any other form of performing required. And entertain us they did! Never in the field of entertainment was so much owed by so many to so few.

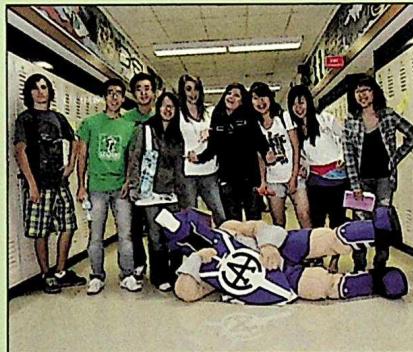

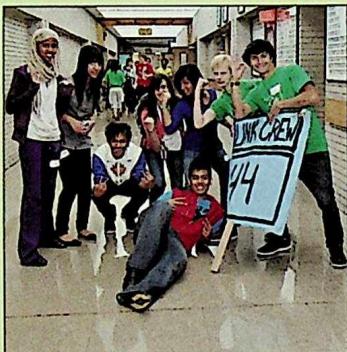

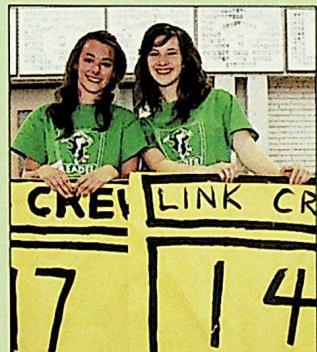

## Link Crew

On August 27, 2010, approximately 700 Grade 10 students participated in Link Crew. Our new Titans were introduced to the school through tours, presentations and speeches and were able to meet fellow students through various activities led by the Link Crew leaders. With entertaining introductory videos, enthusiastic staff and students, and Subway's amazing cookies, the Grade 10's definitely caught a glimpse of our Titan spirit! This event could not have been a success without the commitment and months of hard work put forth by the executive committee, A-Team, Dream-Team, leaders, and teacher advisors. Link Crew 2010 was a lot of fun!

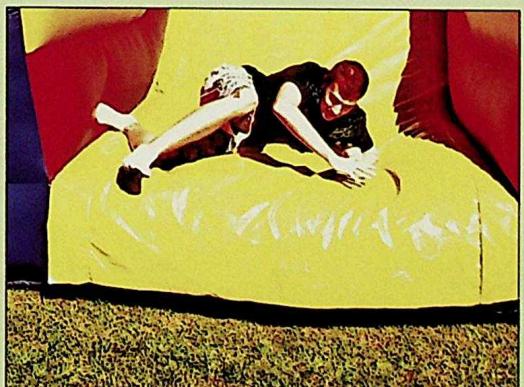

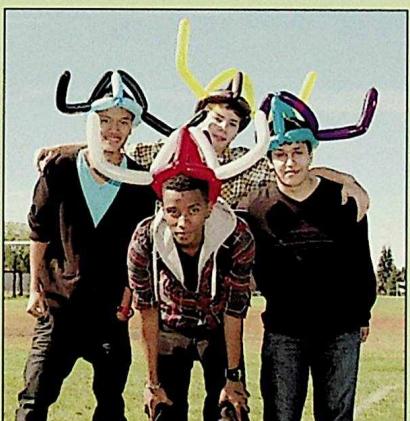

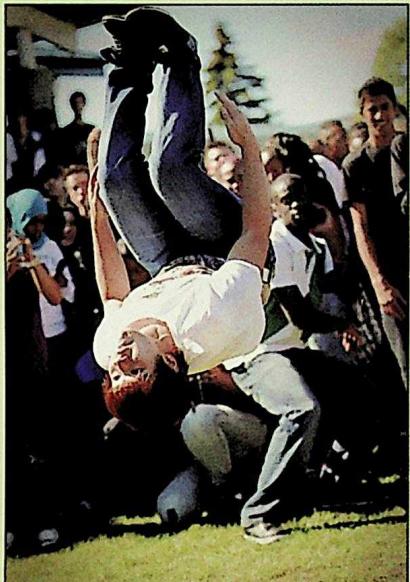

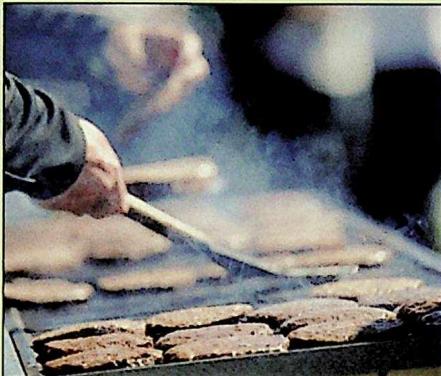

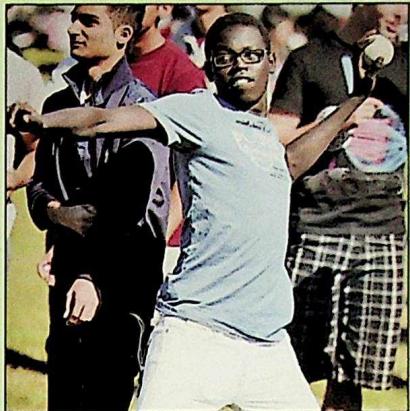

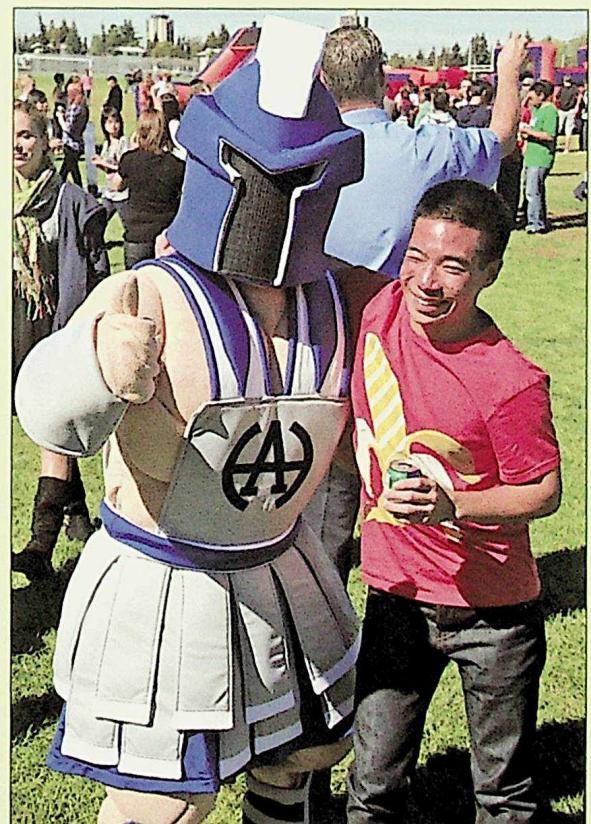

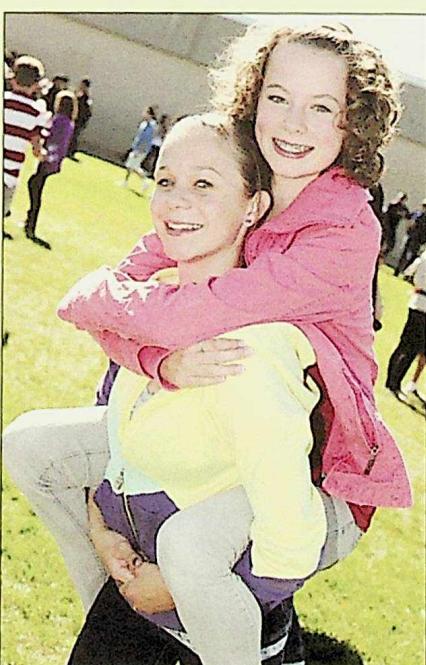

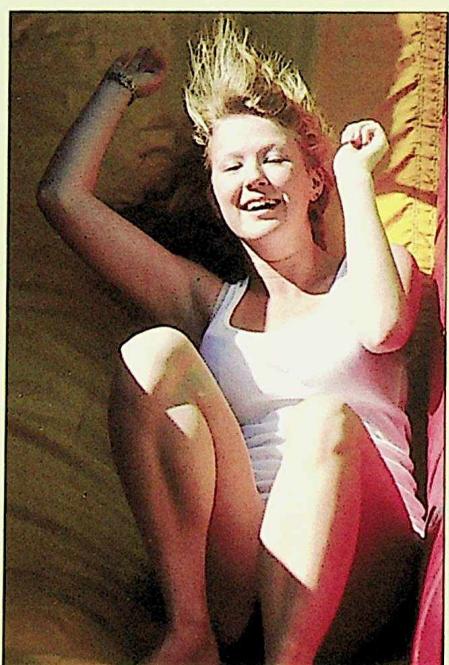

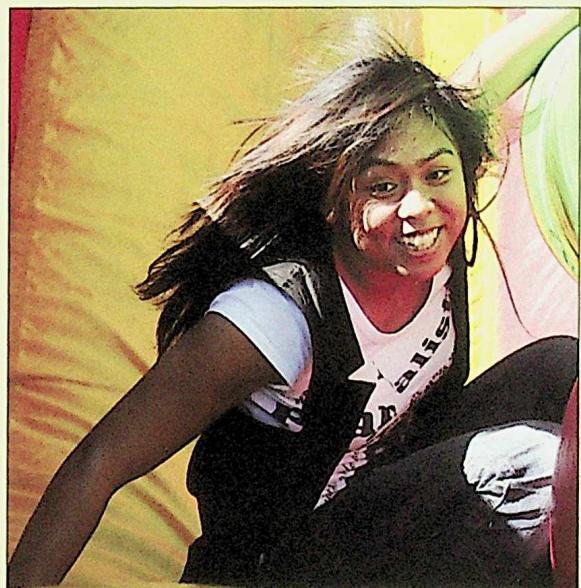

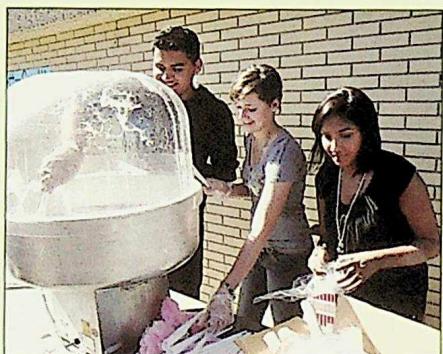

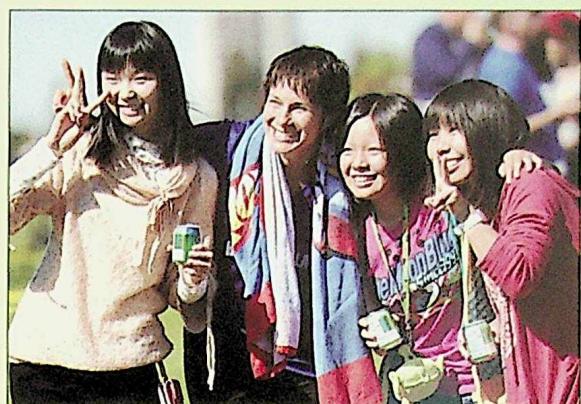

Link Crew Executive: Maryn Sommerfeldt; Areezah Jwa, Ms. Grimm, Ms. Denys, Emily Mao, Bolun Zhang, Sanam Amri, Katie Choi

2010 Link Crew - Left to Right - Too many wonderful, fantastic and amazing Titans to name, who volunteered to welcome our new, wonderful and amazing grade 10 students.

# Welcome BBQ

September 2nd we kicked off the new school year with the Welcome Back Barbecue! Burgers, drinks and activities kept us all busy throughout the lunch hour as we wandered around with friends. It was fun to check out all of our old friends from last year and catch up on who did what over the summer holidays. The weather was a perfect fit for the outdoor festivities. Good thing as we had the dunk-tank once again so that we could dunk our principal and administrators. Students played frisbee and football and hung out with new and old friends on the field. Break dancers started an impromptu "dance off" with anyone welcome to showcase their moves as they were surrounded by hundreds of onlookers. Sun, food and friends. The BBQ launched us into another great year of activities sponsored by the Student Council.

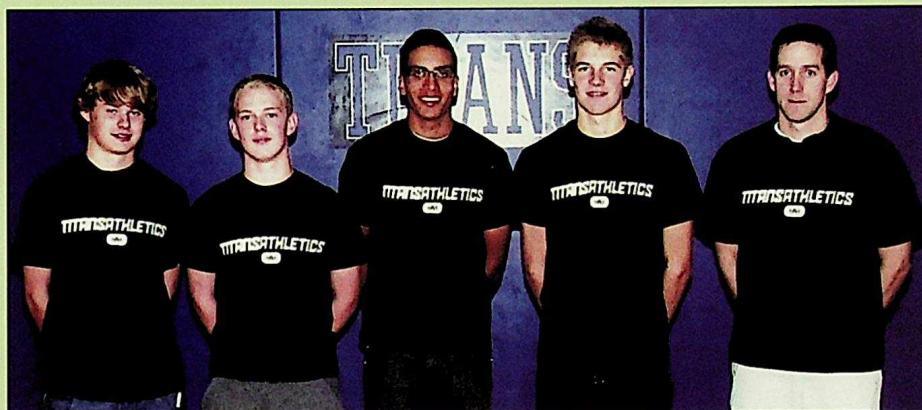

## Golf Team

This year's golf season went by very quickly during the month of September. Ainlay golfers competed in two tournaments; The Fort High Invitational and the Edmonton zone eliminations. On September 21st , the woman's zone eliminations were held in St. Albert at the Sandpiper golf course. The ladies team consisting of Abbey Gill, Devon Bond and Jasmine Iverson-LaPlante did very well, with Abbey qualifying for provincials capturing the silver medal. On the same day at The Links in Spruce Grove, the men's team, represented by Sean Heidebrecht, Christian Comeau, Akash Purewal, and Matthew Holt competed well with Matthew winning a bronze medal. During the following week, Abbey Gill competed in the ladies Provincials tournament which was held in Olds and Carstairs over two days. Abbey represented Ainlay very well coming in 7th overall. Well done, Titans!

Mrs. D. Bandola (Coach), Devon Bond, Abbey Gill, Jasmine Laplante-Iversen

Christian Comeau, Matthew Holt, Akash Purewal, Sean Heidebrecht, Mr. J. Kistenkas (Coach).

## Cross Country

This year's team had a very successful season with a very dedicated group of athletes. The team welcomed several new grade 10 athletes, and all team members competed hard in as many as 5 meets including Zone championships which took place on Weds Oct 6th 2010 in Lower Gold Bar park. Two Titans (Cole Peterson and Josh Bateman) qualified for the provincial championships in Vermillion, Alberta. Congratulations to all athletes who competed! A special congratulations Cole Peterson who finished 3rd at provincials. Thanks to all coaches and runners for another awesome season!

# Swim Team

The 2010-2011 season proved to be the best yet for the Harry Ainlay Titans Swim Team. Athletes of all ability levels came together for a fierce season comprised of six regular season meets and City Finals. The team was comprised of over 150 swimmers. In addition to our regular swim team members, athletes from other sports (Senior Boy's Football, Junior Boy's Football, Senior Girl's Volleyball, and Senior Boy's Basketball) joined forces to make this a powerhouse team of Titan talent. This year was the closest the Titans have come to capturing the city title thanks to the dedication, commitment and effort of all the swimmers and their coaches; Brenna Maradyn, Victor Fung and Alvin Lee. This year's participants proved that they are truly stronger when united as one giant team of Titans. Great season Titans! Next year - "Invictus" (Unconquered) will be our motto.

# Senior Football

2010 Undefeated Season  
2010 City Champions  
2010 Northern Alberta Provincial  
Champions  
2010 2nd Place Provincial Football

Congratulations to the Senior Football team on another outstanding season. They repeated as city champions within the Edmonton Public Schools football league and entered provincials for the 2nd year in a row with an undefeated record. The team proceeded to win the Northern Alberta Provincial Championship and headed to the provincial final for the first time in 23 years. With a 2nd place finish in all of Alberta tier 1 football, the team looks forward to continue to build on this success.

## ***Junior Football***

The junior football team have much to be proud of this past season. With a roster filled with many players who are new to football, they fought hard and competed well in every game. Although they lost in the semi-final game to J Percy Page High School, it was a close game that could have gone either way. With these young athletes, the future looks bright in football for the Titans.

# Senior Women Volleyball

The 2010 Senior Women's Volleyball team had a great season. With only three returning players the team began on a new foot, and worked hard to build their own identity. The team fought through various injuries, and proved that "the whole is greater than the sum of its parts". The girls adapted well to various system and positional changes throughout the season, and despite countless injuries, endured a dramatic battle to a provincial berth. The girls faced some tough opponents, but represented their school with honor and class at the 2010 4A Provincial Championships. It was a season to be proud of!

## Senior Men Volleyball

### City Champions!

The 2010 Senior Boys Volleyball season was an amazing ride. They played well at the U of A tournament and finished 4th, finished 3rd at the U of C tourney, finished 4th at the annual TTV tournament, and into the Lyndsay Thurber and Salisbury Tournaments where they finished 2nd. Catching their stride the boys captured the Edmonton Public league championship. They ended up going into the provincial championship ranked 4th and ended up in 4th place provincially. The coaching staff is very proud of the boys, and will always remember them as hard working intelligent players who bought into everything that the coaches told them.

## *Junior Women Volleyball*

Congratulations to the Harry Ainlay Jr. Women's Volleyball team on a fantastic season. These volleyball players were strong representatives of Harry Ainlay and showed true Titan Character throughout the season on and off the court. The team finished 3rd at the Jr. Western Canada High School tournament in Calgary, won the consolation final at the Jr. Chinook High school tournament in Lethbridge, won the consolation final at Jr. TVT here at Harry Ainlay and finished 4th at the Jr. Spruce Grove High School Tournament. In the Edmonton Public regular season league play the team competed in the Premier League, finished 3rd overall and advanced to the playoffs performing at their peak. The Titans advanced to the Semifinals against Spruce Grove (2nd in the Premier League) who defeated the Titans. By the end of the season the team began to play high tempo and aggressive volleyball proving that all of their hard physical, technical, tactical and mental training was paying off and they could be proud of their performances as Titans.

## Junior Men Volleyball

### City Champions - 5 years running

The Jr. Men Volleyball Team had another successful season. The team participated in various tournaments across Alberta including Chinook (Lethbridge), Spruce Grove, Western (Calgary) and of course our own TVT tournament. The team placed first in every tournament that they participated in, in a truly convincing matter. Despite finishing the regular season in fourth place, the team was able to battle through the playoffs to win their 5th consecutive city championship against the undefeated Jasper Place Rebels! Thanks to all the parents and volunteers who made this season such a success.

# Titan Volleyball Tournament

3 exciting weekends, 23 amazing student executives, 44 wonderful teams from 17 schools across 3 provinces, an army of dedicated volunteers, countless hours in preparation, and 1 fantastic, successful Titan Volleyball Tournament! From fans cheering during the opening ceremonies to supportive hosts from the sidelines to the final Crash of the Ball in the final match, TVT presented Ainsley's finest to the public. A big thank you to everyone, from volunteers to staff advisors to coaches, for making it possible to organize and host such a large tournament!

# Halloween

The boundaries between this world and the netherworld evaporated on October 29th when Ainlay celebrated Halloween. All of a sudden we were surrounded by skeletons, pop culture characters, super heroes, TV characters, and a variety of other unusual ghoulish characters. Earlier in the week SU hosted a Monster Mash, a Bob For Doughnuts, and decorated the rotunda and doorways. On Friday, the annual Costume Contest was held in the rotunda. Throughout the lunch hour costumed students paraded on stage to show off their outfits and antics. By Monday the ghouls, ghosts and goblins had returned to the netherworld.

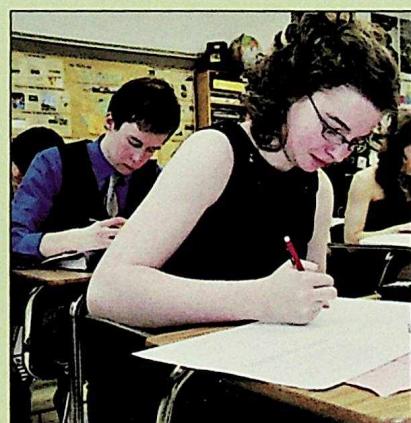

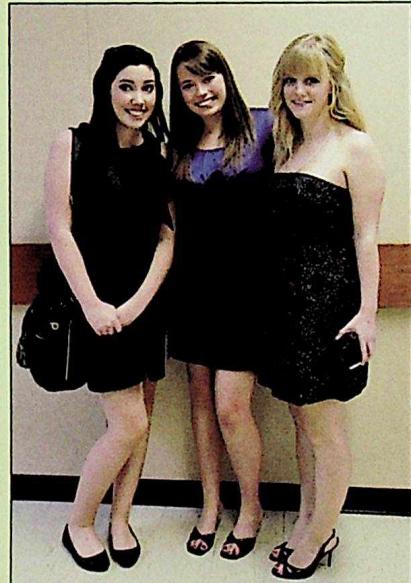

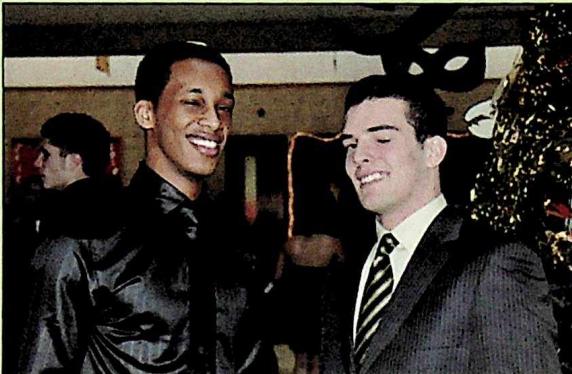

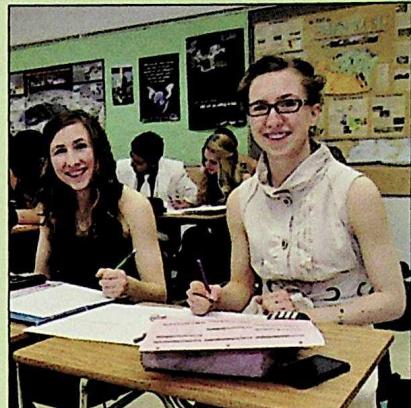

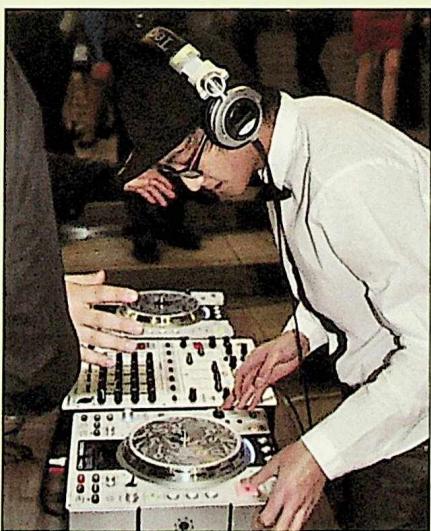

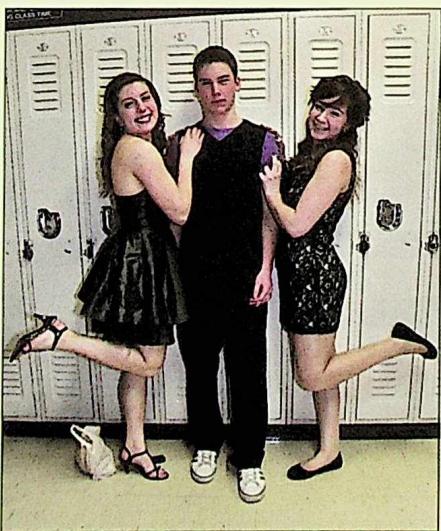

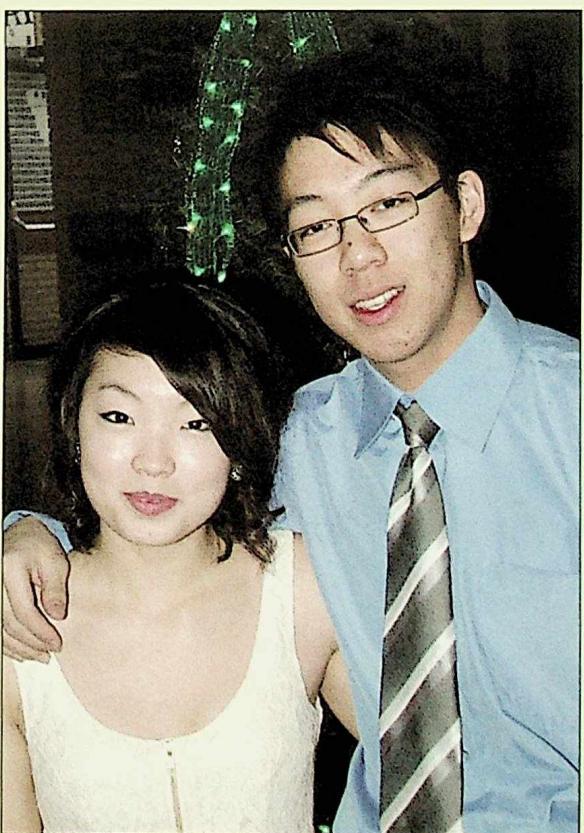

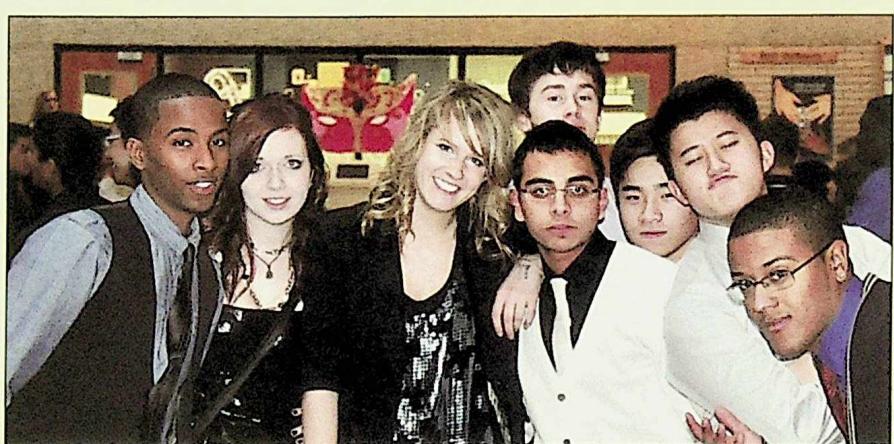

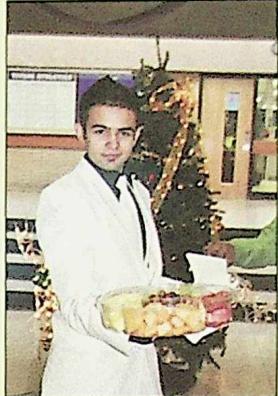

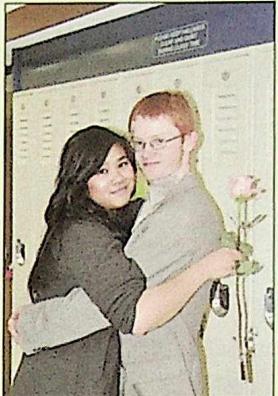

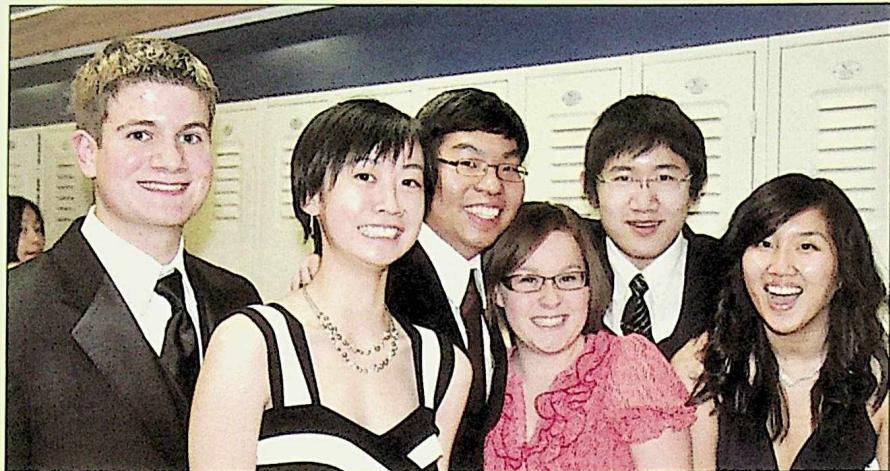

## Touch of Class

Camera Flashes. Elegance. Masks? This year's Touch of Class was classy as can be with a hint of mystery! With this year theme: "Masquerade Ball" students dressed to impress and brought it their all! With boys and girls, all dressed to the nines, suits and pearls, they sure looked fine. Entertainment and food galore, the rotunda was filled with haute couture. Memories that last forever, a great experience shared together!

## Dodgeball

Harry Ainlay's 6th annual Dodgeball tournament was back and better than ever this year. For a month student and teacher teams threw, ducked and dodged their way through lunch hour games for a month. Teams dressed up in whacky outfits as they fought their way to the finals. Although they did not win the tournament, "Where's Waldo" was awarded Best Costumes for bringing the beloved Waldo books to life. The crowds roared as their favourite teams won or were pulverised by a volley of white dodgeballs. "Millwoods" won the teacher side of the tournament and faced off against the victorious student team "McDonald's Monopoly". The competition was fierce, but "McDonald's Monopoly's" ability to dodge, dip, duck, dive proved superior and they were named the Harry Ainlay 2010 Dodgeball Champions.

## Intramurals

Intramural lunch hour sports included dodgeball, 3 on 3 basketball and floor hockey. Competition was fierce and the calibre of play was very high. Fans were treated to numerous lunch hour battles as teams fought for the top spots.

# Drama Production: The Wiz

The Performing Arts Department's production of THE WIZ was a great success this year. The musical was well attended and showcased the talents of many of Harry Ainlay's students. This year, students were involved in many areas of leadership in various areas of production (technical, creation, wardrobe, etc.), including students who choreographed dances for the show. From Munchkins to Monkeys and the Yellow Brick Road to the Troubadours, we had a cast of 46 and technical crew of over 27. The Cappies reviews of the show were really positive and highlighted the strength of character development and commitment to the performance by each member of the cast and production team.

# Senior Women Basketball

Sr. Women Bball - Early in the season the team set their sights on a berth at the 4a ASAA provincials and a serious run at the championship. After a 3rd place finish in league they hit the road to play all playoff games away. With some late game heroics the Titans came out on top in their first playoff game. Eventually it came down to a do or die scenario against Paul Kane. Due to strong leadership play from the Grade 12's they came out victorious. With this the team was off to provincials as a 10th seed. Their first game they had a huge upset versus number 1 in the south and were headed to the quarter finals. Ultimately, the team finished 6th at provincials. What a great season!!

## 2011 City Champions

The team had a good mix of grade 12's and 11's this year making them a strong team from the get go. The team was able to upset Jasper Place High after never beating them all year except in the City Championship game. Following the City Championship game they beat Paul Kane in Crossovers to go into provincial as the top Edmonton team and ranked two in the Province. Unfortunately in a double OT semi final game in provincials the Titans hope of a provincial crown came to an end. The team should be proud of their year.

# ***Junior Women Basketball***

The 2010/2011 Jr Women's Basketball team had a great season. The team won the Consolation title at the JP Reb Tournament, Silver at Tri Prov and Gold at the Lindsay Thurber Tournament in Red Deer. We had an amazing time in Victoria BC. The highlight of the season was the City Championship. After going undefeated in league play the team won the Premier League City Championship with an outstanding performance winning 58-26 over a game Edmonton Christian team. Congratulations to the team for their hard work and dedication.

## ***Junior Men Basketball***

With a new head coach this year the Titans set out to win a City Championship. Darren Patterson had played and coached in the Titans system and was prepared to get this group ready. After an outstanding season the Titans were upset in the city finals. Even though the team did not achieve their goal they still had an outstanding season.

# Tri Prov

This year Tri-Prov 2011's theme was Harry Potter which was a huge hit with the players, coaches and spectators. The student organizing crew did an outstanding job under the wizardly direction of Chair Qaasim Mian and executive assistants Kiran Boparai and Simi Bhatti. The opening ceremonies were fantastic, and the basketball was magical. Once again the wizardly Tri-Prov tradition continued with supernatural basketball action from all of the team players. Thanks to the student organizers, teacher advisors, and parent volunteers who all helped us to "UNLEASH THE MAGIC" through this year's Tri-Prov.

# Culture Fest

In March 2011 Culture Fest was held for three days under the theme of "Titans Coming Together As One". The first day featured the fashion show. Both students and staff dressed in traditional clothing, modeling to their cultural music. The next two days featured performances from students and staff in either cultural songs or dances. During all three days students could sample a variety of foods such as jalebi, sushi, perogies and samosas.

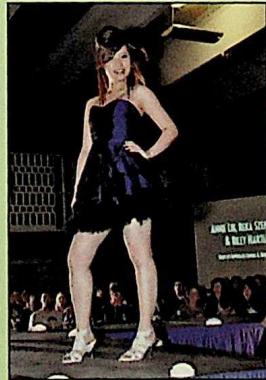

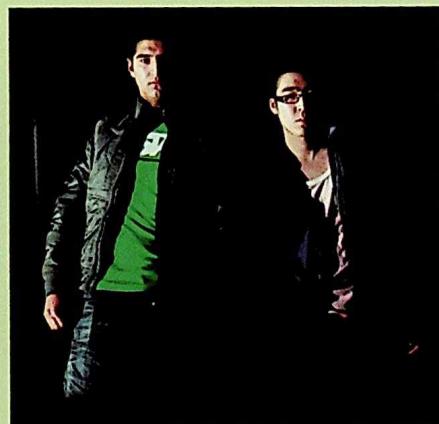

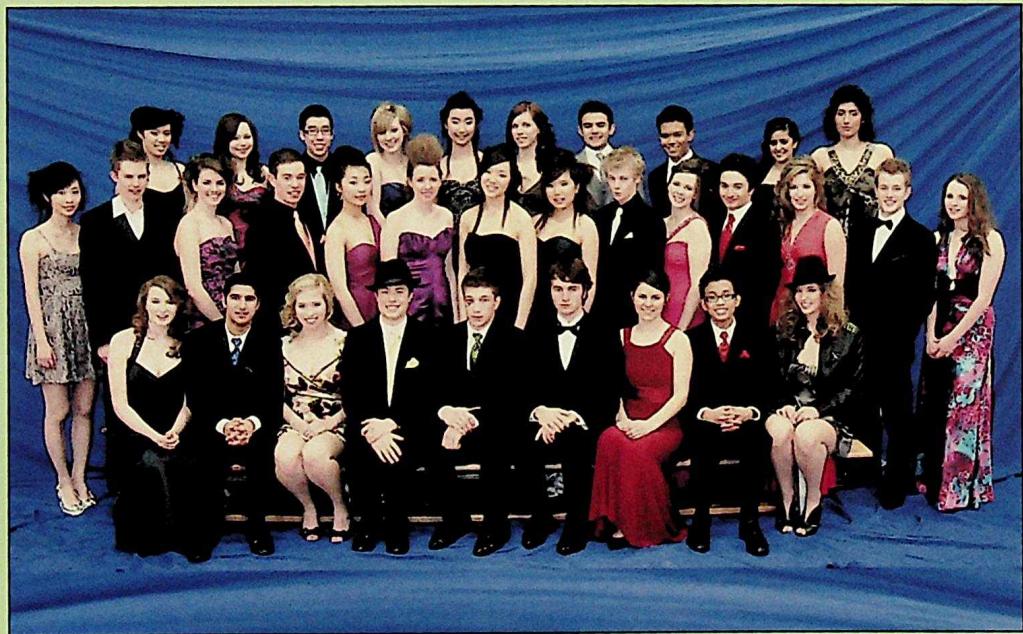

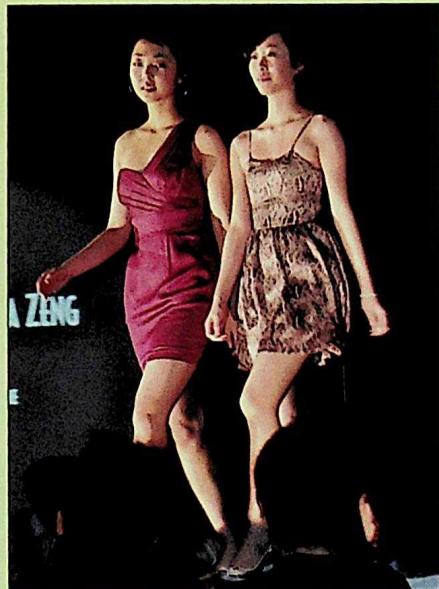

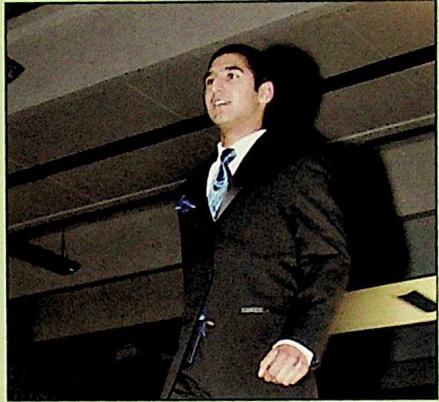

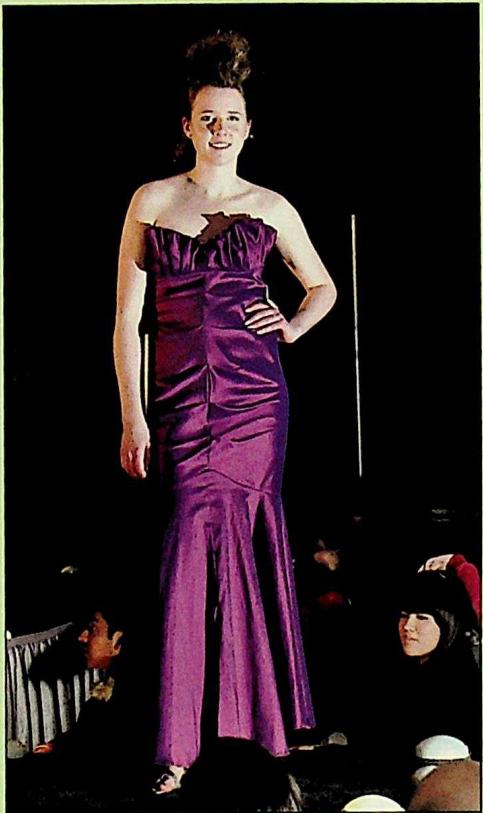

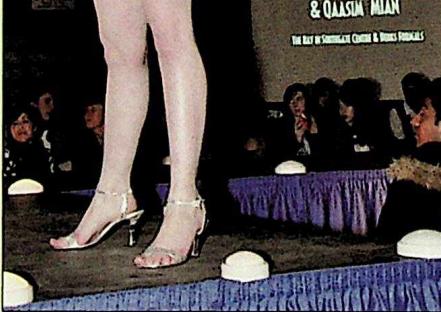

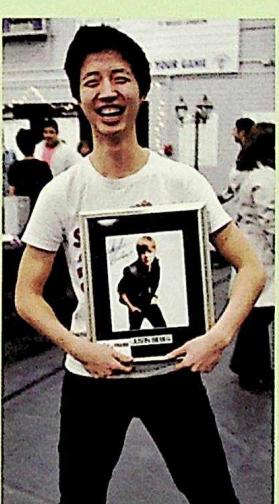

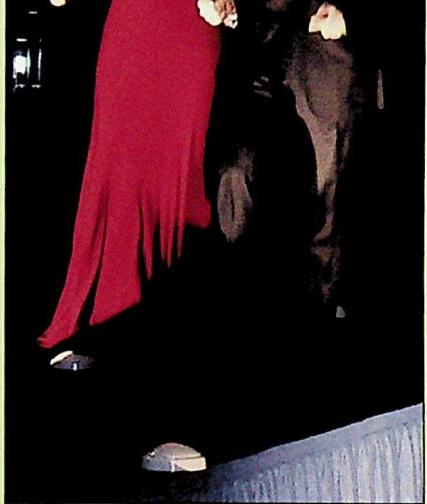

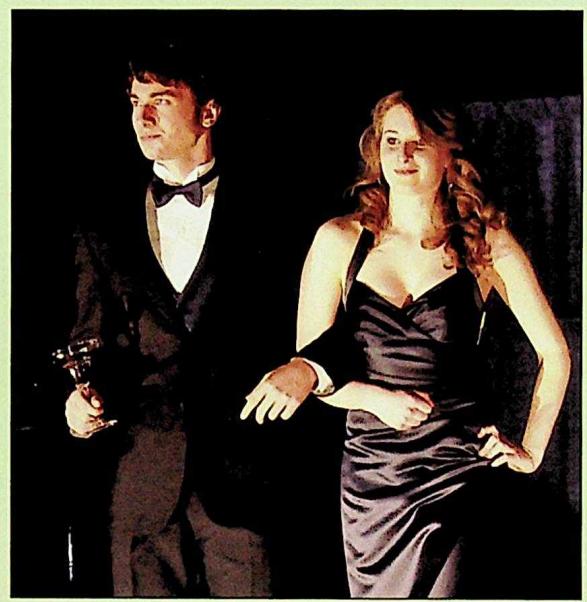

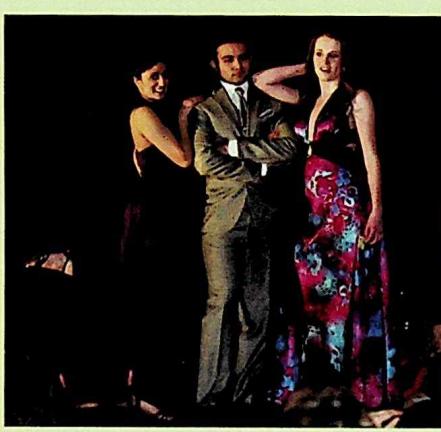

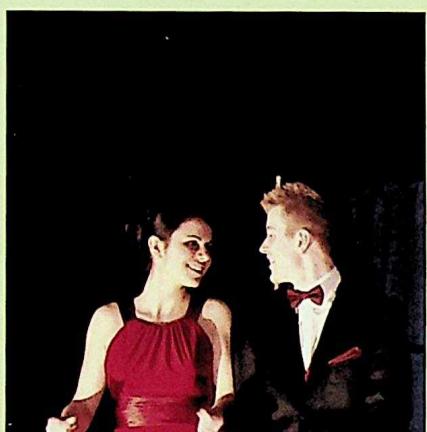

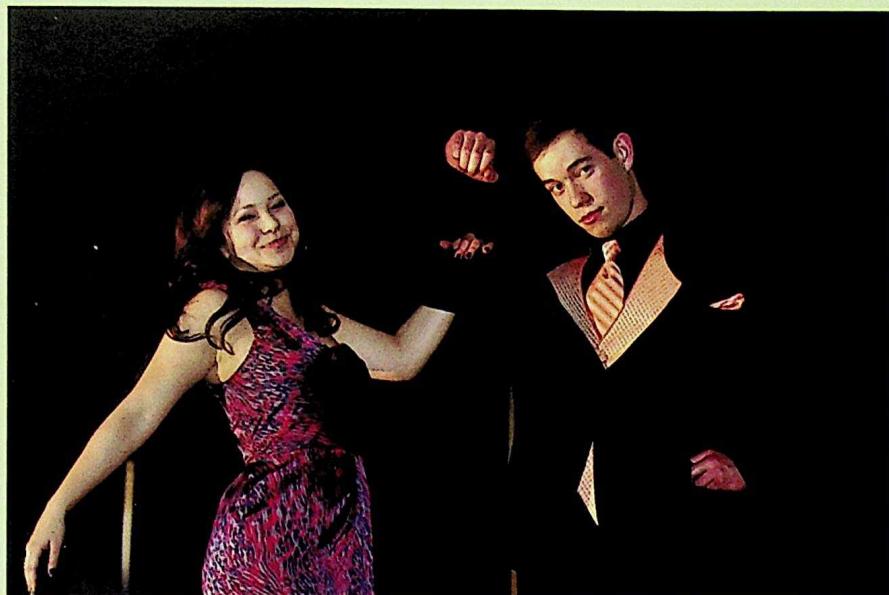

# Fashion Show

The "Old Hollywood Affair" Fashion Show and Silent Auction was a very memorable night. The evening was transformed into a red carpet event filled with class, elegance, jazz music and plenty of entertainment. The show featured our very own Grade 12 students modeling the latest fashion trends. The models owned the runway as they sauntered, spun, and swirled through the evening. During intermission, the silent auction tables had a great variety of items on display and were a huge hit with the guests! In the end, \$4000 was raised in support for the graduating class of 2011.

# Water Polo

This year, our water polo program grew to two teams. Our A team finished the season with a bronze medal for the 3rd consecutive year. For many of our players this is their 3rd year with the team, and the improvement shown by all was remarkable. Most outstanding was the addition of the B team to the program. Though the B team was winless this season, the (mostly grade 10) players have shown amazing improvement in their skills this year. With so many grade 10s in the program, the Water Polo teams will be in great hands next year. Go Titans!!!

## Cheer Team

The Titan cheer team consisted of 20 female athletes this year in grades 10-12. We also took on 4 extra girls to cheer at only the football games. The team attended all senior football games and performed at both the TTV and Tri Prov opening ceremonies before the competitive season. The Titans competed in five competitions this year including the Cold Snap Classic, ASAA zone championships, ASAA provincials, ACA WEM championships, and the Ross Shep cheerleading competition. They remain city champions and placed top three in all other competitions. The Titan Cheer team maintains a rigorous schedule all year, putting in countless hours each week with three practices, two workouts and other team activities. They work hard, develop new friendships and are proud to represent Harry Ainlay. The 2010-2011 Titan cheer team would like to thank all students, staff and parents who support the team throughout the year!

## France & Italy Trip

On March 26th, 2011, 25 students accompanied by Mr. Heidt and Mrs. Maradyn embarked on a 12-day trip to Paris and the three Italian cities of Florence, Venice, and Rome. Paris was first on our itinerary, and we packed as many things as possible into our brief visit to the city of lights. Our first stop was the Arc de Triomphe, followed by other must sees such as the Louvre, Versailles, Notre Dame, and of course Euro Disney. We ended our stay by visiting the iconic Eiffel tower and then it was au revoir Paris and buon giorno Italy! The beautiful Tuscan city of Florence came next, which offered plenty of sightseeing, shopping, and exploration of Italian art and culture. By day we learned how to make authentic Italian pizza and by night we partied alongside locals at the discotheque. From there we made a day trip to the magical city of Venice where we climbed aboard a gondola and explored the canals. The remainder of our Italian adventure was spent in Rome where we hung out at the Spanish steps, threw coins into the Trevi fountain and marveled at the grandeur of the Coliseum. Then before we knew it our adventure had come to an end and we were headed for home. Paris and Italy will always be remembered as the trip where every day was Friday, pasta and gelato were daily staples, and a chorus of "ciao bella!" could be heard throughout the land. New friendships were made and experiences were shared that Titans will treasure for years to come.

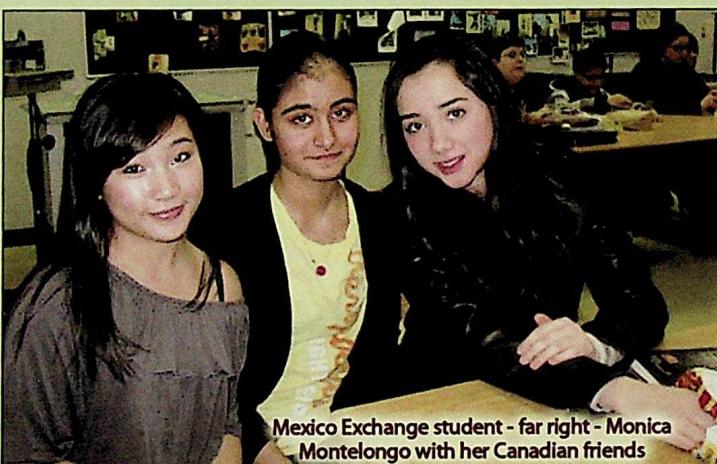

## Spain Trip

From March 23 to April 3, 2011, 18 Harry Ainlay students along with Ms. Chow and Mr. Lavold took off for a trip of a lifetime to beautiful and historic Spain. We flew into Malaga and settled into our hotel in Torremolinos on the Costa del Sol, a resort community nestled onto the Mediterranean coast. Our first full day was spent visiting the British Rock of Gibraltar, where we ate fish and chips and made our acquaintance with the Barbary Apes who were fascinated with the hair and possessions of several of our travelers. The next day saw a trip to Cordoba where we were fascinated by the Grand Mosque and the Mezquita. We traveled to Granada the following day, the center of Moorish power for 800 years. We visited incredibly beautiful palaces and gardens and became enamored of the huge oranges hanging from trees everywhere (which smelled great, but tasted terrible!). Bullfighting was the focus of the next day, when we visited Ronda's famous bull ring and students tried simulating a bull fight with Jesus the Penguin. The next three days were spent in Seville, where we visited a winery, saw a performance of the famous Dancing Andalusian Horses, visited amazing cathedrals, castles and monuments and reveled in a Flamenco theatre show. It was here that students developed their love of traditional Spanish tapas! The trip ended with three days in Madrid, where highlights included a visit to the Prado Museum and the opportunity to take in a Real Madrid soccer game along with 80 000 screaming Spaniards. It was an amazing experience. Visits to Toledo and Segovia, where we saw sword-making and some of the oldest and greatest Roman ruins in Europe, finished the trip. We all experienced more great food, great sights, great history and great companionship than can ever be put into words – Viva Espana!

During this school year, 12 students participated in an exchange with the Helmholtz School in Frankfurt, Germany. In October 12 German students visited us in Edmonton. They spent two weeks here, seeing the city, Drumheller and the Rockies. In March, we boarded a plane excited to see our friends again. When we arrived, we spent the next few days absorbing the beauty of the country, and getting lost in the busy city (ahem ..... chase). After walking almost everywhere (including our citywide rally), the "Ausfug" to Munich was a welcome change. We took public transit 20% more! After a week, we arrived home, jetlagged and with sore feet, though the general consensus was that it had been a hopefully-not-just-once-in-a-lifetime, unforgettable experience. Ainlay student Participated: Nick Eveneshen, Byron Oncuil , Brad Schmermund, Chase Nahrebeski , Jessica Koski, Veronica Haynes ,

## Frankfurt Exchange

Mexico Exchange student - far right - Monica Montelongo with her Canadian friends

## QC & MX Exchange

This year Harry Ainlay had the pleasure of hosting two students from Quebec (Frédérique Forges and Cloé Hurtubise) and one student from Mexico (Monica Montelongo) who came for the opportunity to learn English and to experience western Canadian culture. These students attended classes and school events and travelled with their host families to places in Alberta and British Columbia. Our students enjoyed meeting these students and learning about their lives and cultures. An excellent opportunity for everyone involved.

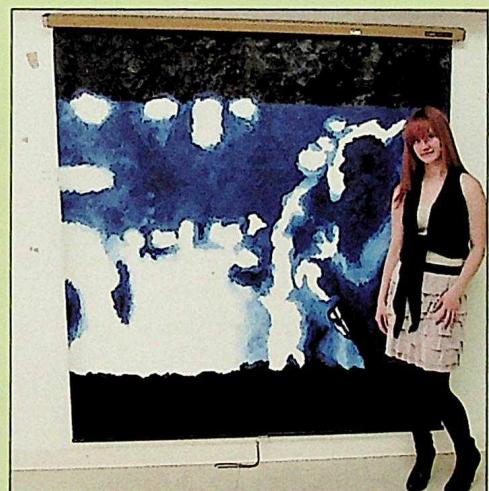

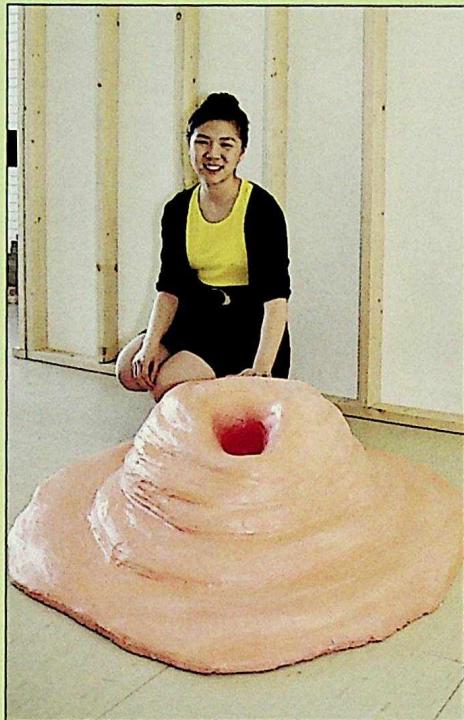

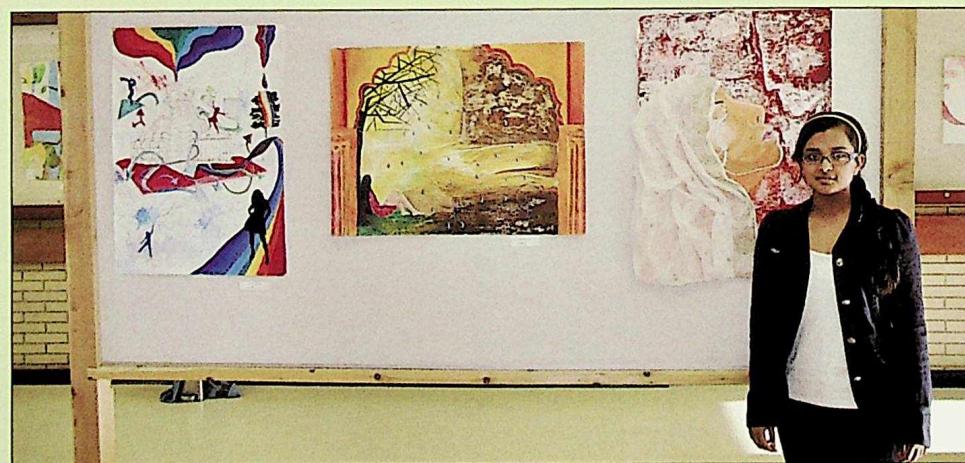

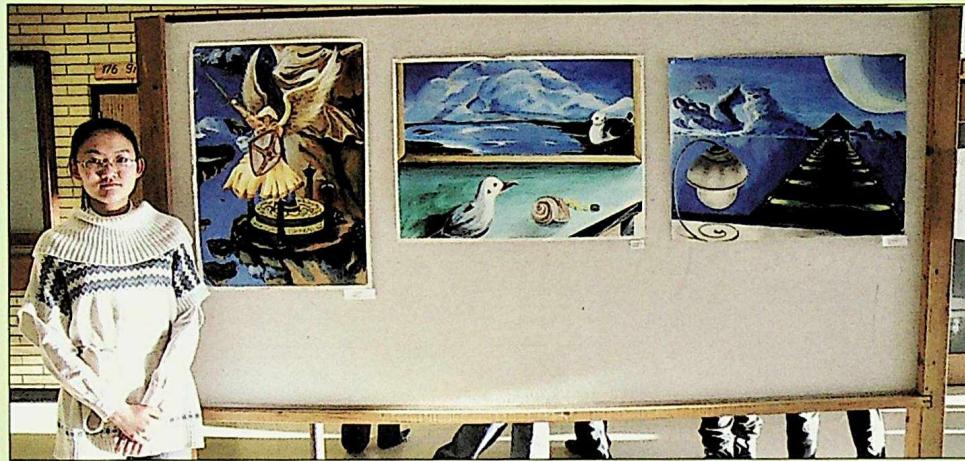

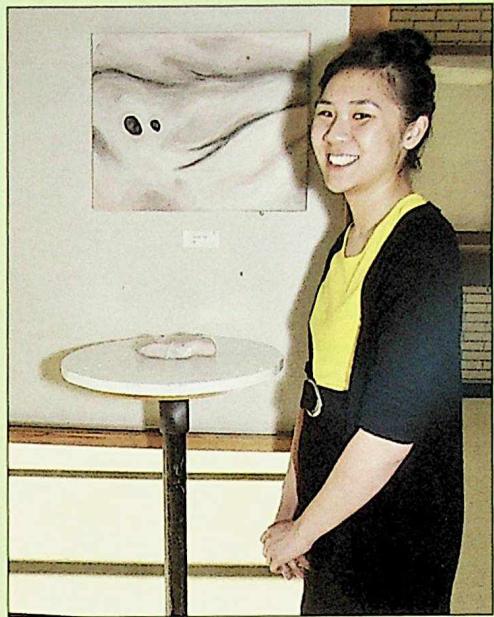

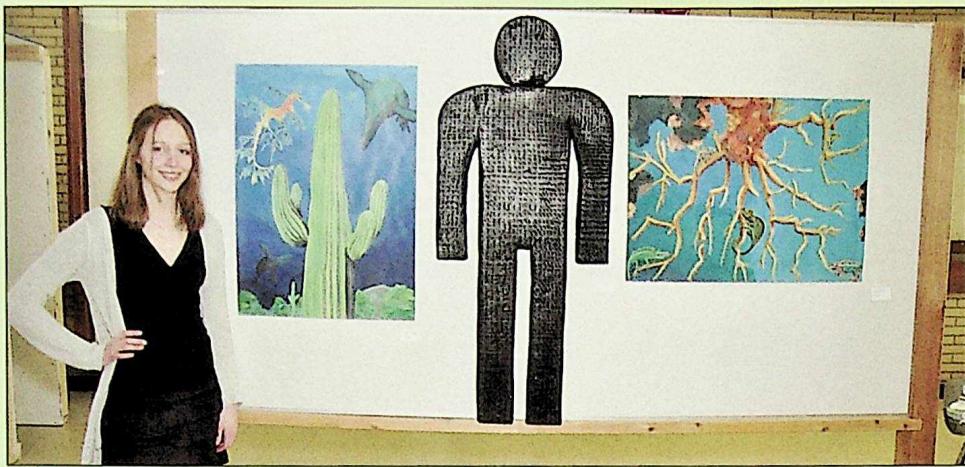

## Japanese Exchange

8 students from Tokiwa University High School, Mito, Japan attended Harry Ainlay from August 27 to November 19, 2010. During the three month period, they were hosted by families in the Ainlay community and attended a variety of classes at school. Their visits to our Japanese classes were extremely valuable to our students and they built strong friendships with us. Although we were unable to make a return visit during spring break this year due to the earthquakes and Tsunami occurring in eastern Japan in March, we look forward to another exciting exchange next year.

# IB ART SHOW

The 34th Annual IB Art show was held in Ainlay's Art Gallery on April 15th. As you can see the artists have used an eclectic mix of styles and mediums to produce their show pieces. Congratulations to all of the artists: Laura Vehring, Alina Wang, Erika Friebe, Talwinder Punni, Reka Szepesvari, Paige Larsen and Carisse Tam who have provided us with a peak at their ideas, creativity and vision.

# Senior Handball

This year was a great year for the senior handball program. Our senior men's team won gold at cities and provincials. Our women's team won silver at cities and provincials. With many athletes now becoming three year handball players our depth and competitiveness has increased at an impressive rate. The program looks good to make finals at the city and provincial level for some time to come.

# Battle of the Bands

In the 18 years that Ainlay has had a Battle of the Bands there have been many great performances. This year the tradition of excellence continued with seven bands entertaining the audience. The Universe Machine, Legion of Awesome, Walterdale Love Machine, Liv!, The Clockwork Goliath, Band-aged, and Banana Realm. The band, Liv!, with members David Bell, Cody Slobodian, Mike Hunter, and Kyle Zapachinski performed last but were the best in the judges' opinion. Walterdale Love Machine was a close second. Special thanks, as always, goes to Axe Music for their continued support of live music in Edmonton.

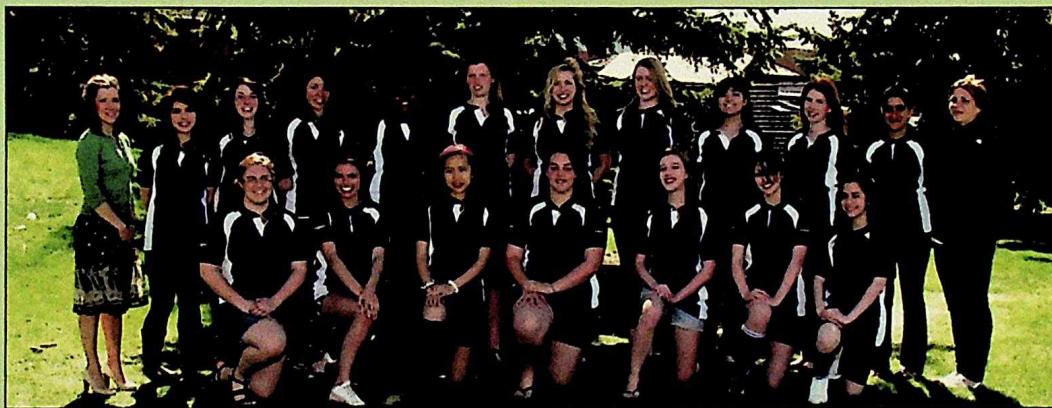

# Skills Canada

Best described as the Olympics of Trade and Technology, the Skills Competition allows young people to represent their school in a competition representing a wide variety of trade and technological events. The Skills Competition is an event held at regional, provincial, national and international levels. This year's Provincial competition was held at the Edmonton Expo Center. There were 25 Harry Ainlay students competing in the following areas: Culinary Arts, Cabinet Making, Carpentry, Electrical Wiring, Mechanical CADD, Job Interview, Architectural CADD, Job Skills Demonstration, Hairstyling, Robotics, Welding, Women's Apparel Design, 2D Animation, and TV Video Production. We had 23 students from Ainlay who competed at the event and are very pleased with all of their efforts and time spent training for their event. The students rose to the challenge, competing in events that lasted up to 14 hours over two days. Harry Ainlay Skills Team this year included: Andrew Harrison, Paige Larsen David Reid, Teodora Bosonea, Brandon Prochnau, Robert Donaldson, Kristyne West, Lauren Cook, Melisa Mazhandu, Evan MacDonald, Ryan Nelson, Zico Pandey, Tanner Hudson, Anaf Adel, Jared Jorgenson, Isabelle Semple, Sade Cyrus, Minha Cho, and Steven Buchan. Nicholas Yee and Ahad Zaman won a Silver Medal in TV Video Production. Konrad Millers won a Bronze medal in Welding. Congratulations to all Competitors!

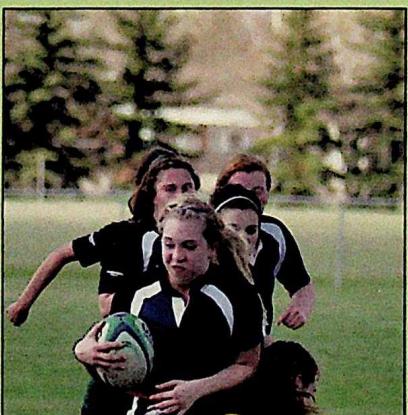

# Senior Women's Rugby

This year's rugby season started with a tournament, which tested the girl's abilities to come together and play as a team having not yet played a regular season game. It was a challenging tournament and the girls ranked 4th out of 8th, which was astounding! The girls quickly fell into their positions, and the senior girls provided constant support and leadership to the new players. The rest of the season continued with that same positive momentum and the girls improved game after game. The team even tied a Tier 1 team! The girls fought against some difficult opponents and the coaches are very proud of the girl's rugby team. We will miss our graduating players. Thanks for a terrific season girls!

# Senior Men's Rugby

The 2011 Season was a very successful campaign. The season ended in the first round of the playoffs in a closely contested game. We improved greatly as the year went on, learning new things on and off the field. With a young group of mostly grade 10s and 11s it was great to see leadership roles fulfilled, and a group of young people willing to work as hard as possible to achieve greatness. The graduating players will be missed, and it will be exciting to see the rest of the players grow into in the next season. Thank you for a great 2011 season!

# One Acts

Harry Ainlay's annual One-Act Festival ran from April 11-16 this year and was adjudicated by Tara Brodin. There were 10 plays directed and produced by Drama 30 students, all ably crewed and supported by our very strong student "Techies," and all but one starring Harry Ainlay students. "Cendrillion de" was performed at Avalon Junior High with casting chosen from Avalon's French Immersion students. Of the 10 plays, Homewrecker Hotdogs, Love is for Fools, and Never Swim Alone were chosen to compete at the Zone 8 One-Act Festival where Homewrecker Hotdogs won the award for best original script.

## Indoor Soccer

The Indoor Soccer team completed the regular season in 5th place. The team defeated the 1st and 2nd place teams to reach the final for the 3rd time in five seasons. Excellent drive was shown by our veteran players Meric Alkan, Joe Kirk and John Bidell in the run up to the final match. The team finished with a silver medal in the city final. Coach Hernandez thanks all those rookie and 2nd year players who will make next year's team invincible.

## Senior Women's Soccer

### City Champions!

This year's team placed 1st in league putting them in a semi final game against Ross Shep. The team jumped out with 2 quick goals. Shep by half time scored to tie 2-2. Shep scored early in the second half to go up 3-2. With under a minute to go in the game the Ainlay tied it 3-3 and went on to win 4-3 on OT. This put them in the Finals against SCO-NA where Ainlay won the city championship 3-2.

## Junior Men's Soccer

The Harry Ainlay Junior Men's Soccer Team grew immensely during this year's soccer season. Trevor McNeely's leadership, Max Wagg's key saves, Matt Crane and Connor Dreger's critical goals, Blaise Che's aggressive defense, and James Bonnell's support all helped this team peak at the right time. With an impressive 3-2 shoot out win in the city semi-finals over powerhouse Jasper Place, the Titans advanced to the City semi-final where they prevailed with a 3-2 overtime win against ME Lazerte. Special thanks goes out to Coach Avanthey who has devoted 3 years to Titan Soccer.

# Track & Field

The Titans Track & Field team had a very successful year. We started off the indoor season with the Edmonton Journal Games where the girls relay team finished with a silver medal while the boys put in a gritty performance finishing just out of the medals in fourth place. As the snow slowly melted in April, it was time for the track team to move outdoors. The outdoor team consisted of 52 athletes and 3 coaches this year; Mr. John Kistenkas, Mr. Neil Mazur & Mr. Patrick Powell. As a team, the Titans did very well during the outdoor season, finishing in 2nd place in the zone (city) championships and 6th place in the provincial championships held here in Edmonton. Some of the individual provincial highlights came from Cole Peterson winning gold in the senior men's 1500 m, and newcomers Quincy Sanchez and Arden Rosery winning gold medals in the junior men's javelin and 200m respectively. Well Done Titans! A big thanks to all coaches and athletes for another great year of track and field.

# Badminton

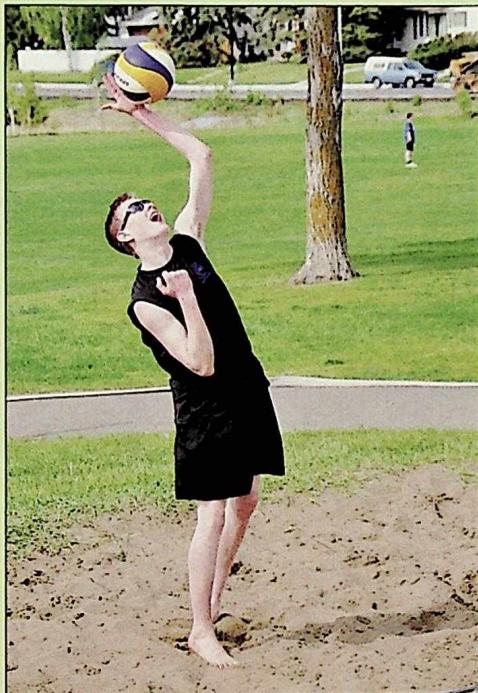

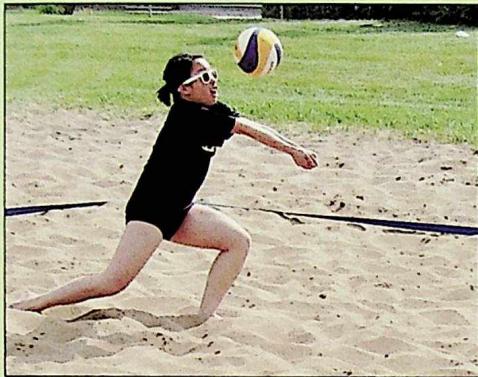

## Badminton City Finals Silver Medallists and Provincial Medallists

Ainlay's Badminton team had a successful season finishing with a silver medal in a very close city final against Ross Shepard. The team, undefeated in their league play matches, demonstrated excellent sportsmanship, dedication and commitment to all of their games, with great leadership and coaching by Kenneth Zhou and Aaron Lau. Congratulations to Provincial Gold Medallists, Susie Jing and David Evans in the Junior Mixed Doubles and to Jessie Mak and Jessie Zhang, City Champions in the Intermediate girls doubles. Thanks to Mrs Ito-Fedrau and Mr Fung for their support throughout the Badminton season. S. Johnstone (exchange teacher from Australia)

## Beach Volleyball

2011 is the inaugural season for the Harry Ainlay High School Beach Volleyball Men's and Women's Program. Although not an official Alberta Schools Athletic Association (ASAA) sport, the Harry Ainlay Beach Volleyball Team is a group of committed athletes training to prepare themselves to represent Harry Ainlay at the 2011 Alberta High School Beach Provincial Championships. These athletes attend classroom sessions, physical training sessions, as well as indoor and outdoor practices. Athletes may join the team as a team of two, or join as an individual and be teamed up with another athlete. The team is open to male and female athletes at any grade level, 10, 11 or 12. Our athletes are excited to take their game from the hardwood to the sand and watch their skills evolve under the sun. "Anyone serious about playing indoor, should play outdoor." - Sean Scott

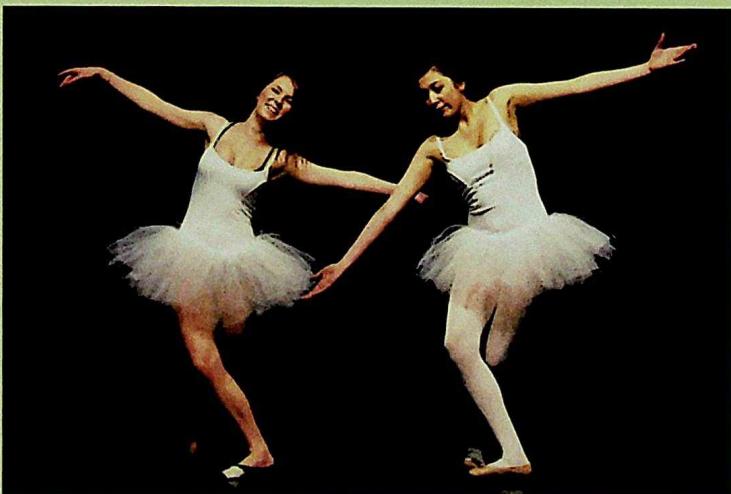

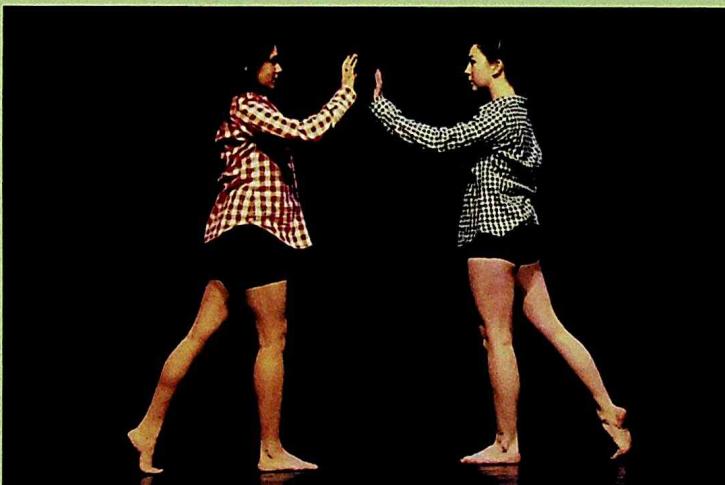

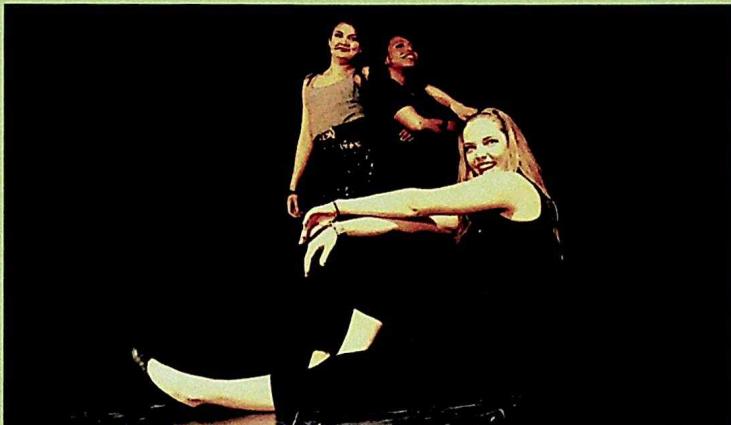

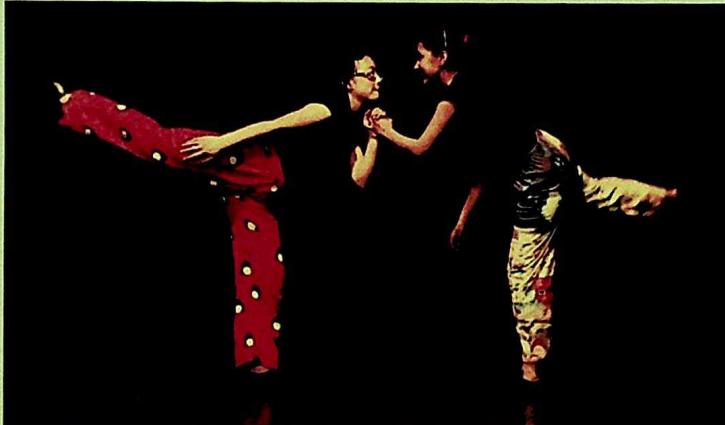

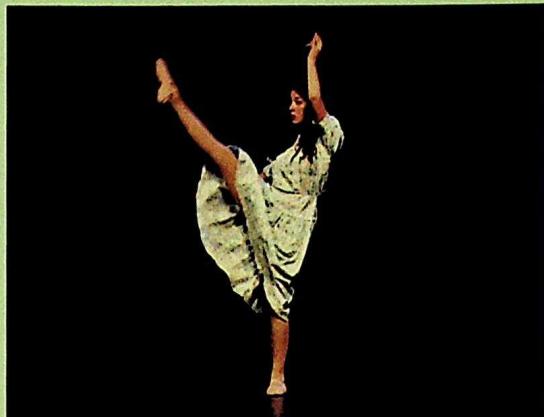

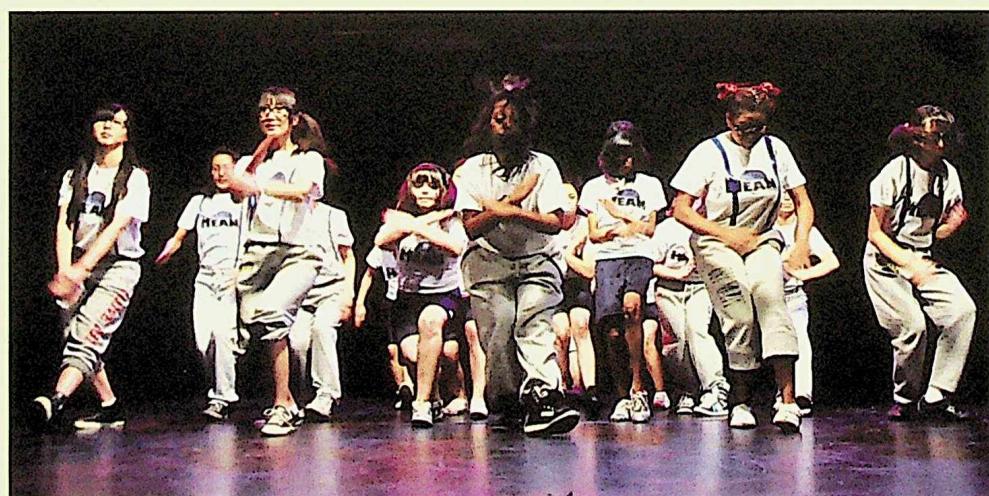

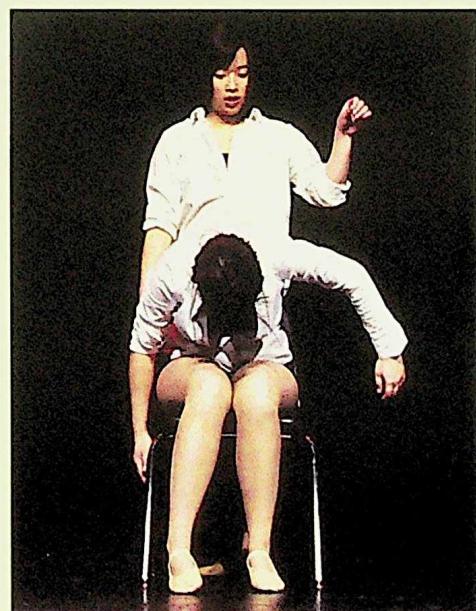

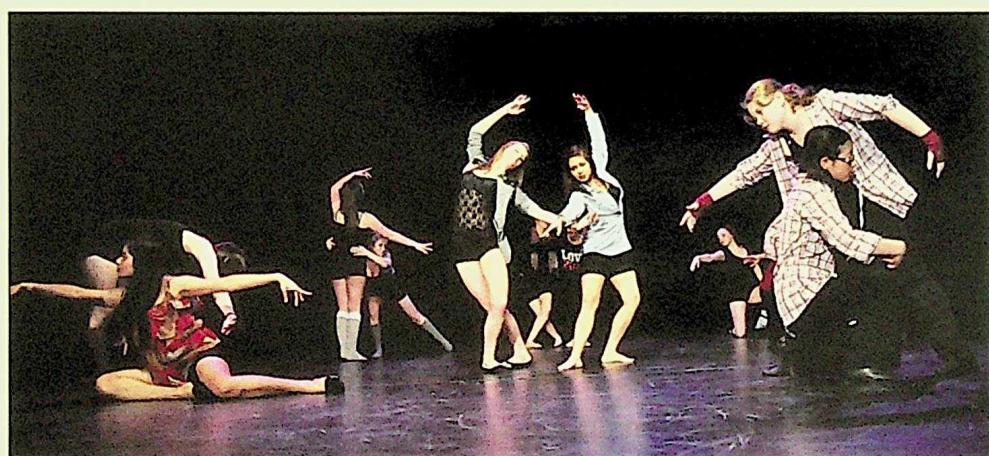

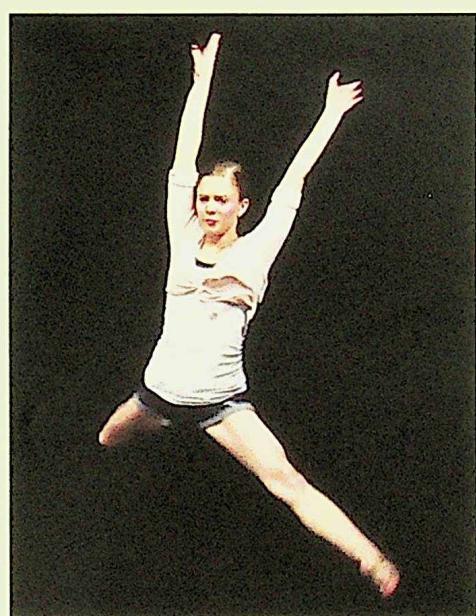

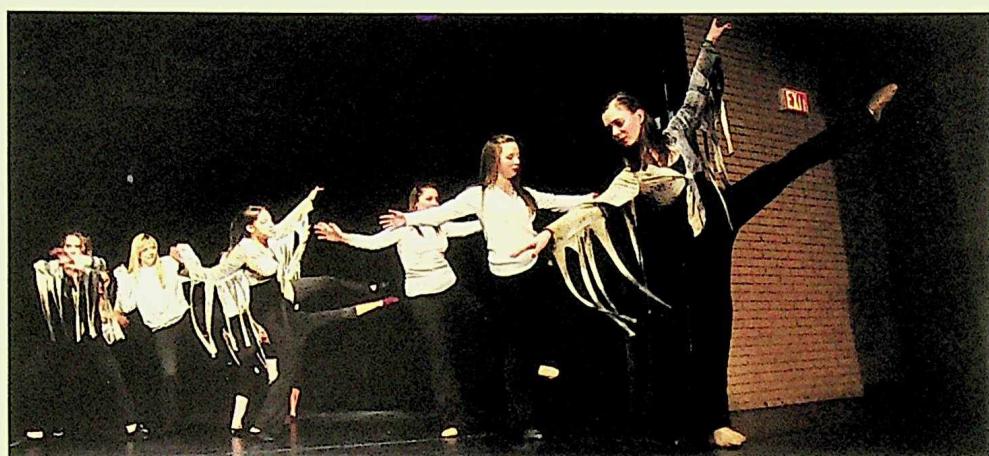

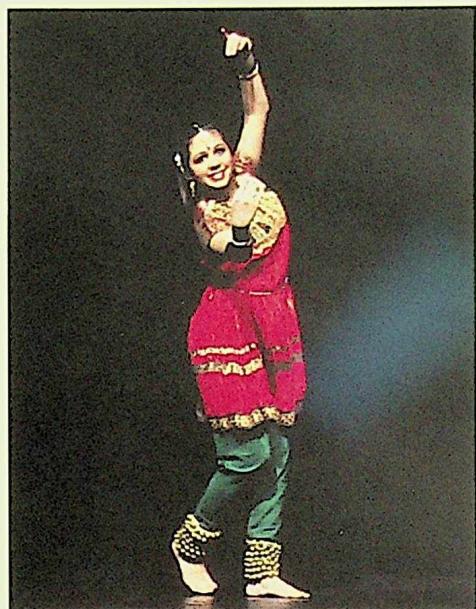

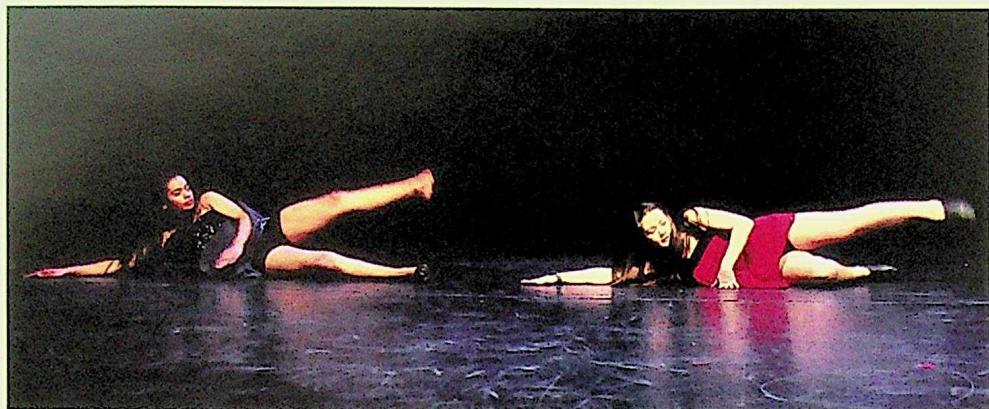

**Back Row:** Chris Ingstrup, Jared Schubert, Lee Iverson, Michael Goertz, Josh Peters, Adam Iverson, Nick Eveneshen, Liam Holliday, Alex Ingstrup, Jake Peake, Evan Chell, Daniel Park **Front Row:** Emily Kinsella, Vy Nguyen, Mackenzie Parish, Camrie Christensen, Kylie Witsken, Emily Adamic, Cathy Richards, Lindsay Anderson, Maddi Lakey, Andrea Holmes, Jessie Olsen **Missing:** Olivia Abram, Tamara Chibri, Austin Lloyd, Neall Murphy, Ryan Patterson, Aimee Schubert, Ivan Yi,

## Dance Showcase

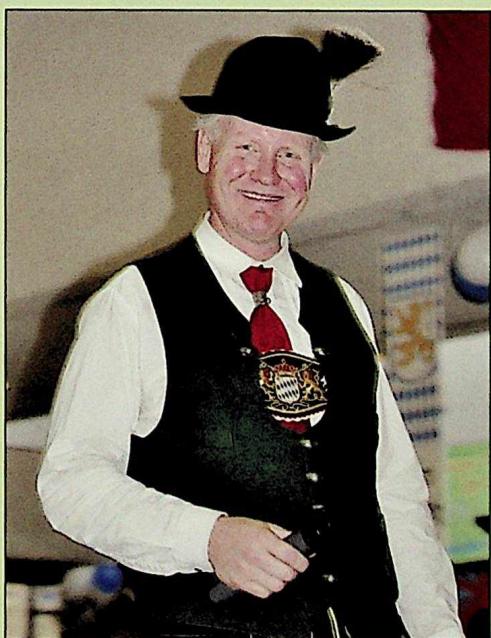

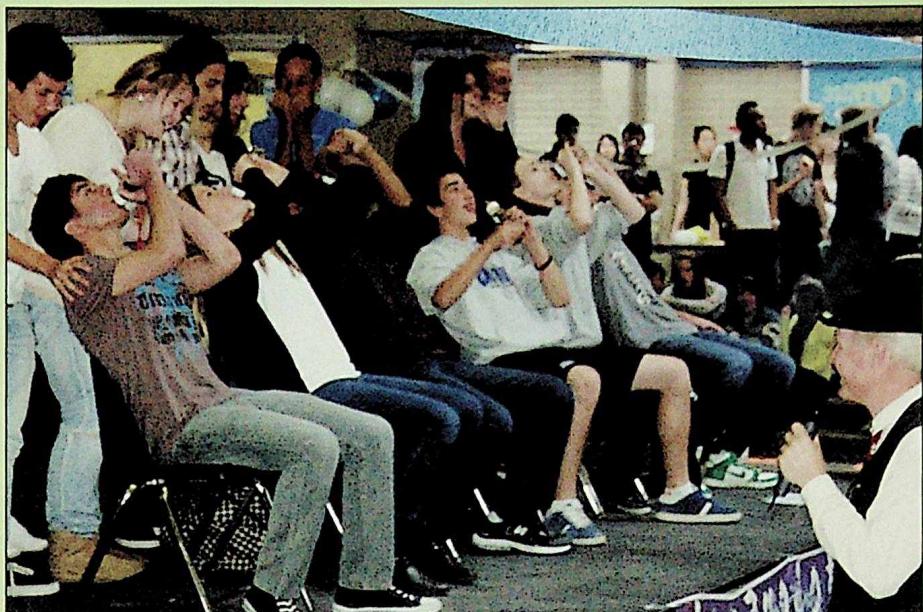

The Good Foot Dance Showcase highlights work of students in the extra-curricular Dance Club, the Dance program, and of students who dance in the community. This year, over 80 students strutted their stuff in a variety of choreographed works from ballet to break dance, and everything in between! The hip hop dances were choreographed by guest artists Raymond Bulatao and Jenny Luo, former Ainsley grads, while there were many student composition projects performed from the Dance classes. Each year, the event grows in popularity.

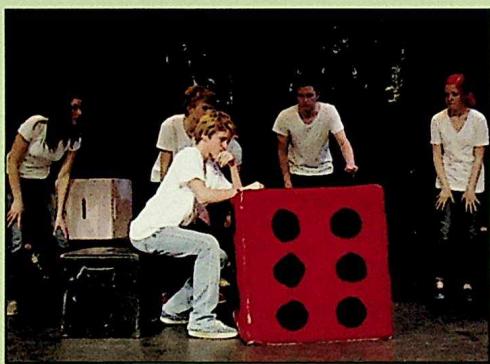

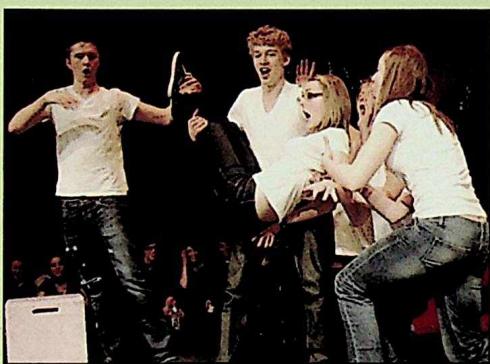

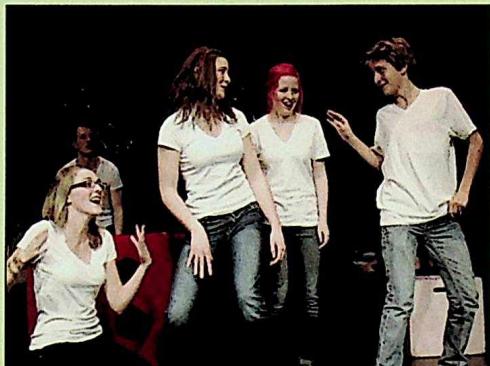

# Oktoberfest

This year's Oktoberfest was a great time for students and teachers alike. Students were able to sample authentic German sausages and pretzels, and wash it all down with a (baby) bottle of root beer in the drinking contest. Students showed fine technique in the pretzel-eating contest as well, all in time with polkas and waltzes playing in the background. Mme. Campbell teamed up with Herr Huellstrung again to perform several folkdances on the main stage and amazed students with their agility and grace.

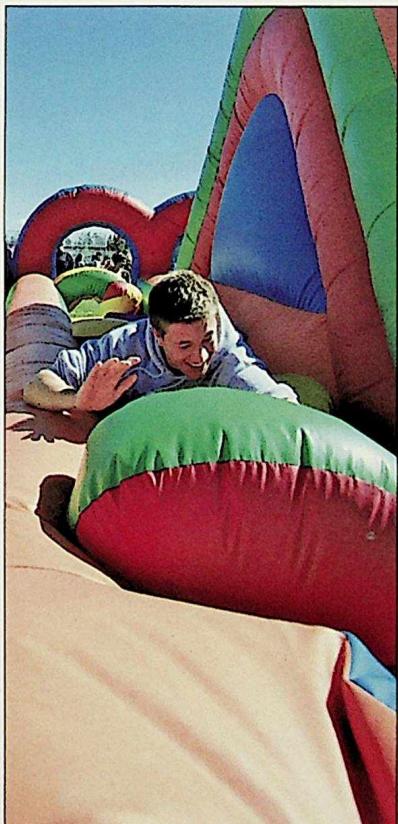

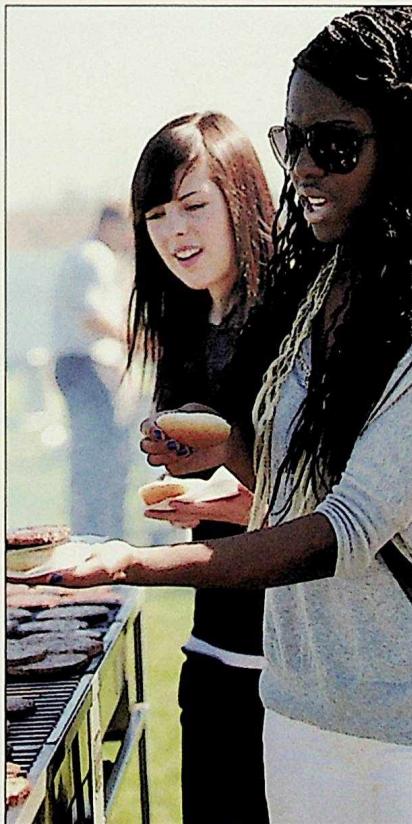

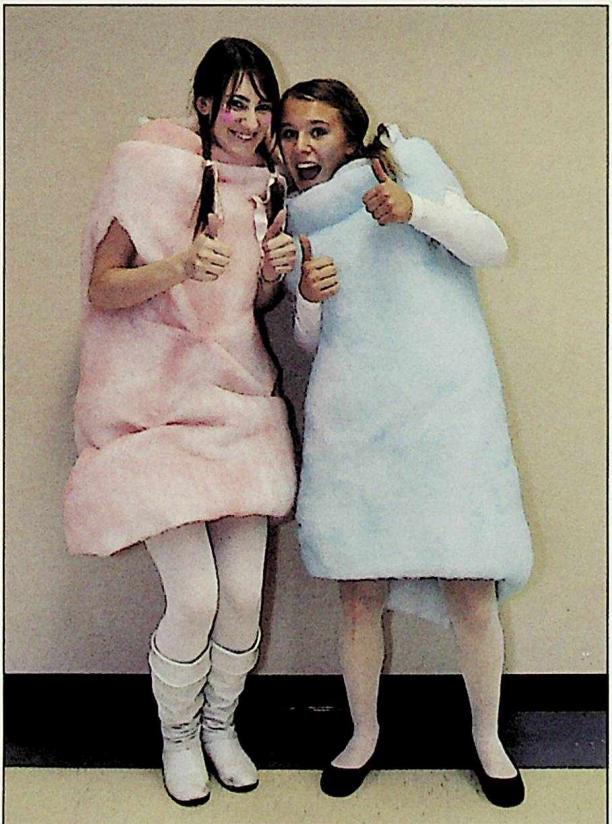

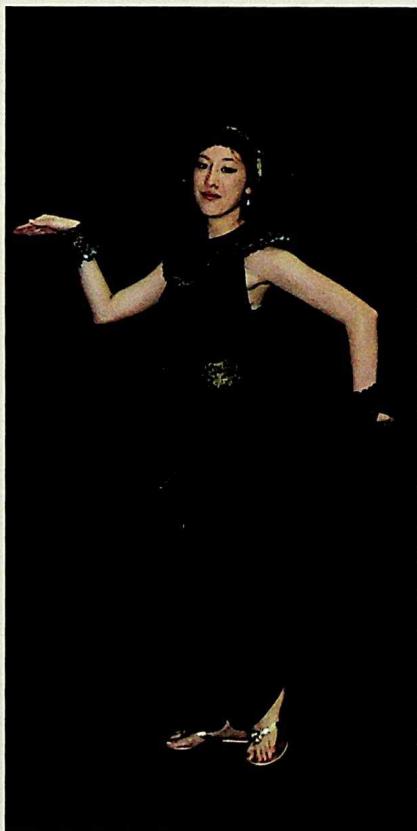

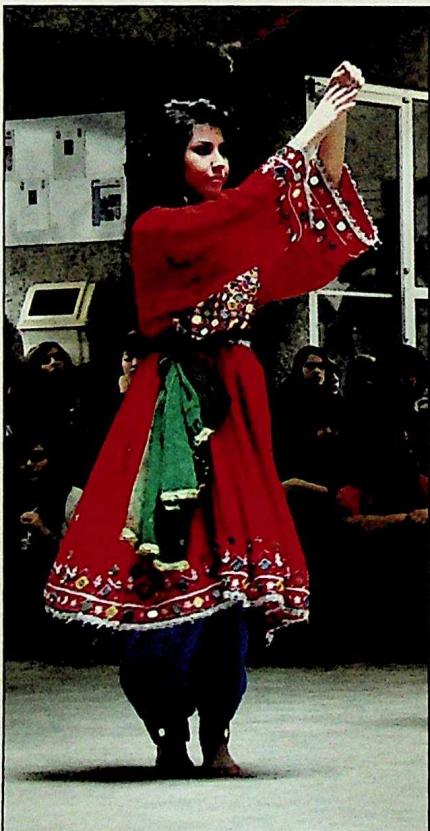

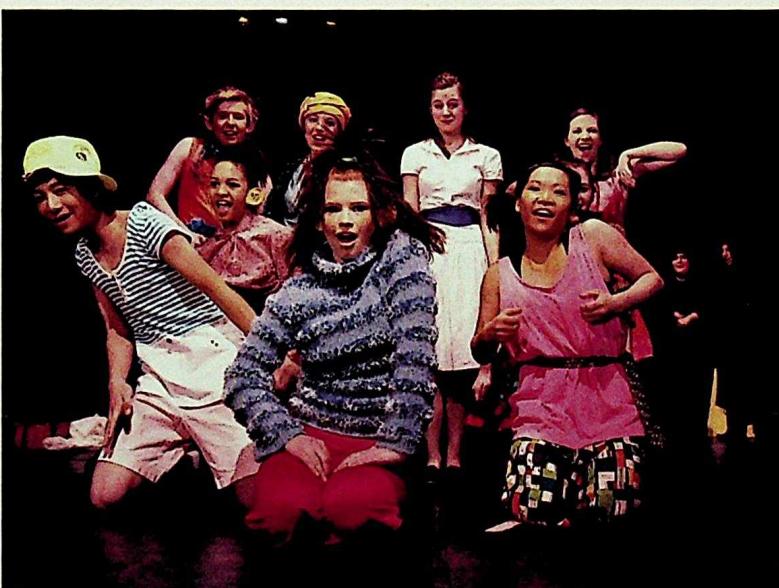

## Improv Team

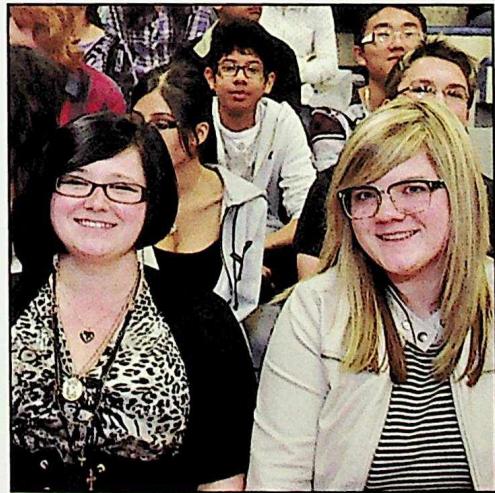

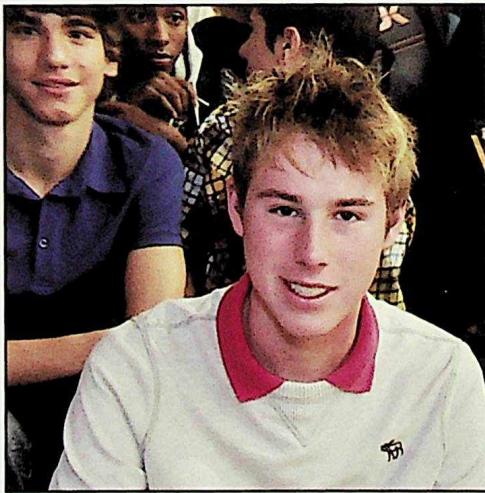

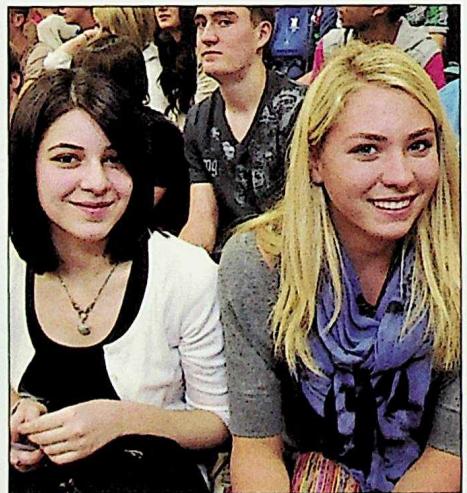

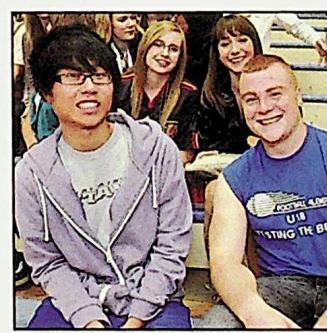

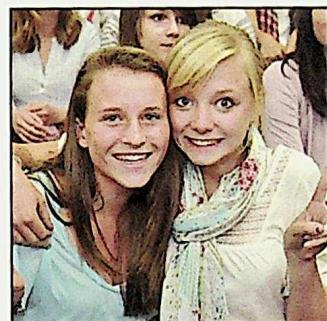

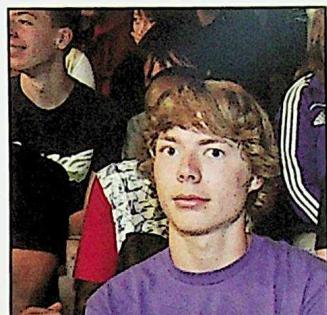

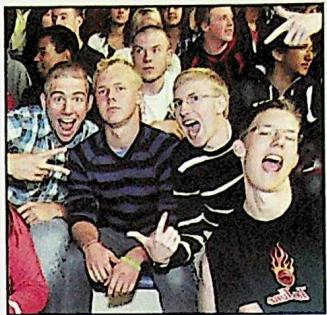

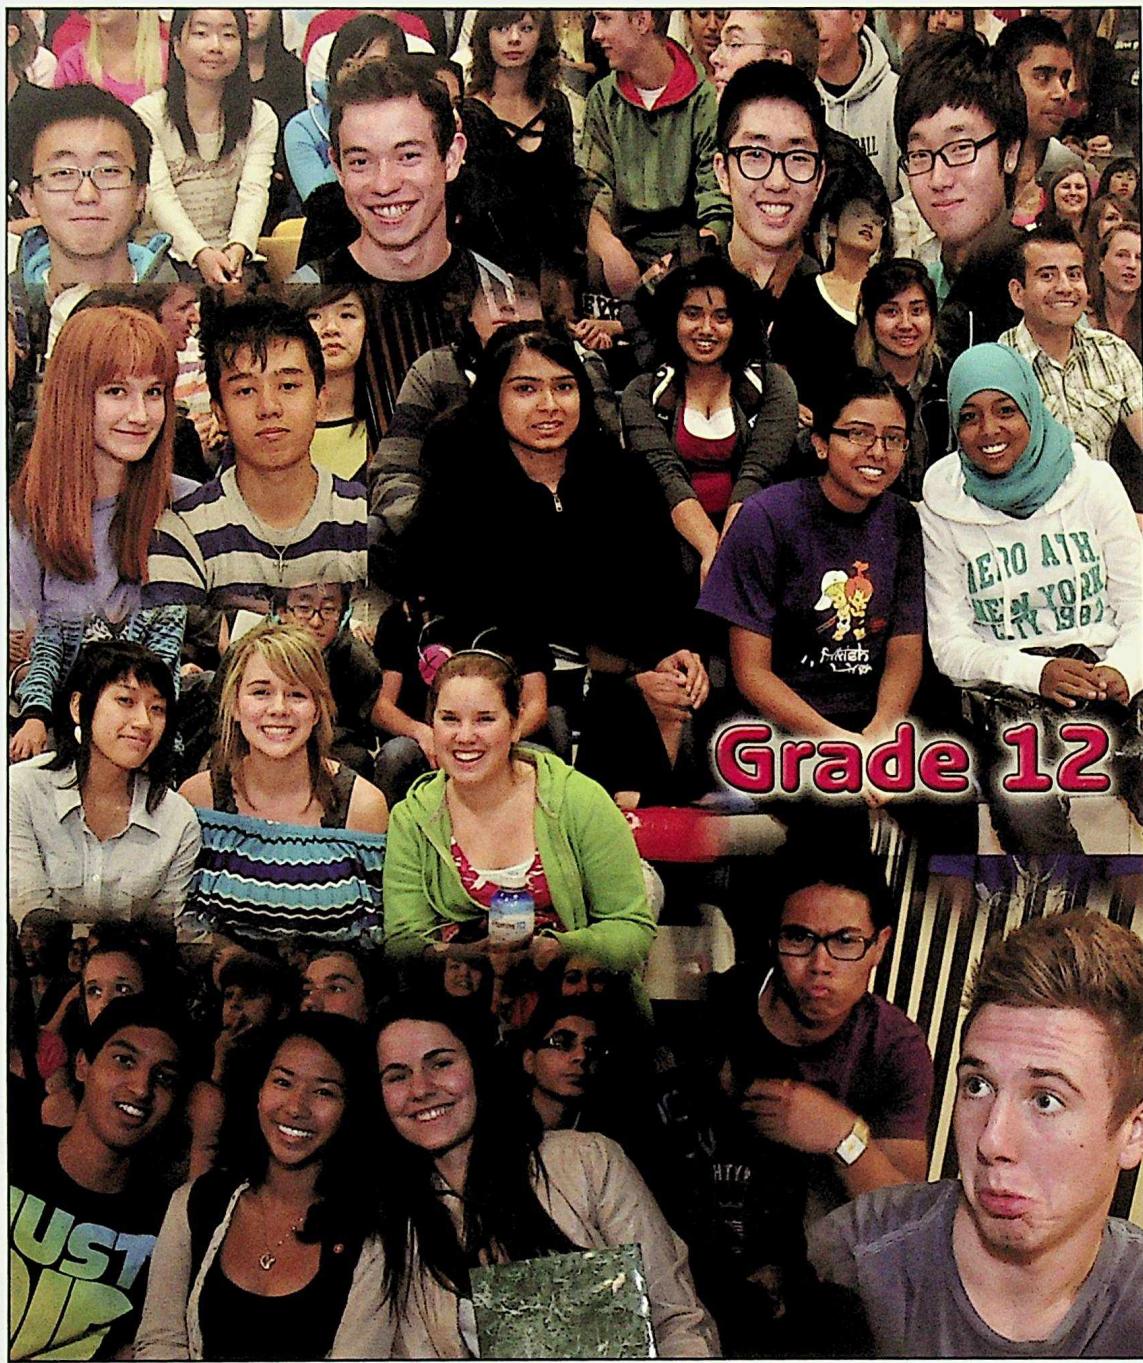

This year the 5r Improv team expanded to 8, with the addition of two grade 10 students. The team competed in Rapid Fire Theatre's Wildfire Festival in both the Nosebowl and Canadian Improv Games tournaments, where they placed 2nd and 3rd respectively. The team travelled to Ottawa for the 3rd consecutive year, and represented Alberta in the Canadian Improv Games National Tournament, where they placed 9th. This year, Ben Fitzpatrick was chosen as a Nosebowl all-star, and had the opportunity to travel to Germany to perform in a festival there. Congratulations to the Improv team for a fabulous year!

## Graduation President and Vice President

Graduation was an interesting adventure. It began with twenty-five wide-eyed individuals without a clue of what lay before us, but it eventually culminated into one of the most exciting experiences of our lives. It took almost 8 months of early-morning meetings, preparation, late nights, and personal development, but in the end, it was worth it. The first thing we learned on Grad Committee was that Graduation did not just consist of two isolated nights, but it was actually a year-round commitment. The Graduation Committee spent countless hours planning events such as: Grad Pictures, Banquet Ticket Sales, Candy Grams, Match-Maker, and the Fashion Show. These events left us with countless new skills from time-management to being able to converse with managers of corporations! There was always something new to learn, all of which are already becoming relevant to other aspects of our lives. It is no surprise that May 27 and

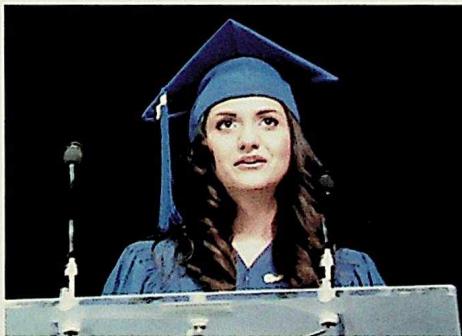

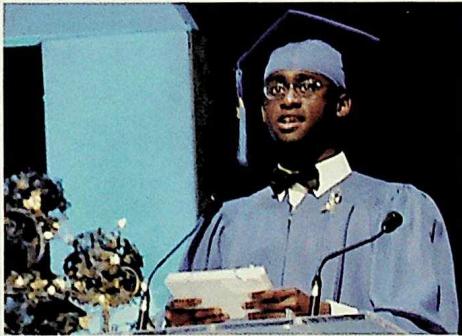

28 were the most important days for the Grad Committee as a whole. After all, these together make up graduation itself: Commencement on May 27 and Banquet the next day. Over the course of our working on Grad Committee, we have really learned to adapt to challenging situations. So when all was said and done, the Graduands, our families, and school staff all enjoyed themselves. Graduating, and being a part of the Graduation Committee, will be one of the highlights of our High School years that we will always cherish.

## Mrs. C. Ripley

Trustee

Principal Jones and staff, family members and friends, and most importantly, Graduating Class of 2011, it is an honour to be part of this celebration tonight and to bring greetings and congratulations on behalf of all of my colleagues on the Board of Trustees.

Let Your Dreams Take Flight! What a wonderful theme! With your graduation diploma soon to be your hand, beyond doubt, you are poised to take flight. Stop for a moment. Are you proud - truly proud - of all that this piece of paper called a diploma represents?

I hope the answer is a resounding YES. Your diploma represents numerous hours of effort

and learning on your part, both inside the classroom and outside. You've analyzed, created masterpieces, experimented, tried speaking and learning in another language, made mistakes, maybe even failed from time to time, been frustrated, had fun, demonstrated your talents, taught somebody else, overcome challenges, laughed, experienced the joy of finally "getting it," grown in your abilities, and stuck it out right to the end of Grade 12. Through all of this learning, you have created a launching pad for success for yourself. Well done!

Your diploma also represents numerous hours of commitment and caring poured into you by a very fine institution we are privileged to enjoy right across Canada - public education. In Edmonton, in particular, since 1881, citizens have invested in and cherished public schools because "we" realize that our future success as a just and prosperous world lies in educating ALL children well. It is, of course, our principals, teachers, educational assistants, administrative assistants, custodians, library and lab techs, consultants, and so on who make our public schools welcoming, caring, supportive, and inspiring places to learn. And so I want to take this opportunity to thank the staff of Edmonton Public Schools for their part in your diploma.

I also know that the successful attainment of your diploma has happened because your education has been valued and supported by your families. They have been your prime cheerleaders, they have spent

time working with school staff on your behalf, and they have volunteered to enhance your schools in a host of ways. And so I want to thank all the mums and dads, grandparents, siblings, aunts and uncles here tonight their part in your diploma.

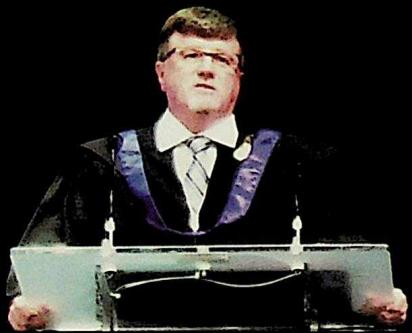

Earlier this year the Board created a new Vision and Mission for the district. Like your theme, the Vision speaks to the power of dreams being unleashed. It states that at Edmonton Public Schools we want to ensure ALL students reach their full potential and develop the ability, passion, and imagination to pursue their dreams and contribute to their community.

Your dreams will not magically take flight. Instead they will take flight when you put the skills and knowledge you've learned during your time in school to good use and carry on learning. They will take flight because of the passion and imagination you invest into them.

In conclusion, on behalf on the Board, once again, congratulations on your graduation. We wish you every success in pursuing your dreams, and as you "take flight," we ask you to be proud ambassadors for public education and to tell your public education story wherever you go. And finally, thank you, in advance, for all that you will contribute to your community - locally, nationally and globally. Through your volunteering and civic contributions to date, I know you are already making a positive difference in the world. Keep it up - we need you - and all the very best!

## Mr. R. MacNeil

Assistant Superintendent

- Good evening ladies and gentlemen, honoured guests, parents and students of the Harry Ainlay graduating class of 2011.
- I'm very pleased to bring greetings on behalf of the Administration of Edmonton Public Schools.
- All of you have worked very hard to earn the privilege of walking across this stage tonight.
- To give you some perspective on how special this achievement really is, I have a little statistic to share with you: Over three years, a high school student spends nearly 3,000 hours in the classroom. 3,000 hours. That's incredible.
- You've probably spent nearly as many hours participating in extracurricular activities, studying and doing homework. At least, I'm sure it felt like you did 3,000 hours of homework.
- The reality of having worked those hours - of making the most of the minutes you spent at Harry Ainlay should fill you with an incredible sense of pride right now.
- I think it's safe to say you've learned a lot about yourself over the last few years. All of these lessons do mean something. They have a way of mak-

ing you evolve as a person even without you noticing it.

- You will do yourself a great favour by seeking out ways to nurture your passions and interests and your knowledge for different subjects once you leave here, because to succeed in the new millennium, you have to be very much in tune with who you are and where you're going...you need interpersonal intelligence. You have to have the ability to listen, understand and think flexibly. You have to communicate with others with clarity and precision. You have to be able to work independently and within a team.

- This is not to say you need to have the clearest vision for what you'd like your future to look like at this very moment, but it is to say that your determination, ambition and willingness to discover all the opportunities that exist out there for you will go a long way towards helping you become the person you're meant to be.

- It was Thomas Edison who once said, "If we did everything we are capable of doing, we would literally astound ourselves."

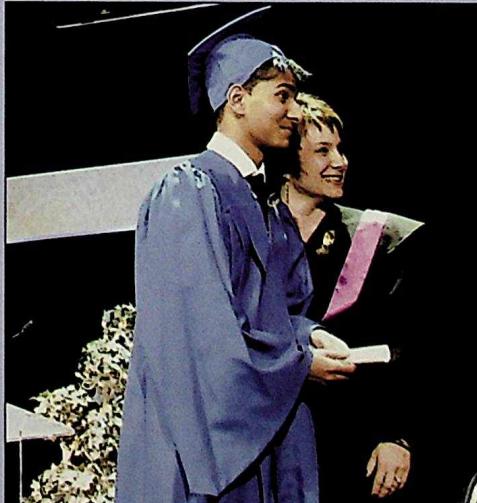

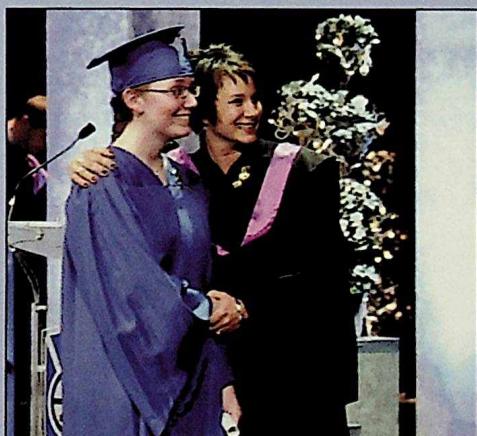

- I encourage you to honour these words of wisdom. Becoming an entrepreneur, engineer, teacher, doctor, nurse, researcher, professional artist or athlete will require you to tap into an enduringly positive energy - a place that says yes you can' when you're faced with self doubt..a place that will give you the courage you need to truly, 'astound yourselves,' and help you realize your potential.

- You have a lot of supporters in this auditorium tonight. Remember to thank the people who stand in the shadows - the parents and teachers who give you the opportunity and encouragement to shine.

- In the song 'Dare to Move' by Switchfoot it is written: 'Everybody's watching you now. Everybody waits for you now. What happens next? What happens next?'

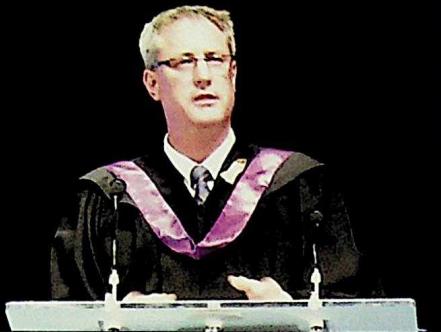

- So, what will happen next? It is in your hands to decide.

- On behalf of Superintendent Edgar Schmidt, I wish you all the very best. I hope you enjoy and cherish every moment of this special evening. Thank you.

# Mr. D. Jones

Principal

It is my privilege, as principal of Harry Ainlay High School, to welcome you to the graduation commencement ceremony for the Harry Ainlay Class of 2011.

Tonight is a special evening because we gather together in this room to celebrate the successes of these young women and men. As

Titans

- Fundraised \$7500 during the Dodgeball for Darfur for Oxfam to be used to support their work in Darfur
- You were part of the 730 athletes who participated in our athletic leagues and captured city and provincial championships
- You spent countless hours organiz-

ing and preparing Christmas hampers for 10 families in desperate need in our community

- You also held a magazine fundraiser that raised an astonishing \$5,000 that went to assist in those hampers
- You participated in the One Act Festival and contributed the proceeds to the Youth Emergency Shelter
- Also made 1000 paper cranes and sent them to our partner school in Tokiwa, Japan to lift their spirits during such a traumatic and devastating disaster. As Kouichi Asaoka, Principal of Tokiwa University-High School stated "there is a saying in Japan that folding paper cranes will bring happiness to those who both give and receive them. We now have firsthand experience".

Graduates, these are only a few of the success and accomplishments you as a team have obtained this year. These graduates successes would not be possible without the encouragement, love and support they received along the way from all of you .... parents/guardians, step-parents and siblings. The families here tonight richly deserve the pride they feel in the graduates. Along with your families I also commend the dedication and commitment of my excellent teaching staff at Harry Ainlay. Graduates, most of us do not tell our families and teachers often enough how important they are. I want to do that at this time. On behalf of the graduates, let me say to their families and teachers: We're proud of you! We're grateful to you and we appreciate all that you do! Graduates, I

would ask you to give a round of applause to your loving, kind and considerate families and our outstanding Harry Ainlay staff. WOW!

Harry Ainlay has much to celebrate tonight. We have a student who started in our Interactions Program, moved into the regular program and after 3 years has qualified for his diploma. He is walking the stage tonight! We have 2 winners of the Canada-wide Science Fair in Toronto last week who won \$17,500 plus an additional \$22,000 in scholarships from 5 Canadian universities. We have numerous student athletes walking the stage tonight who have earned full scholarships in football, basketball, volleyball, track and field, cross country and soccer at many universities and colleges across Canada. We have graduates here tonight who captured a bronze and a silver medal at the Provincial Skills competition in Waterloo, Ontario. We have a graduate tonight who has endured the recent loss of a parent and other family illness. She is present to receive her diploma and We have students graduating who are the first ones in their family to receive a high school diploma. Everyone has a personal story that has lead them here tonight. No matter what path you have travelled in the last 12 years, whether it was bumpy or smooth, you are here and you are to be congratulated. I wish you good health and happiness. Strive to inspire others and achieve your personal best. Congratulations and good luck to you all!

## Rozlyn & Savanna Boutin Valedictorians

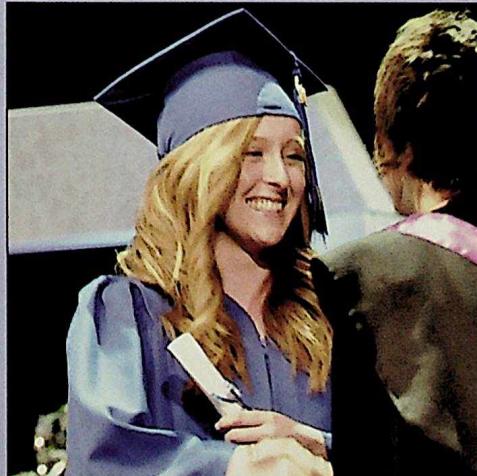

As Harry Ainlays graduating class of 2011, all eyes are on us as we look to the future, asking ourselves what is next? But before we can answer that question, I think we need to first take a moment to appreciate the present and truly experience this moment. Graduation is a testament to all the hours of studying and learning we have put in and it is time to celebrate the accomplishment that is a high school diploma. We should take a moment to look back on our past and recognize our accomplishments, learn from our mistakes and reflect on what has brought us here today. We should feel proud about who we have become and who we aspire to become.

At Harry Ainlay, we have grown from innocent, wide-eyed grade ten students into older, hopefully more mature, young adults; we have weathered late-night study sessions, exam stress and heavy expectations but also gained the everlasting memories of school trips, clubs, rotunda events and formed friendships that will last a lifetime. I know many of us will never forget the feeling of school pride when we tell peo-

ple we won the gold medal as a Titan on one of the Harry Ainlay sports teams, in one of the bands, in drama, art, or at Skills Canada. Today's ceremony is both a closing of our youth and the opening of our future and as we stand on the threshold of independence and adulthood, we may experience fear, excitement, anticipation, uncertainty and even a touch of nostalgia. Nobody knows what the future holds, but nothing is surer than the fact that our future is what we make it. For the first time in our lives, we are presented with an unprecedented number of choices and no matter what paths we decide to travel; we will experience tears, joy, setbacks and success.

Eleanor Roosevelt once said that "the future belongs to those who believe in the beauty of their dreams". Dreams come in many forms, whether they are academic, athletic, or personal and no dream is less important than another. As we all strive to make our 'Dreams Take Flight', we will all make mistakes and encounter obstacles, but mistakes are the detours that make life exciting; we cannot forget that there are many paths to success. The fear of failure should drive us to succeed but not hold us back. We need to keep believing in ourselves, knowing that we are capable of influencing and changing the world around us. We challenge you to never question your abilities or shy away from a challenge. As individuals, we must always strive to show a strong sense of character in our actions and to stay true to who we are. We are truly free to define our futures; whether you are joining the workforce, attending a post-secondary institution, or defining your own path, the time is now, Titans, for us to take the first step that will turn our dreams into realities. As we each become our own individuals, we will always form a family of titans, and when we meet in the future as mature adults, we will always remember the time we have passed together. Let us be inspired by our fellow classmates and achieve greatness both as individuals and as a group. Congratulations and continued success to the class of 2011.

# Ms. D. Fischer

Guest Speaker

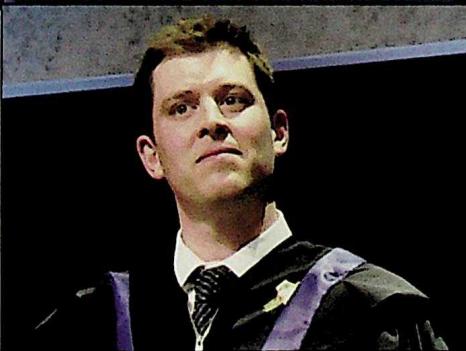

Good evening Graduands, Honoured Guests, Parents, Family, and Ainsley Staff. I am honored to serve with Mr. Jenkins as one of your guest speakers this evening, and am immensely pleased to help celebrate this important milestone in your life. Commencement helps mark the end of your childhood and your entrance into the adult world. Your Grad song, penned by Switchfoot, 'Dares you to lift yourself up and move'. Your Grad theme challenges you to "Let Your Dreams Take Flight" I hope that you will take up this challenge. You are all capable of fulfilling whatever dreams, you can possibly dream. You each have a unique talent that sets you apart from others... a talent or genius that it is your job to find and cultivate. You have been well prepared to do so. You have had amazing support from parents, family, friends, and teachers to help you reach this point. Take the opportunity to thank these people who have mattered so much to you sometime this weekend. Your incredible support system has helped you to: find out more about yourself; shape your moral code; and develop your internal compass, to which you should always refer... no matter where your travels take you. Strive to be a person that can get up in the morning, look squarely in the mirror and be happy with who you are. As Shakespeare would say, "to thine own self be true." In order to achieve your dreams you have to set a destination

or goal, plan and chart a flight path, then leave the ground, take off and GO FOR IT! Seek out your BUSS and LIVE IT! Be the pilot of your own destiny! Make your own fate! Some dreams may seem too high, too out of reach, too unattainable, or too insurmountable.... but dream those dreams in order to achieve them. When you plan your route... aim high and you will fly higher than you ever believed that you could. Do not be discouraged by barriers on your route. Even if you hit a mountain range of barriers, fly over them, go around them, or if you have to... smash through them, but keep on going and make your way past them. Do not give up on your dreams! Gretzky once said, "You miss 100% of the shots that you don't take" so I say... Take your shot! Be open to the fact that you are still young and that the dreams that you dream today may not be the ones that you will dream in the future. Some of you are lucky to have always known what you want to do; what you want to achieve; you have it all mapped out... but many of you do not, and so may have a more difficult time planning your route. Hear me when I say... That is OK! Most of the adults you know didn't really know what they wanted to be, where they wanted to go, what they wanted to accomplish, by the end of high school! Give yourself a break, you have lots of time to figure these things out, and there is no set timeline in which you have to do so. That being said, I implore you... don't go through life saying I'll be happy when I will be happy when I achieve this, when I buy that, when I marry him (or her), when I have this, or when I have that. If you go through life like that... you will never truly find happiness. Happiness is a choice; it is a way of being; it is a decision that you make about how you want to be. Be a traveler not a tourist in this journey that we call life. It is those travelers who value the journey and not the destination, who truly find happiness every day of their lives. This is a wish... that I wish for all of you! It is possible that you may hit turbulence on your flight. We all do, whether it is the death of a loved one, the loss of one's health, the loss of a marriage, the loss of a job, or sometimes even the loss of one of our dreams. A great pilot finds a way to rise above the turbulence; to move into the stratosphere above the rough weather and to find a way through that rough patch. Be patient with yourself if things get tough. Be willing to reach out to your support systems and ask for help when you need it. Your friends, your family, your faith will lift you back up if it seems like you are going to crash.

They will help you regain the lift that you need to fly. You will only have failed; you will only crash, if you quit trying. Einstein once said "Show me someone who has not failed and I'll show you someone who has not tried hard enough" Many of you in this room will do amazing things in the future, because you will never quit trying. You will achieve more dreams than you may have even imagined. You have spent the last three years in a great school that epitomizes its motto "In Omnibus Excelsior" or "In all things Excellence". Value the gifts that you will give the world. Be a global citizen! Don't just tolerate others; instead make a point to appreciate our differences. Value your neighbors and remember that as a contributing member of society, as a strong citizen, it is your role to lift up others around you who need help fulfilling their own dreams. Be a mentor, give back to your community, donate your time to people less fortunate than yourself. Too many people underestimate their own potential to do things that really matter for our world. Gandhi would say, "Be the change that you want to see in the world" Hillel would say "If not you, who? If not now, when?" Use your skill set to be the greatest Pilot that you can be in this flight we call life. Start with a great flight plan and avoid the use of autopilot... to truly experience the best of what this world has to offer. Use technology as a tool, not a crutch... occasionally choose to become unplugged... and plug back into your humanity. Seek out true Socratic wisdom by recognizing that the wisest people in the world admit that they know nothing... but always seek to learn more. Remember that we all have a talent or some small piece of genius in us but as Edison said "Genius is 1% inspiration and 99% perspiration." Do not be afraid of hard work or failure. Find and nurture the genius in your life. Dream a flight path that calls upon you to always seek to learn more, to develop yourself more, to value the journey over the destination, to be happy now, to surround yourself with good people, and to become the type of person you would like to have as a neighbor. I challenge you to measure your successes by the people that you help, rather than the goods that you amass over your lifespan. I challenge you to be the "In Omnibus Excelsior" that we all know you are. "I dare you to move... to lift yourself up off the floor". I challenge you to "Let your Dreams take flight"! Thank you!

# Mr. K. Jenkins

Guest Speaker

I am Keir Jenkins and I am a Harry Ainsley Graduate - Class of 1994. There are many other Titan Alumni here this evening. Ainsley Alumni sit here tonight as honoured guests and staff, your friends and your family, your brothers and your sisters, and your moms and your dads. The Titan Family is large - large in numbers, large in memories, large in honour and large in excellence. I am honoured to call myself a Harry Ainsley Graduate and I am honoured to stand before the Harry Ainsley Class of 2011. In *Omnibus Excelsior*, our motto... In All Things, Excel-

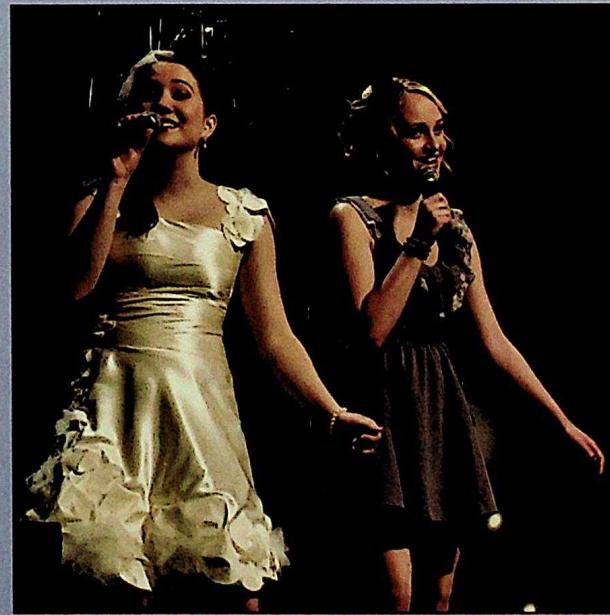

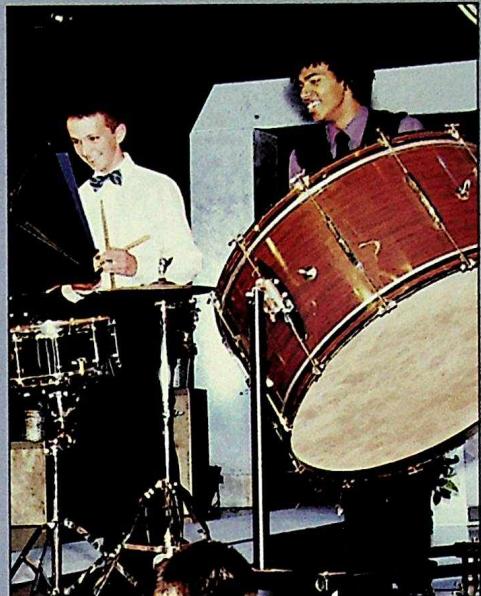

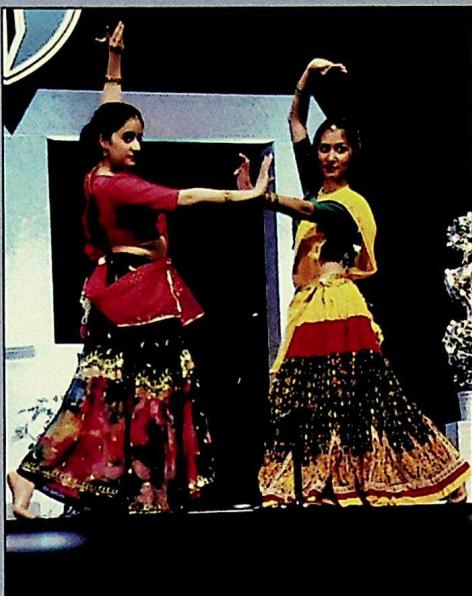

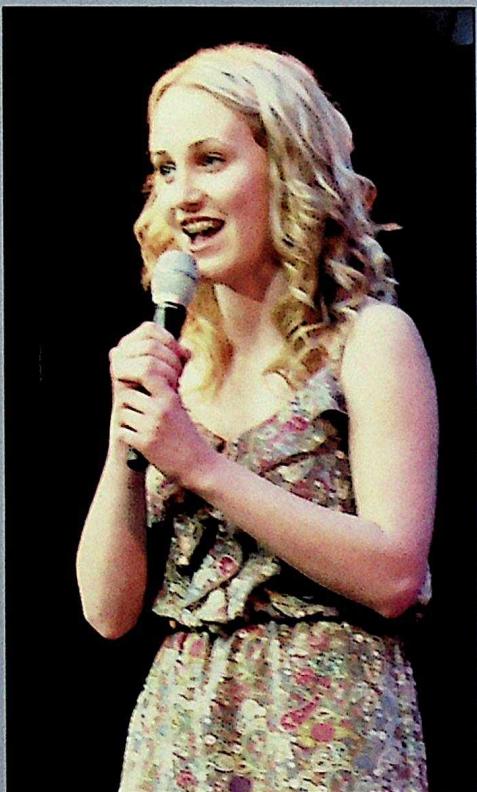

lence. I believe in this motto and I work hard to uphold it. It is my hope that you continue this tradition. This will be your job when you leave our school to take on the world. Please remember this, it is not arrogant to proclaim oneself as excellent if recognition of excellence is deserved. This is confidence and it is confidence that you will need to take on this world. Personally, I cannot be excellent at everything, I won't even try. That would be impossible. I can however, strive for excellence in all things... all the things that I personally do - all the endeavours that I personally take on. First, to achieve this... you can't take on too much. And when you do plan to take something on... do it right, do it better. Do it better for the sake of doing it better. Do it better because, you, are a Harry Ainsley graduate. To paraphrase the Greek Philosopher Aristotle - Excellence is never an accident. It is always the result of high intention, sincere effort, and intelligent execution; it represents the wise choice of many alternatives - choice, not chance, determines your destiny. We are what we repeatedly do. Excellence, then, is not an act but a habit. I believe in Aristotle's words - Excellence is daily, excellence is on purpose and excellence is a habit. I have some bad habits. These bad habits are not wanted, but I would like you to start a new habit today or you may just be continuing what you may have already started as a Titan - Create the Discipline to make Excellence a Habit. Everyday I wear a special ring on my right hand. It looks like a Harry Ainsley Graduation Ring, but it is much more. For me, this ring is a symbol of what I value most. This ring not only

exists as a Harry Ainsley Graduation ring. It also exists as a University of Alberta Graduation Ring. It exists as a personal birthday ring - reminding me of me. It exists as a symbol of my love, trust and commitment to my wife, my family and my two boys. These are the most important pieces in my life, my friends and family, my wife, my children and, of course, the celebration of ME and my accomplishments. Please remember to put yourself first, especially in celebration. For you, tonight is that celebration - please remember this night... and always remember what is most important to you. With the addition of you, the graduation class of 2011, the Titan family gets bigger. I love being a Harry Ainsley graduate and a member of the Titan family as, each and every year, I continue to meet new and exciting, intelligent and successful, passionate and creative Harry Ainsley graduates. I run into them in life. I even continue to meet graduates from my graduation class. People I didn't even know back then. It's seems to be a small world in this Titan Family, but The Titan family is large, yet close, massive even... large enough in number that when we are all out in the world, not any one person has to be excellent in all things, but as a family we probably are. Titans as Stanley Cup Champions, Titans as Respected Professionals, Titans as creative and inspiring Artists and Titans as contributing members of the community. Get out there and take on the world, take on the challenge of being a Harry Ainsley Graduate and Take on the challenge of providing excellence in all the things that you do.

## Grad Entertainers

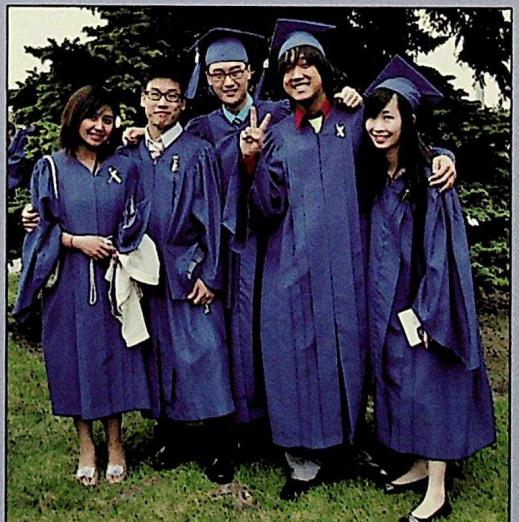

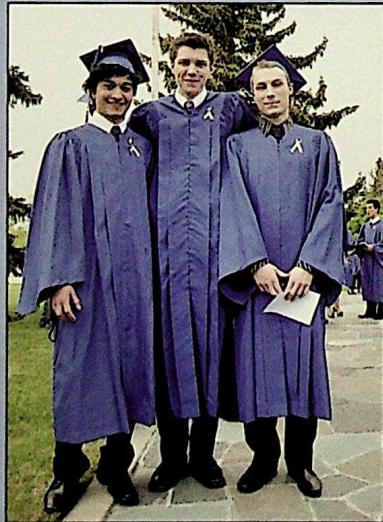

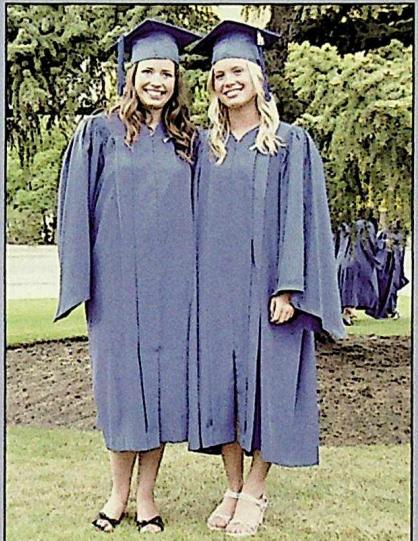

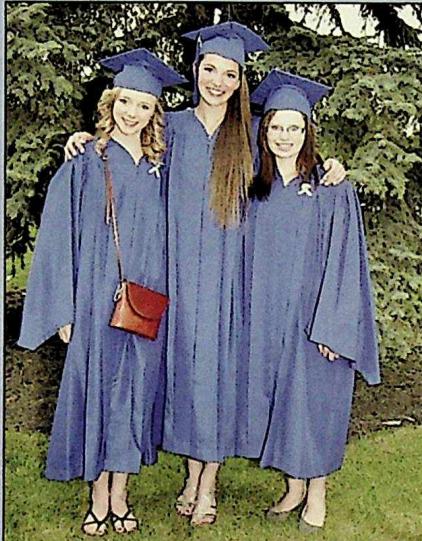

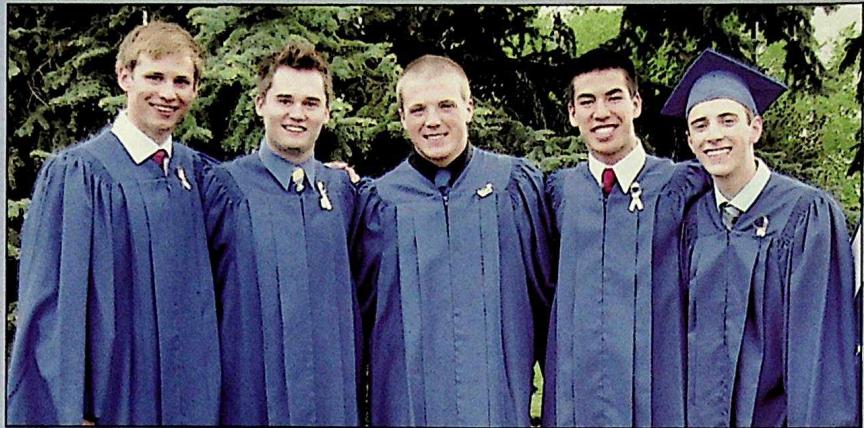

This year singers and musicians stepped up on stage and impressed us during commencement ceremonies and the graduation banquet with their delightful performances. It was an honour to see our own peers up on stage sharing their musicality and vocal talents. Thank-you to all of our performers for adding the joyful sound of music to our ceremonies.

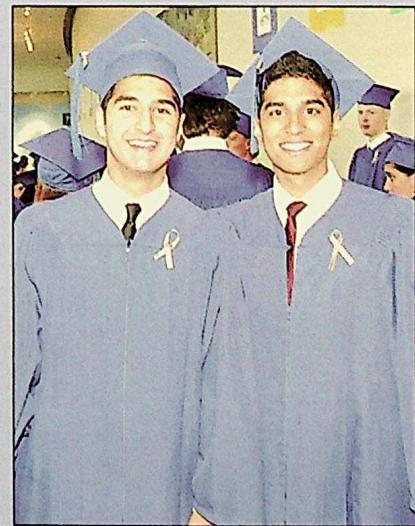

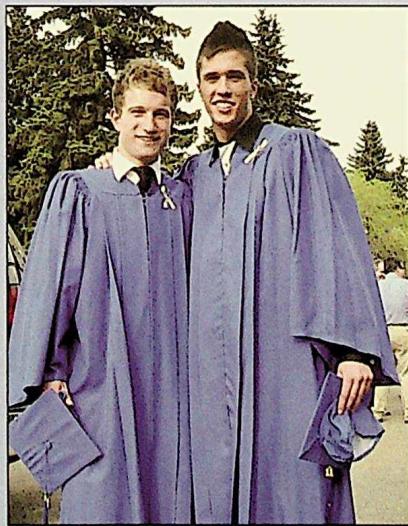

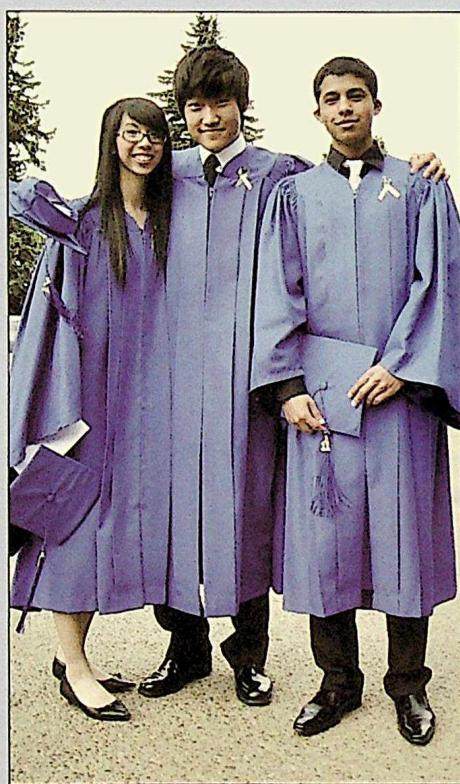

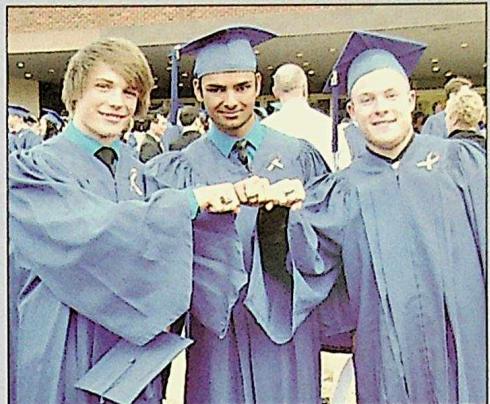

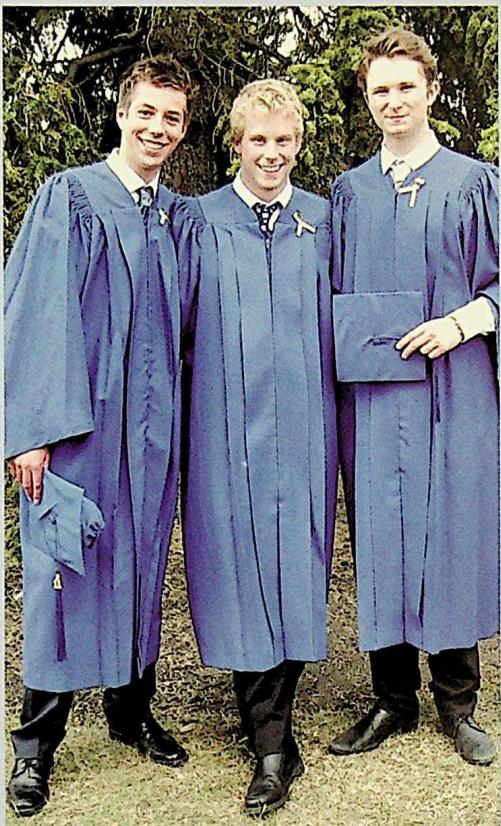

# Commencement

On Friday, May 27, 2011 675 Graduands sat in the Northern Alberta Jubilee Auditorium awaiting their certificates. Throughout the night students, parents and teachers alike were treated to words of wisdom from our Valedictorians Rozlyn and Savanna Boutin, as well as from Ms. Fischer and Mr. Jenkins, our guest speakers. We were also treated to performances by a number of fellow Grade 12's! The night let everyone reflect on, not only the past three years of high school, but on the last seventeen years of our lives. Harry Ainlay Graduating Class of 2011, we hope you continue to pursue your dreams, wherever life may take you. We did it!! 'Let Your Dreams Take Flight!'

# Graduation Banquet

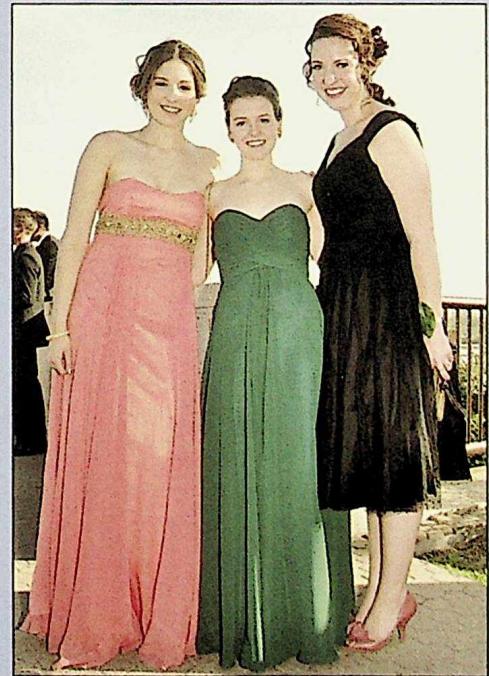

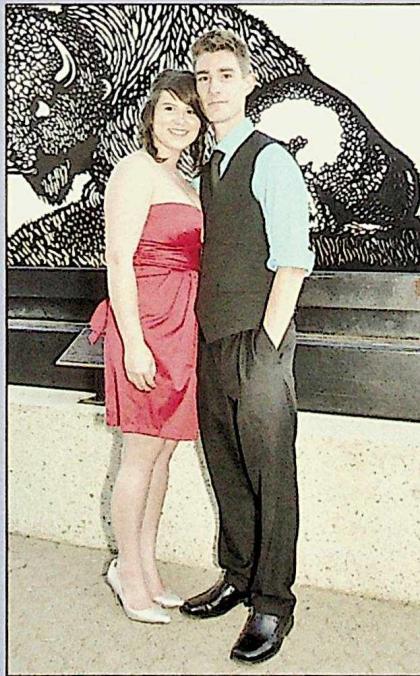

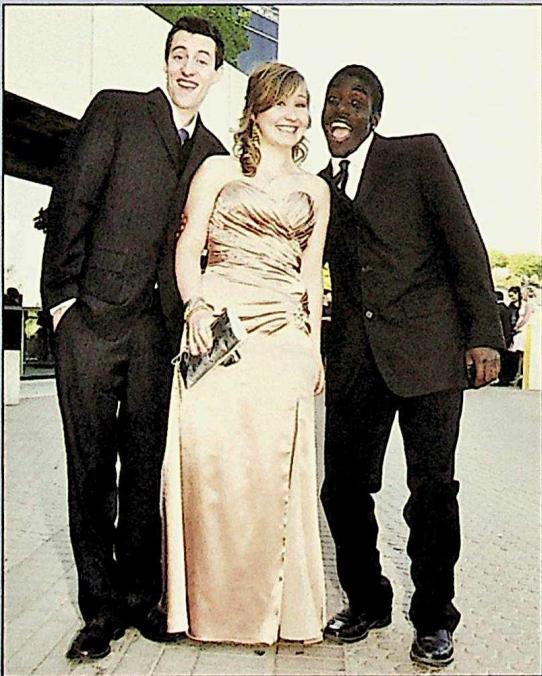

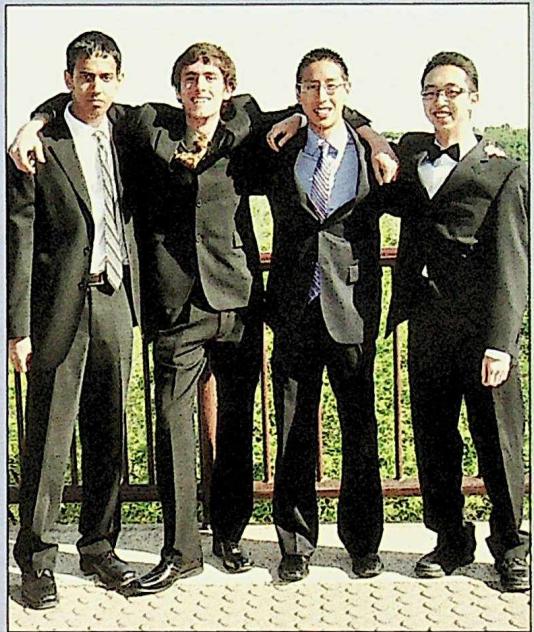

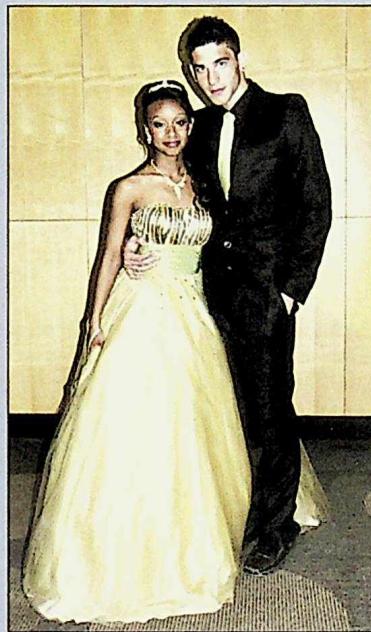

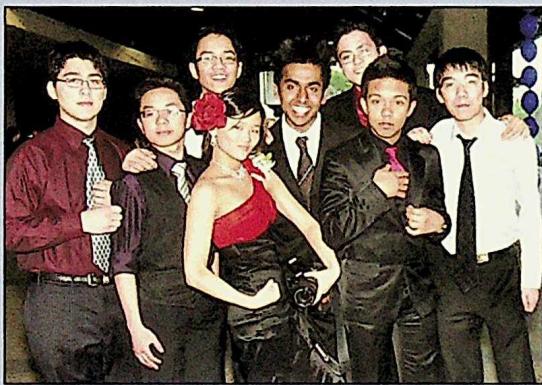

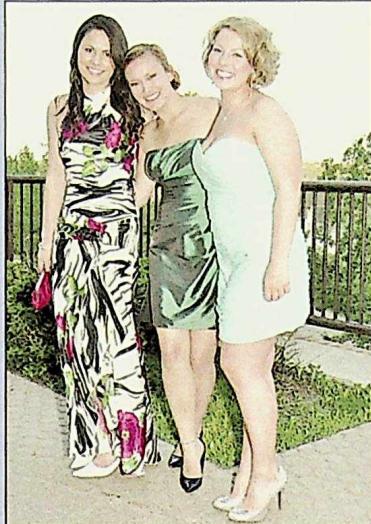

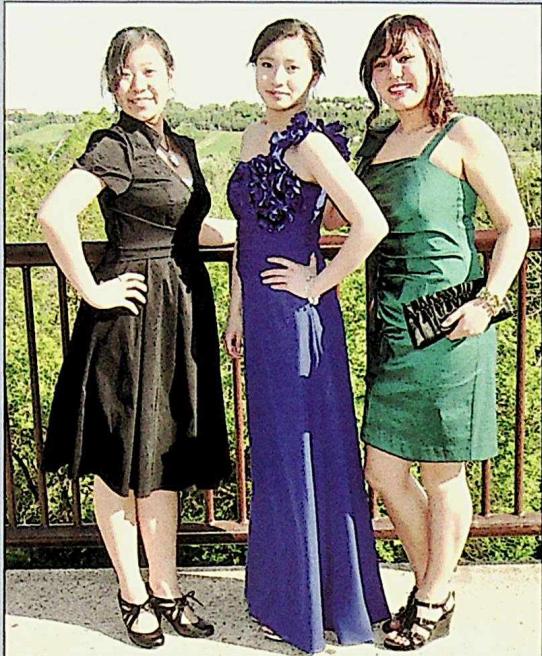

On May 28, 2011 the graduating class of 2011 enjoyed a night of wonders and dreams as they entered into the Shaw Conference Centre. On the night of banquet Titans showed their class and enthusiasm as a crowd of Titans grew expectantly awaiting the opening of the doors. The double halls were decorated with a multitude of balloons representative of our graduation theme, "Let Your Dreams Take Flight". There was no better way to celebrate the achievements we have accomplished in the past three years than to be in a star filled room in the company of so many other Titans, family and friends! A night of recognition, acknowledgement, food, entertainment, dancing.... And best of all - celebration. The night of banquet was truly memorable for all graduands and family as we embark on the next chapter of our lives and begin the first step we take to spread our wings and truly take flight!

## Commencement and Awards Night Candids

# LA Band Trip

The Harry Ainlay Music Department travelled to Los Angeles, California from April 15 to 20. The Concert Choir, Symphonic Band, Concert Band and "A" Stage Band all performed very well in the Anaheim Heritage Festival. The "A" Stage Band received a Gold Award and the other groups received Silver Awards. A highlight for the students was the Disneyland Workshops. Here the bands and choir worked under the direction of Disney conductors in one of their soundstages. With everyone connected through wireless headsets they created soundtracks to go with segments of several Disney animated features. Days in Disneyland, California Adventure and a visit to Newport Beach rounded out this year's visit to the "happiest place on earth." Many thanks to our chaperones that took time out of their lives to accompany the students on this adventure: Sue Lowery, Debbie Baergen, Barb Fortier, Liana Haynes, Stephen Wreakes, Jim Evans and Cheryl Belyea.

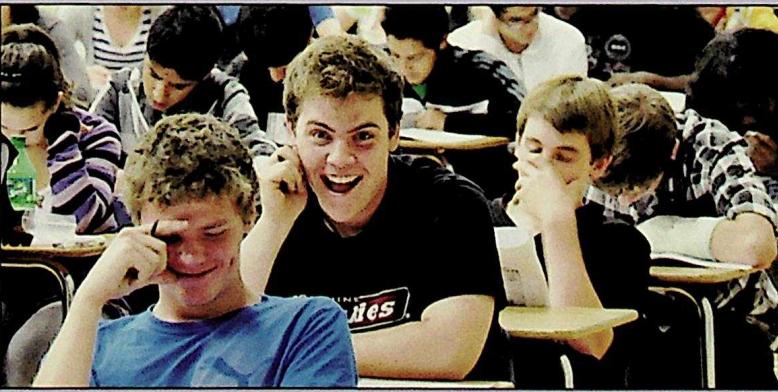

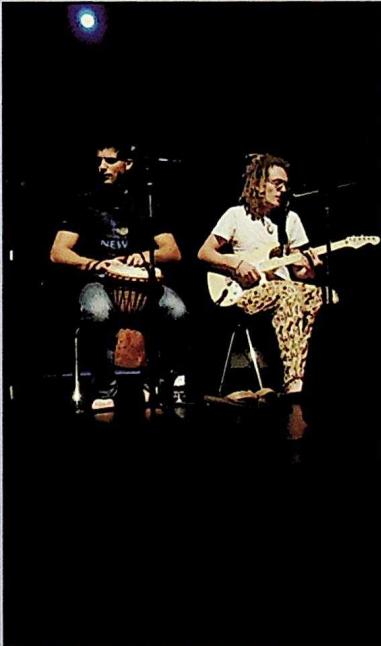

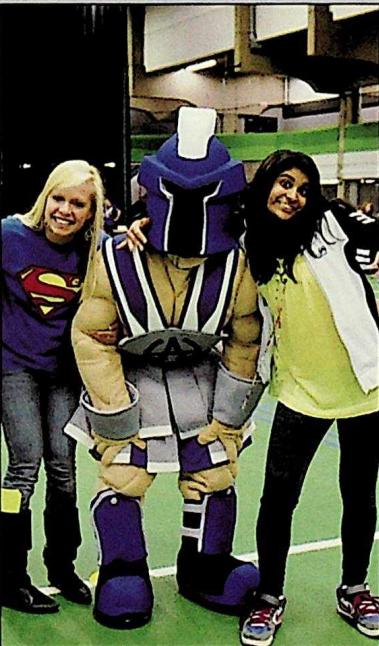

# MS 150 Bike Trip

This past weekend, over 1900 cyclists from across Northern Alberta braved the wind and rain to bike over 190 km between Nisku and Camrose, raising over \$1.8 million to help find a cure for MS. The Harry Ainlay team, Glen's Titans Never Tire, did a great job, raising over \$20 000 and having a great time riding, camping, and supporting a great cause. Thanks to the many of you who pledged staff and students who were on the ride. We couldn't have done it without you! If you see the following people in the hallways, give them a congrats. They did Ainlay proud! Amada Rahmani, Dave Visser, Sietske van der Heyde, Jamie Hicks, Alex Miller, Jenny de Caen, Winnie Li, Caitlin Bailer, Dipon Dasgupta, Larissa Fester, Lianna Gendall, Kyle Janzen, Emilie Josh, Riplea Lothian, Alexandria Snider, Eszter Szepesvari. Some Ainlay alumni were on the tour as well: Peter Lore, Andrew Mulcair, Christen Klinger, Sue van Nispen. Thanks again for all your support!

## Final Thoughts

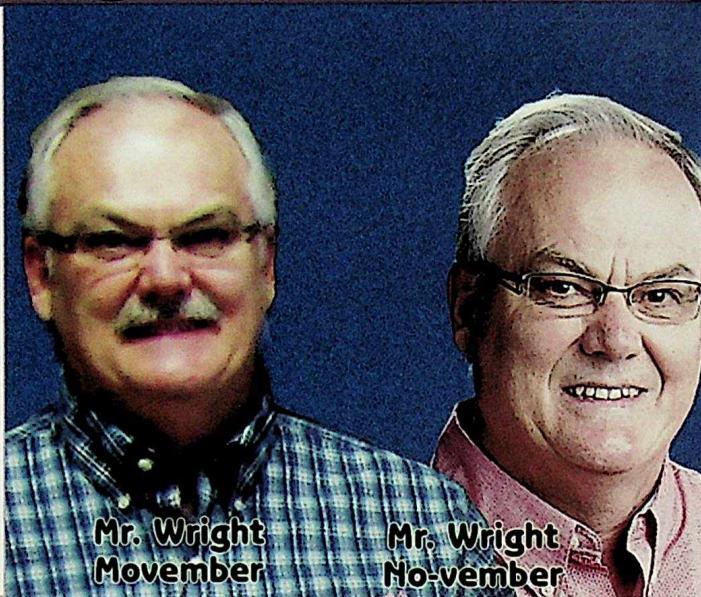

This is the tenth yearbook I have been involved in at Ainlay. Every year is different but the yearbook staff always manages to find the images that perfectly capture the events, sports and activities of our shared school year. Behind the scenes the yearbook staff has been photographing events, designing pages, distributing yearbooks and a thousand other little jobs over the course of the year. This crew of volunteers has put in numerous hours during lunch and after school to put together these 192 pages of Titan memories.

Mr Wright, Yearbook Advisor

Yearbook has been a large but worthwhile commitment that we will remember as a part of high school life. Having spent endless hours keeping up with all the wonderful events and people, we hope that this book captured the fun and memories of the year for you, as it did for us. Not only did we feel in touch with the entire school by taking photos and creating pages, but shared all the amazing experiences with it. We sincerely hope that you enjoy this yearbook. A special thank you to former yearbook editors - Amy Schwartz and Karin Rodning for helping finish off the final pages in late June.

Yearbook Club of 2010-2011

The countless hours spent hiding out in the CommTech room during spares and lunchhours have certainly paid off! Thanks to my lovely fellow yearbookers and Mr Wright, I have had the honor of watching photos and templates magically become what we call a yearbook. Whether it is in nostalgia or fond reminiscence, I hope that this yearbook captures the essence of this awesome year for you too. Thank you for the amazing year that made these memories possible!
